

Bonnie's Body:

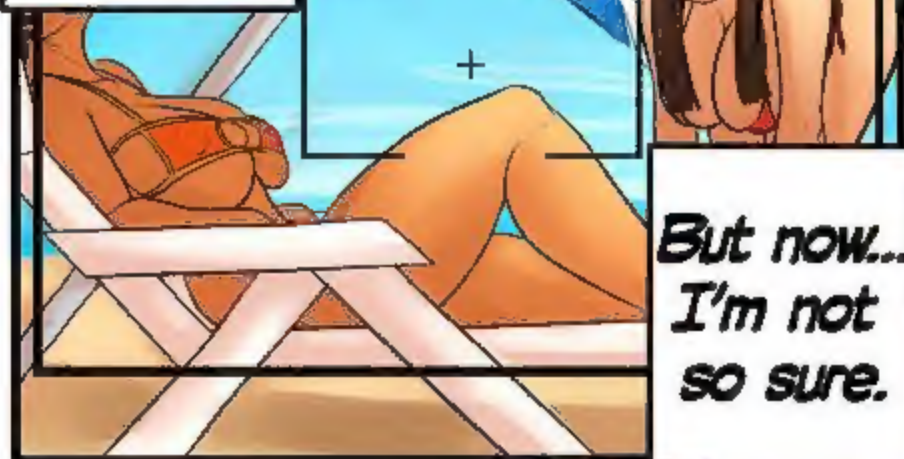

Chapter One: **Bustin' Out!**

When I decided to move here from Ireland, I was positive that it was the right choice for me.

*But now...
I'm not
so sure.*

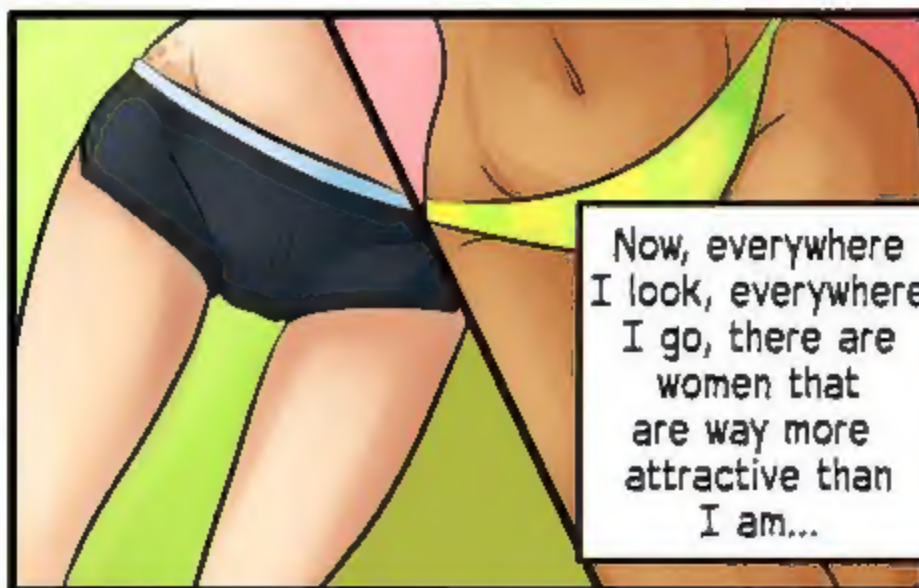

After all...
I never felt as if I wasn't good enough before...
Now, I feel that way ***all the time.***
I know that a no-name village isn't a great place to be a photographer, but...
is this any better?

At least before I had familiar surroundings...

Now, everywhere I look, everywhere I go, there are women that are way more attractive than I am...

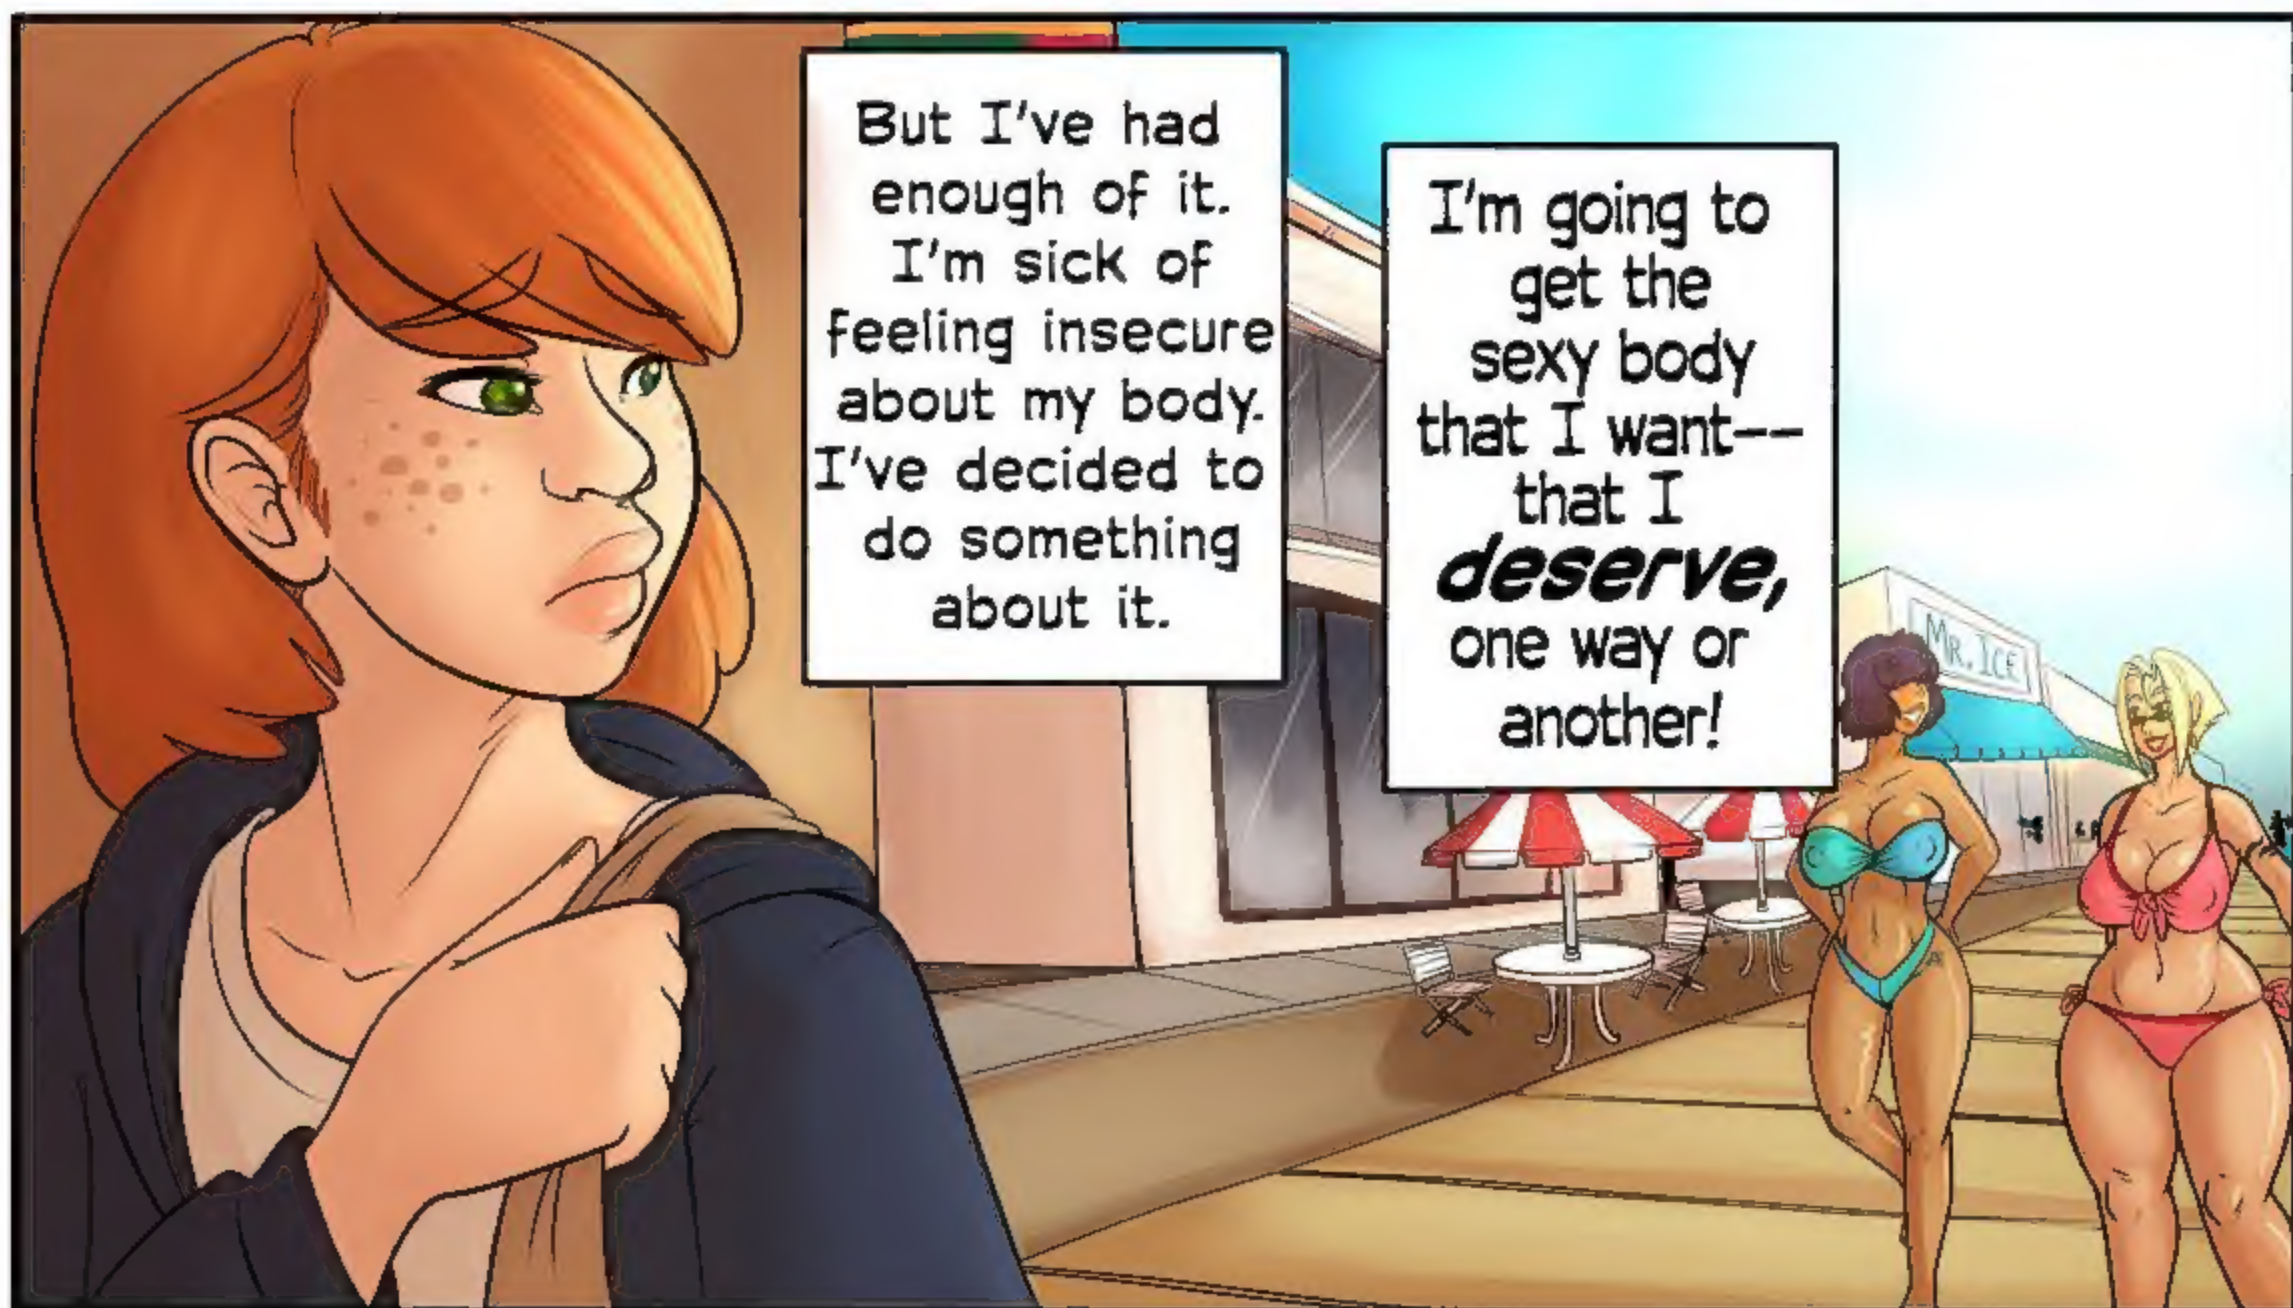

...And I can't help but compare myself to them.

But I've had enough of it.
I'm sick of feeling insecure about my body.
I've decided to do something about it.

I'm going to get the sexy body that I want-- that I ***deserve,*** one way or another!

And so, I set out on my search for help.

9:40 AM

You're a perfectly healthy girl! I suppose you could eat a *little* bit more if you *really* wanted to gain some weight.

I guess...

12:32 PM

Mmm. With a few nips here and tucks there, we can have you with that sexy body that you've been *dreaming* of!

...With just a short *eight months* of recovery!

4:15 PM

LEGION of the LURECRAFT

Well, you're going to need a wizard and a +7 Legendary Staff of the Glutton.

Needless to say, I didn't find much.

Well. That was pretty much pointless. The only person that said anything even remotely helpful was that doctor.

But there's no telling how long that would take to effect my body, or if it'd even work how I wanted it to.

Eh?

Mystic Martha's

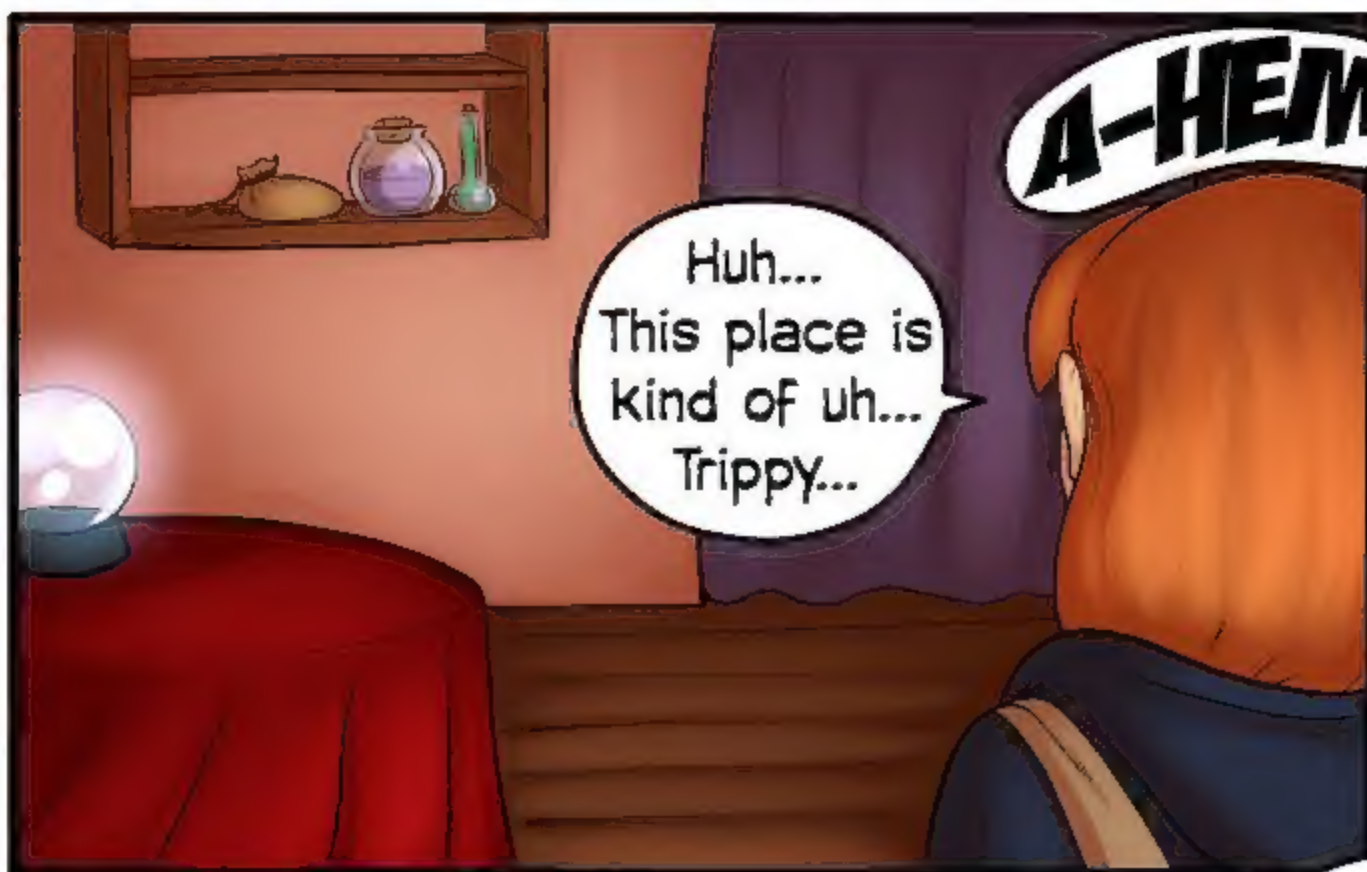

Well... I guess it's worth a shot!

Welcome
to Mystic
Martha's.
Somethin'
you need,
sugar?

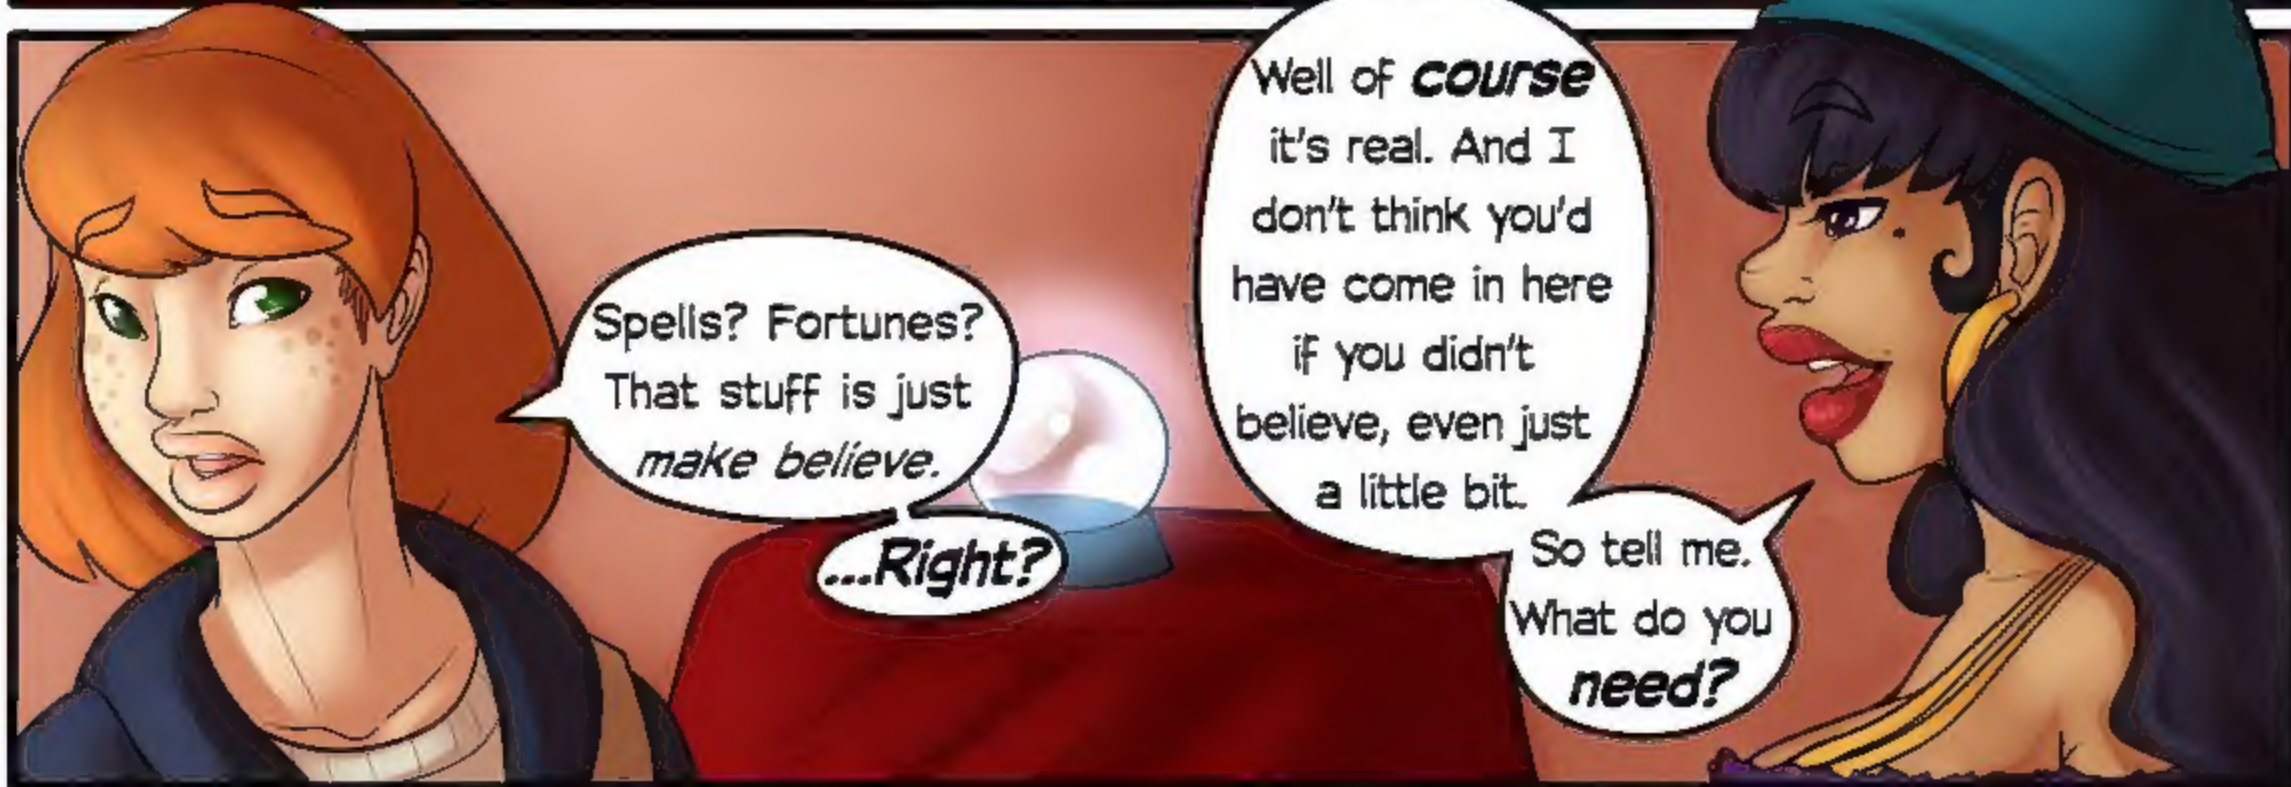

A spell?
A potion maybe?
Fortune telling?
Even hexes, I've
got it all.

A-HEM.

Huh...
This place is
kind of uh...
Tippy...

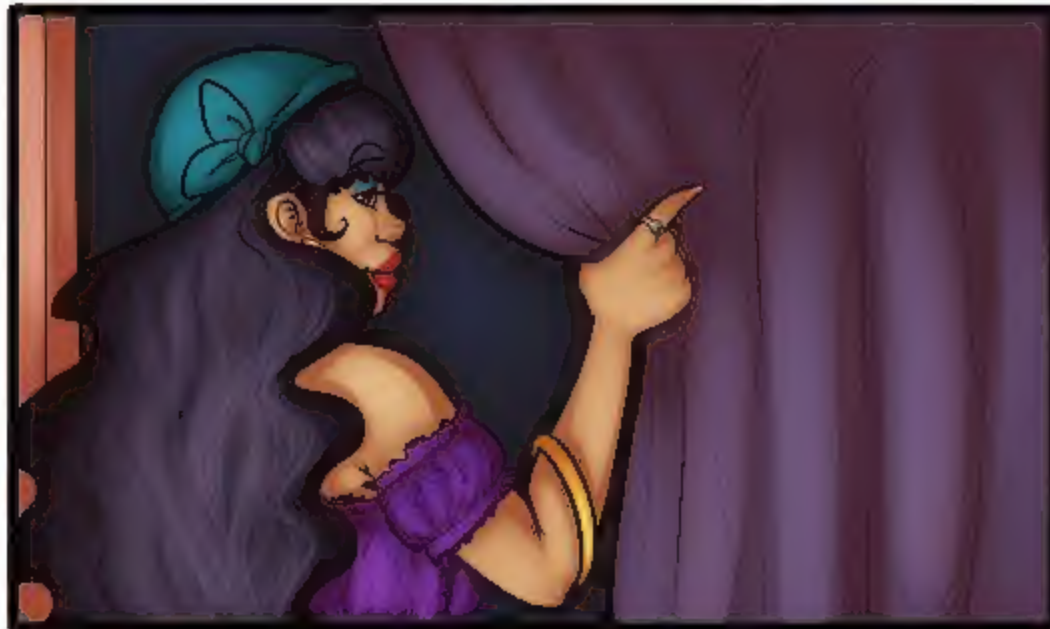

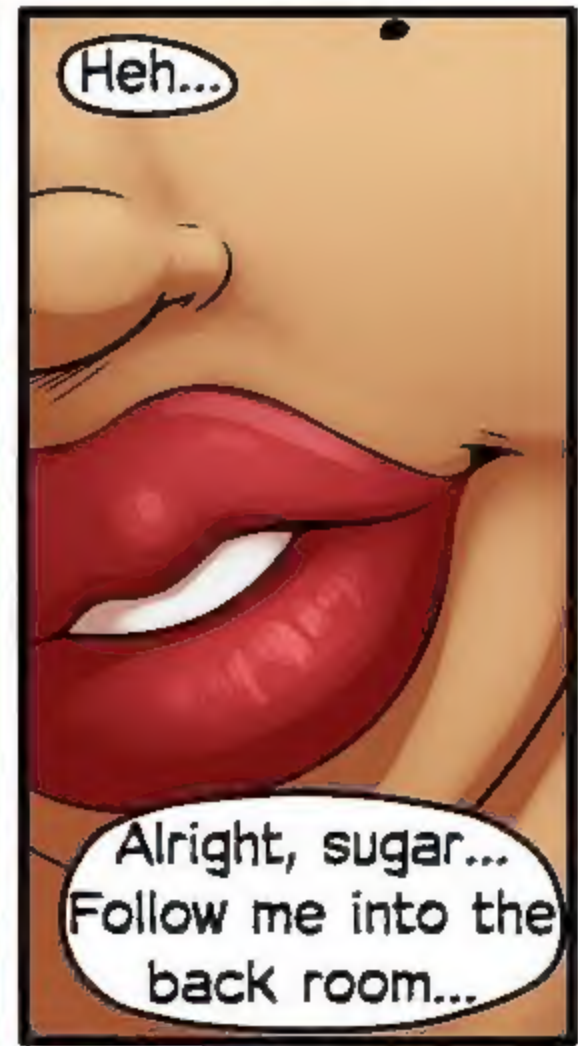

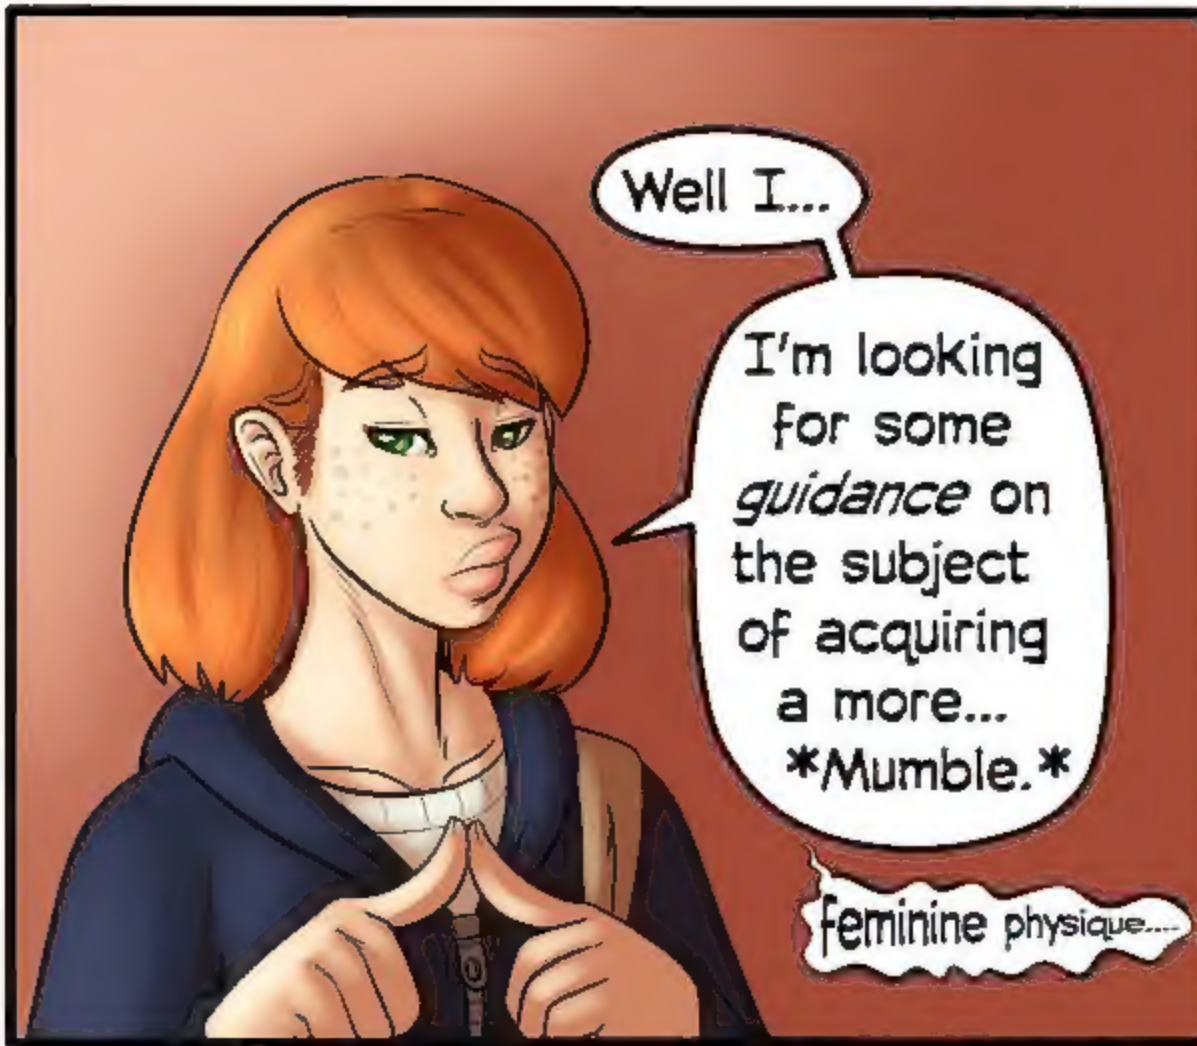

Well of *course*
it's real. And I
don't think you'd
have come in here
if you didn't
believe, even just
a little bit.

So tell me.
What do you
need?

What exactly have I walked into...?

This stuff isn't real...
It's *insane!*
But... I can't help thinking...
Just *maybe...*

And now,
we're at
this
juncture.

It all seems
so...
unrealistic.

Jeez...

And I
can't help
but be a
little
skeptical...

It would be so
amazing
if it did work,
though...

Drink this
before your
next meal...

A dose is
a single drop.
*However, taking more
isn't lethal.*

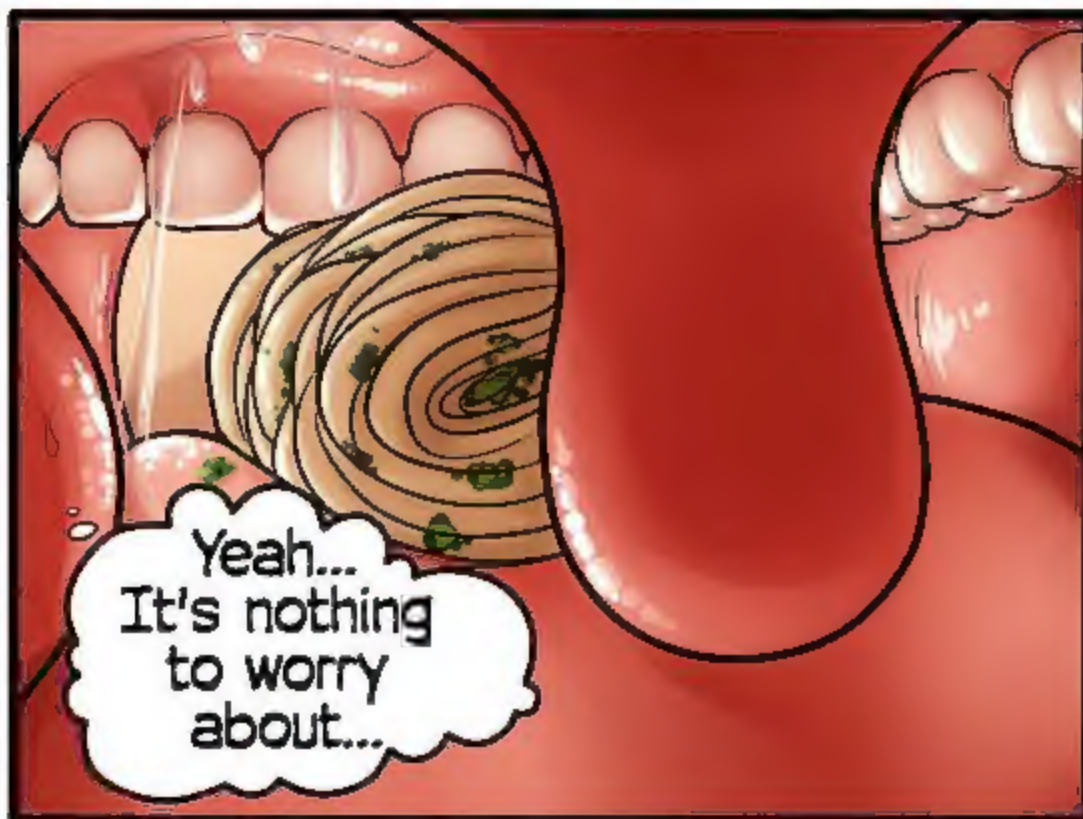

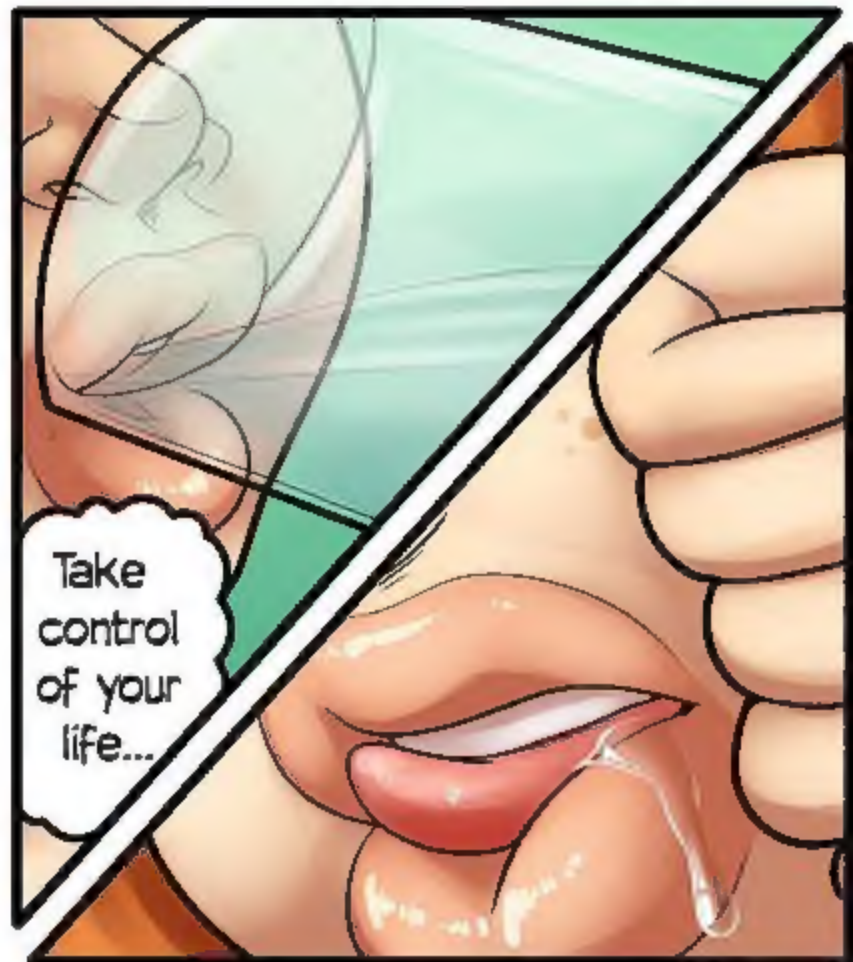

The effects
should be almost
instantaneous.

How much
do I
owe you?

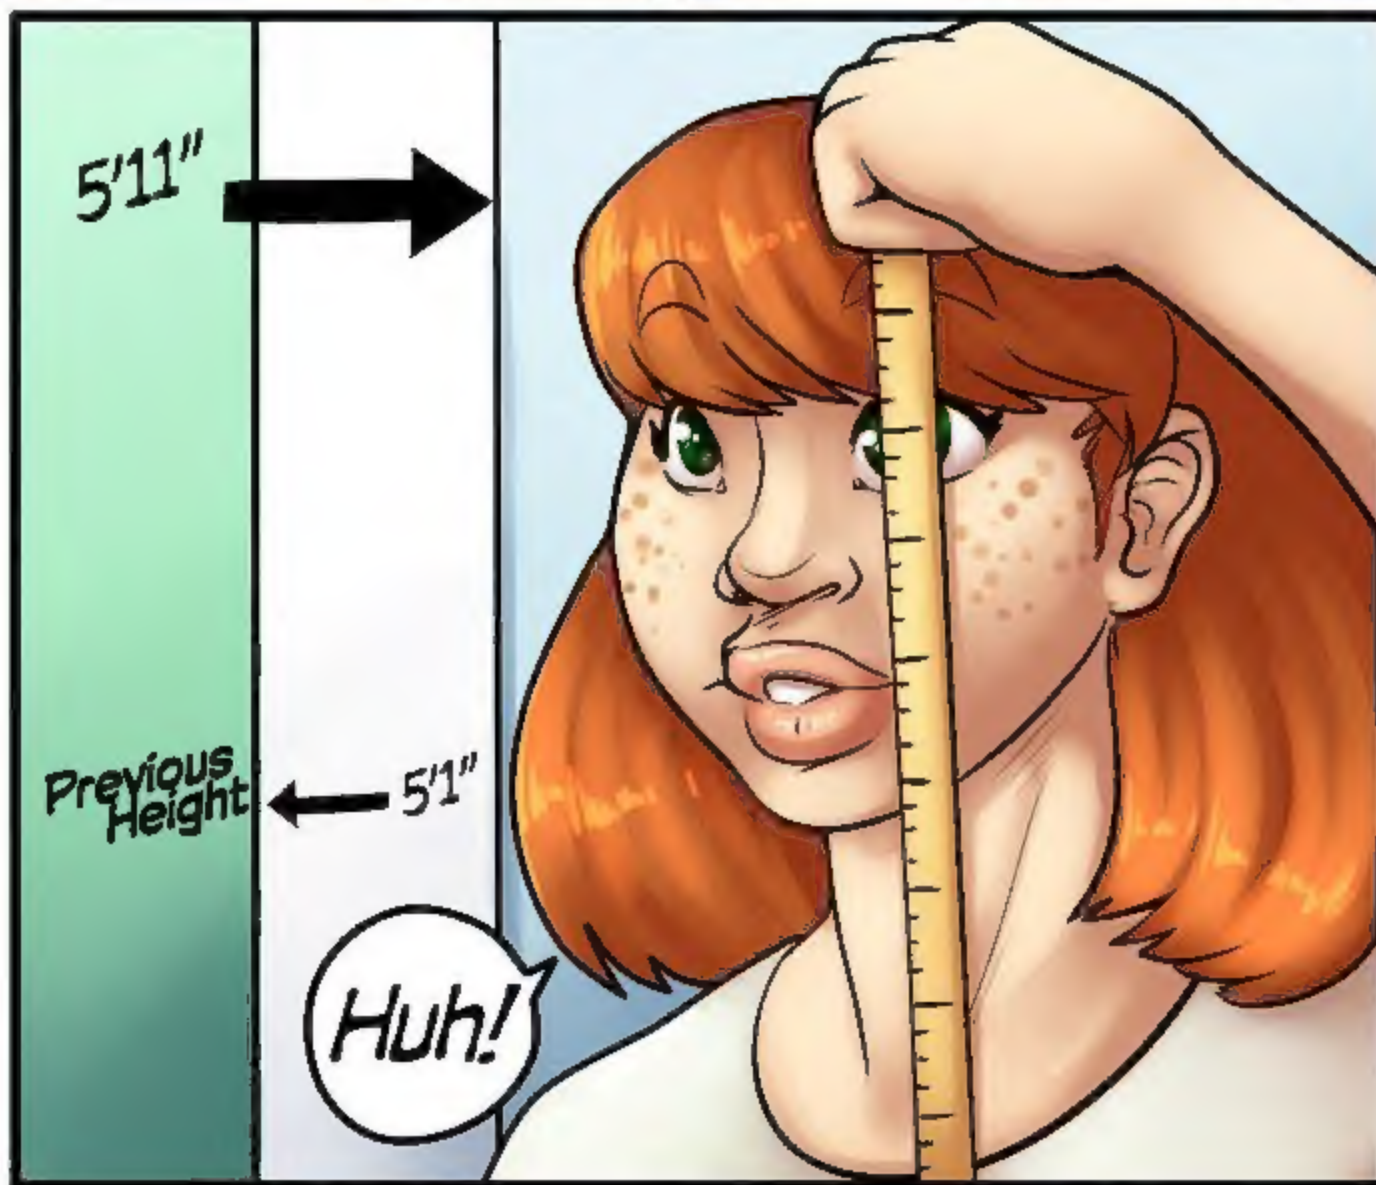

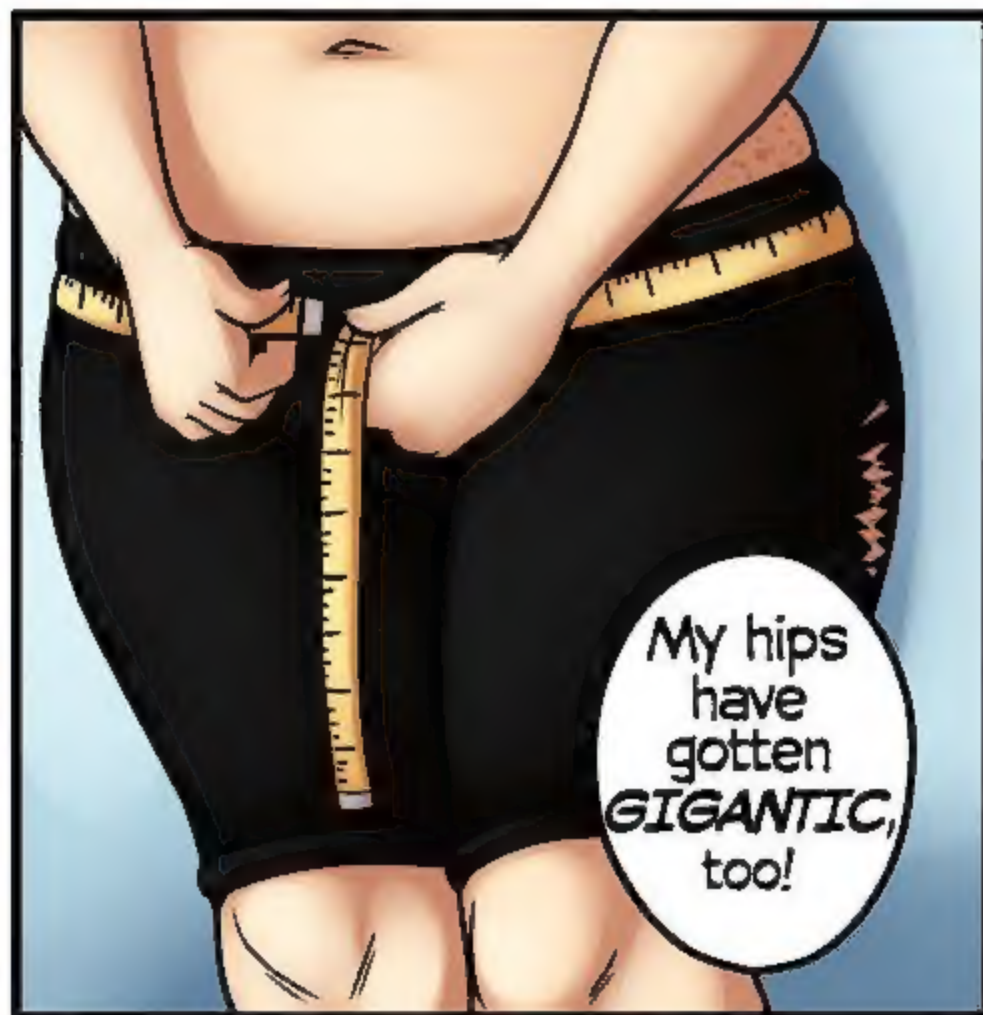

No charge,
sugar.
Consider it
a welcome
gift.

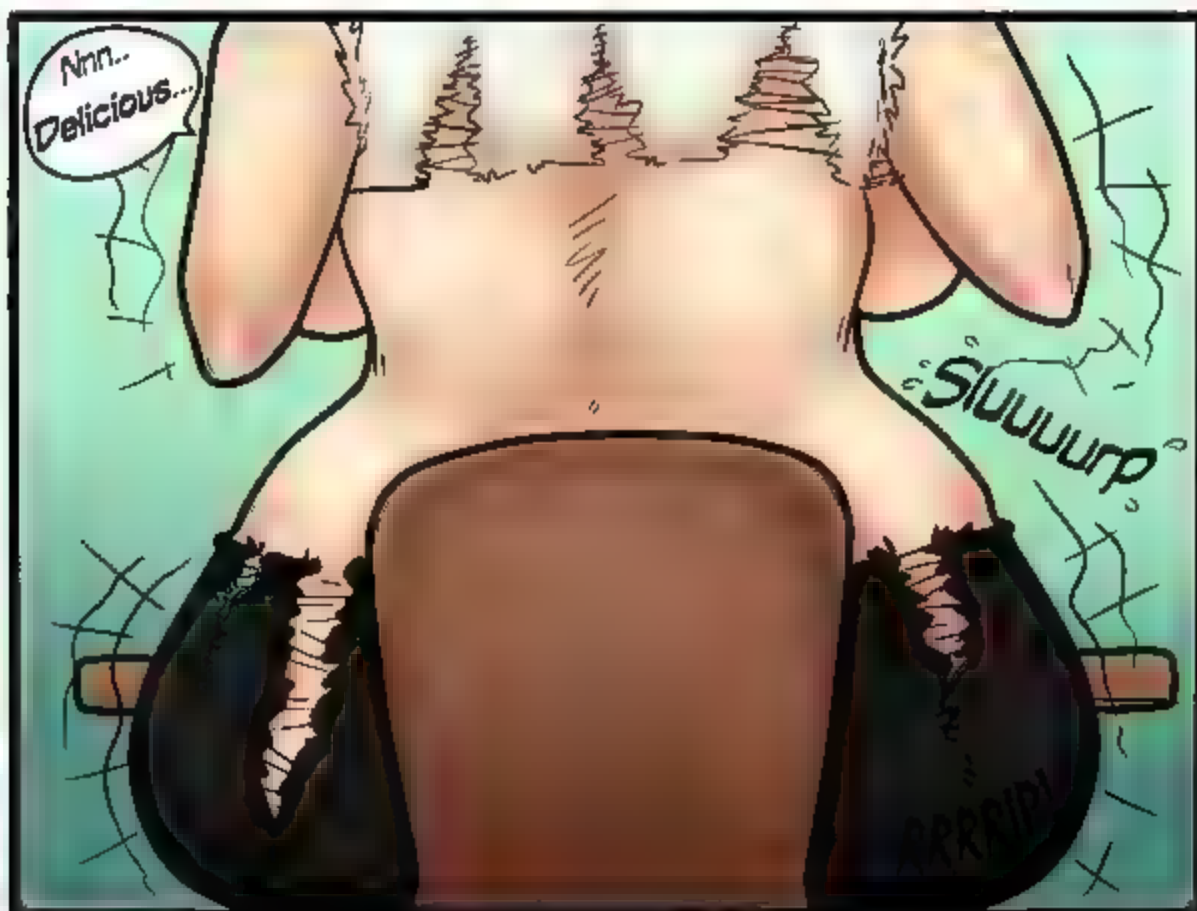

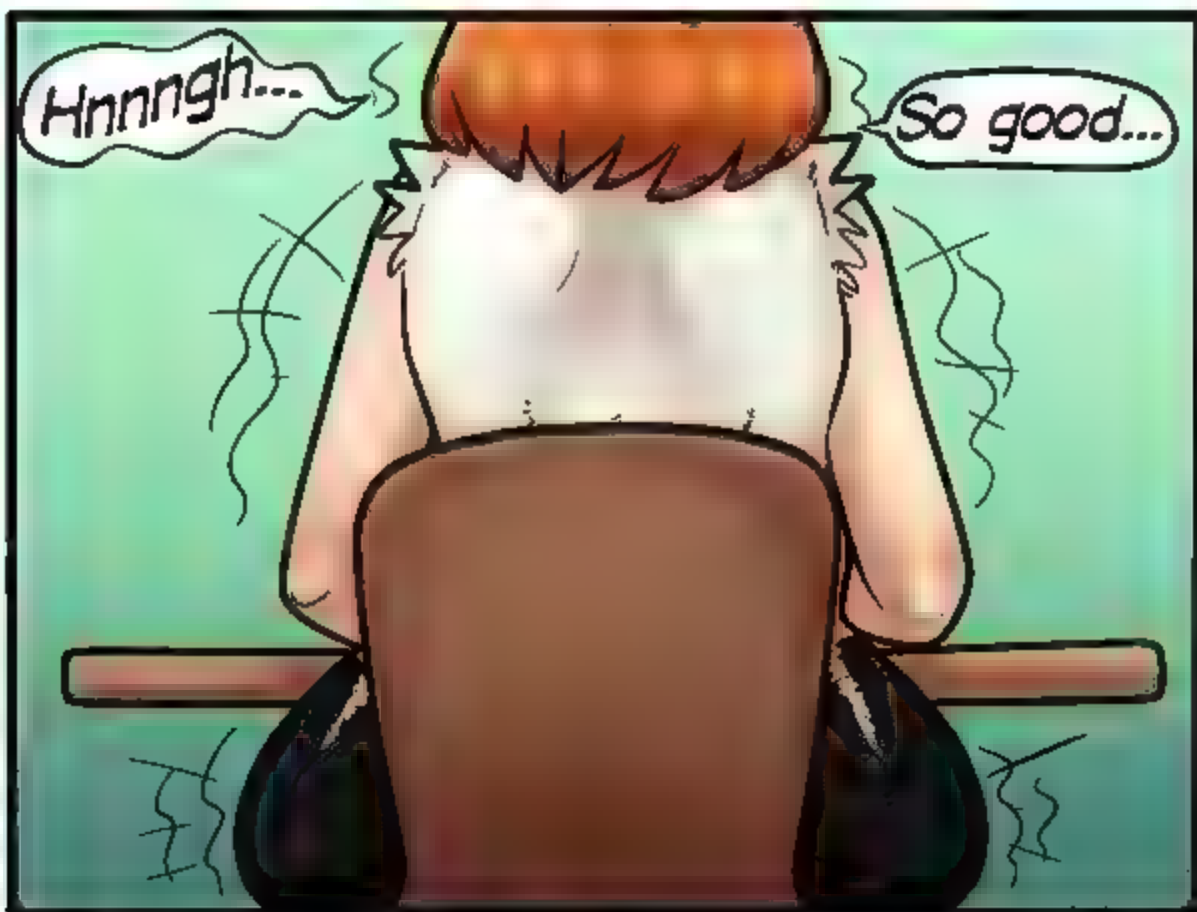

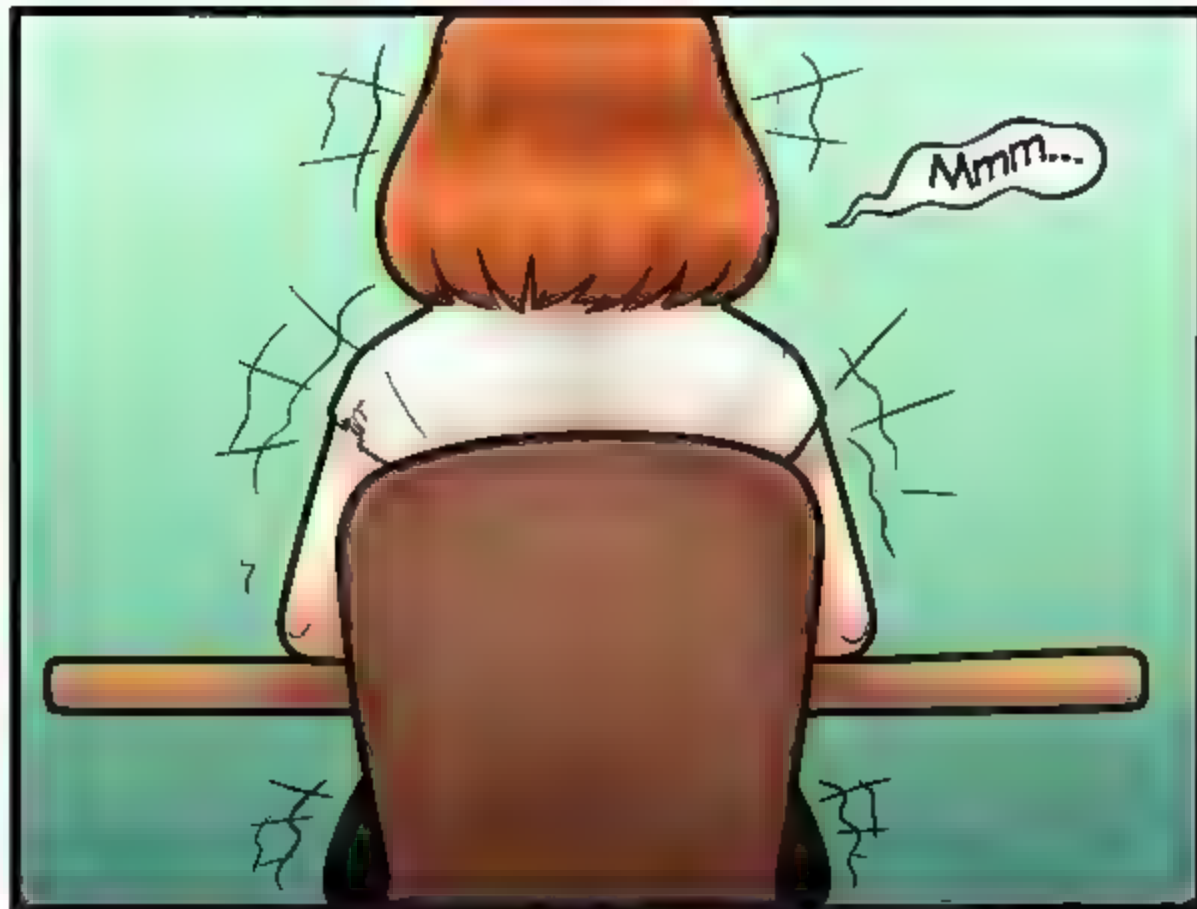

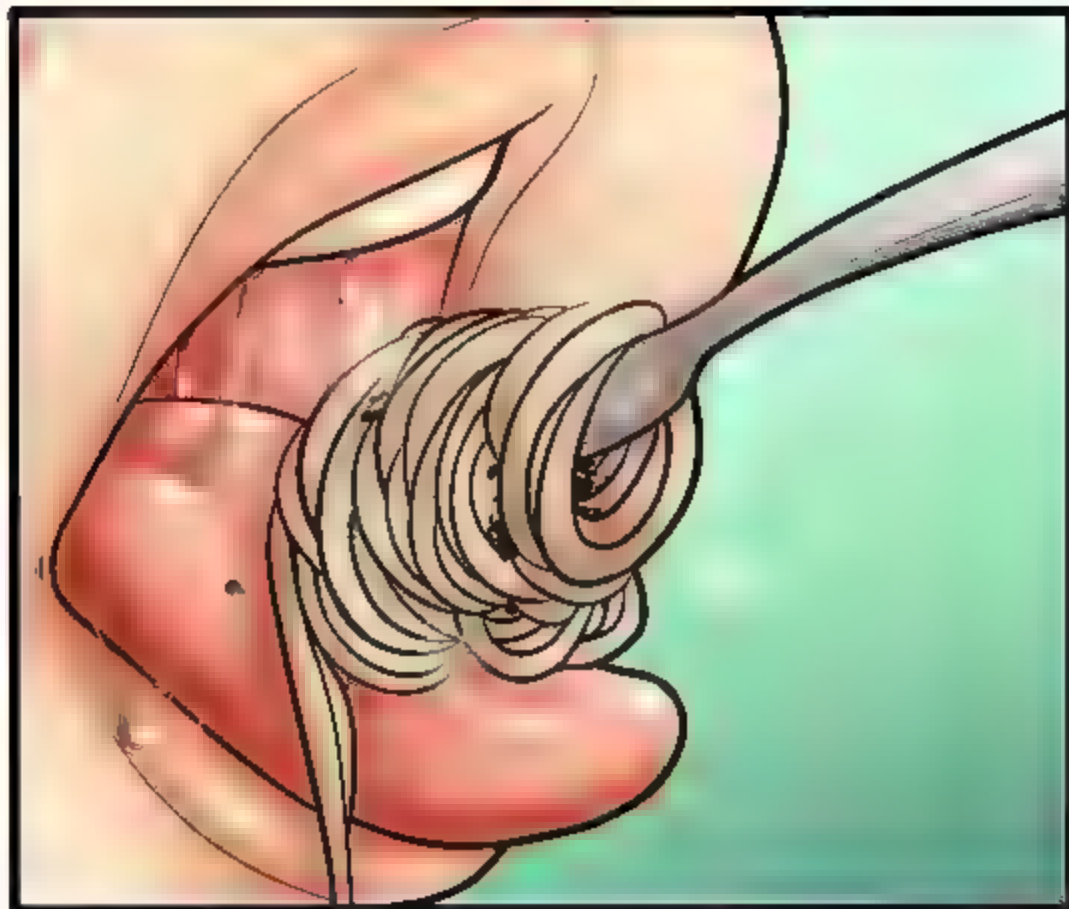

Oh...
Th-thanks...

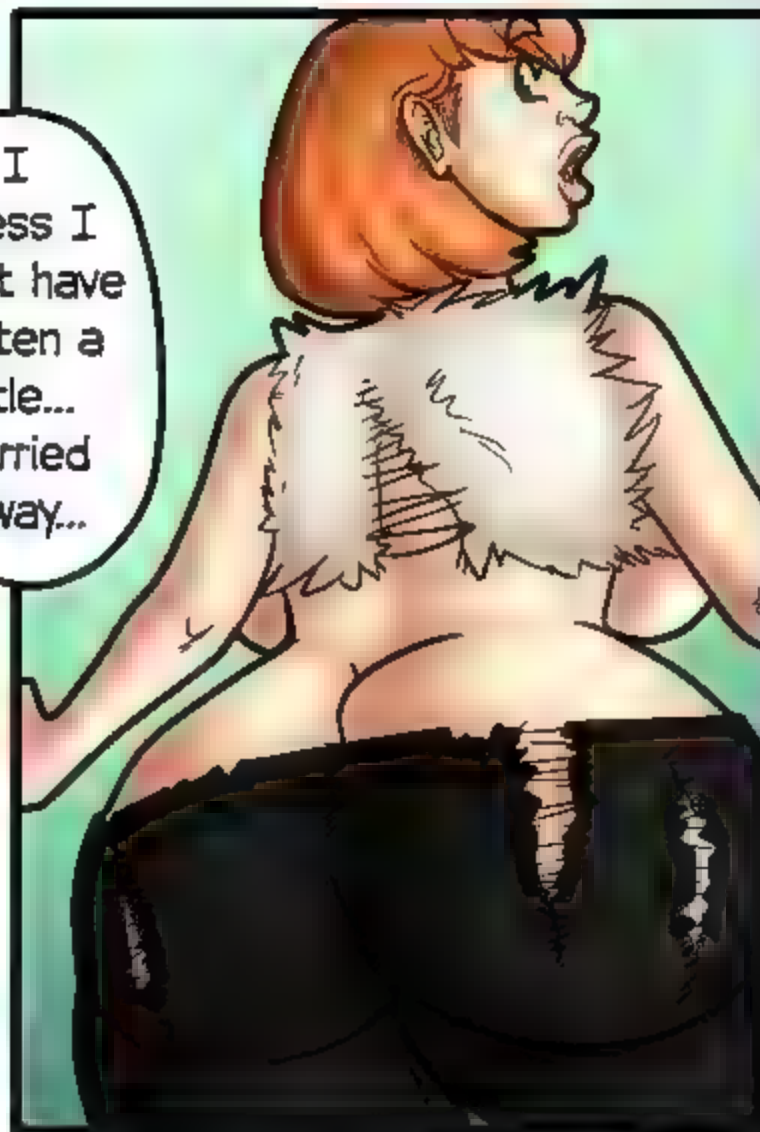

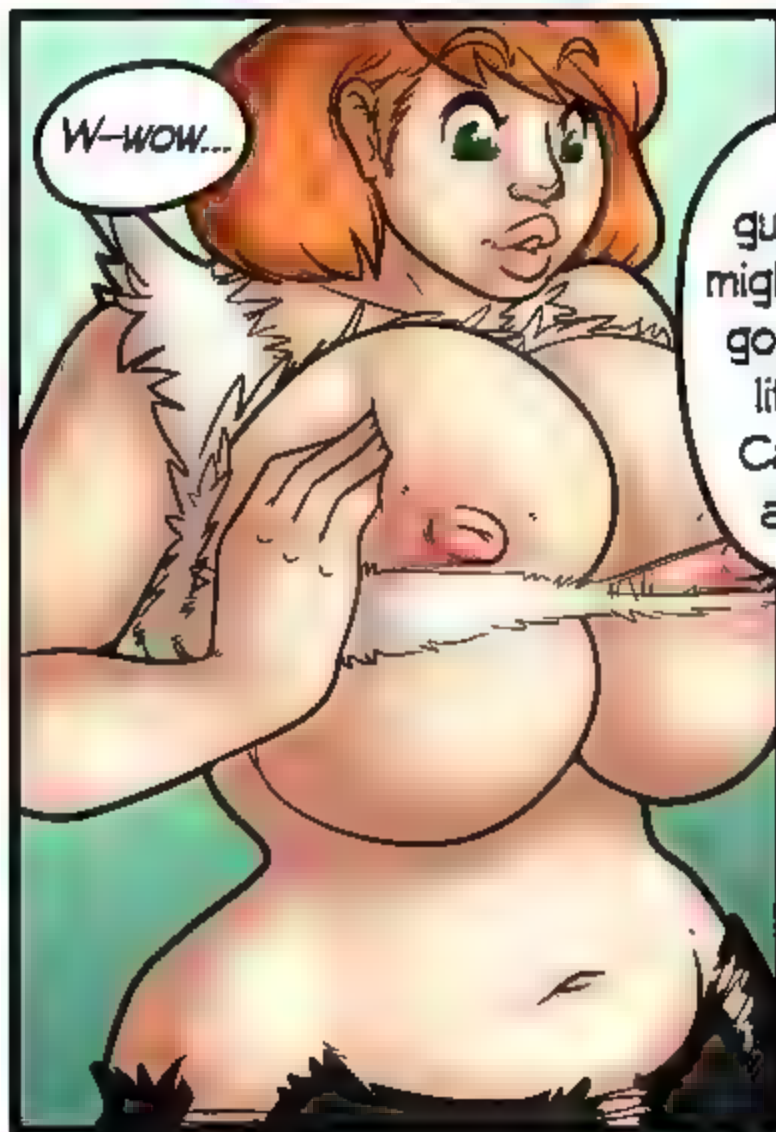

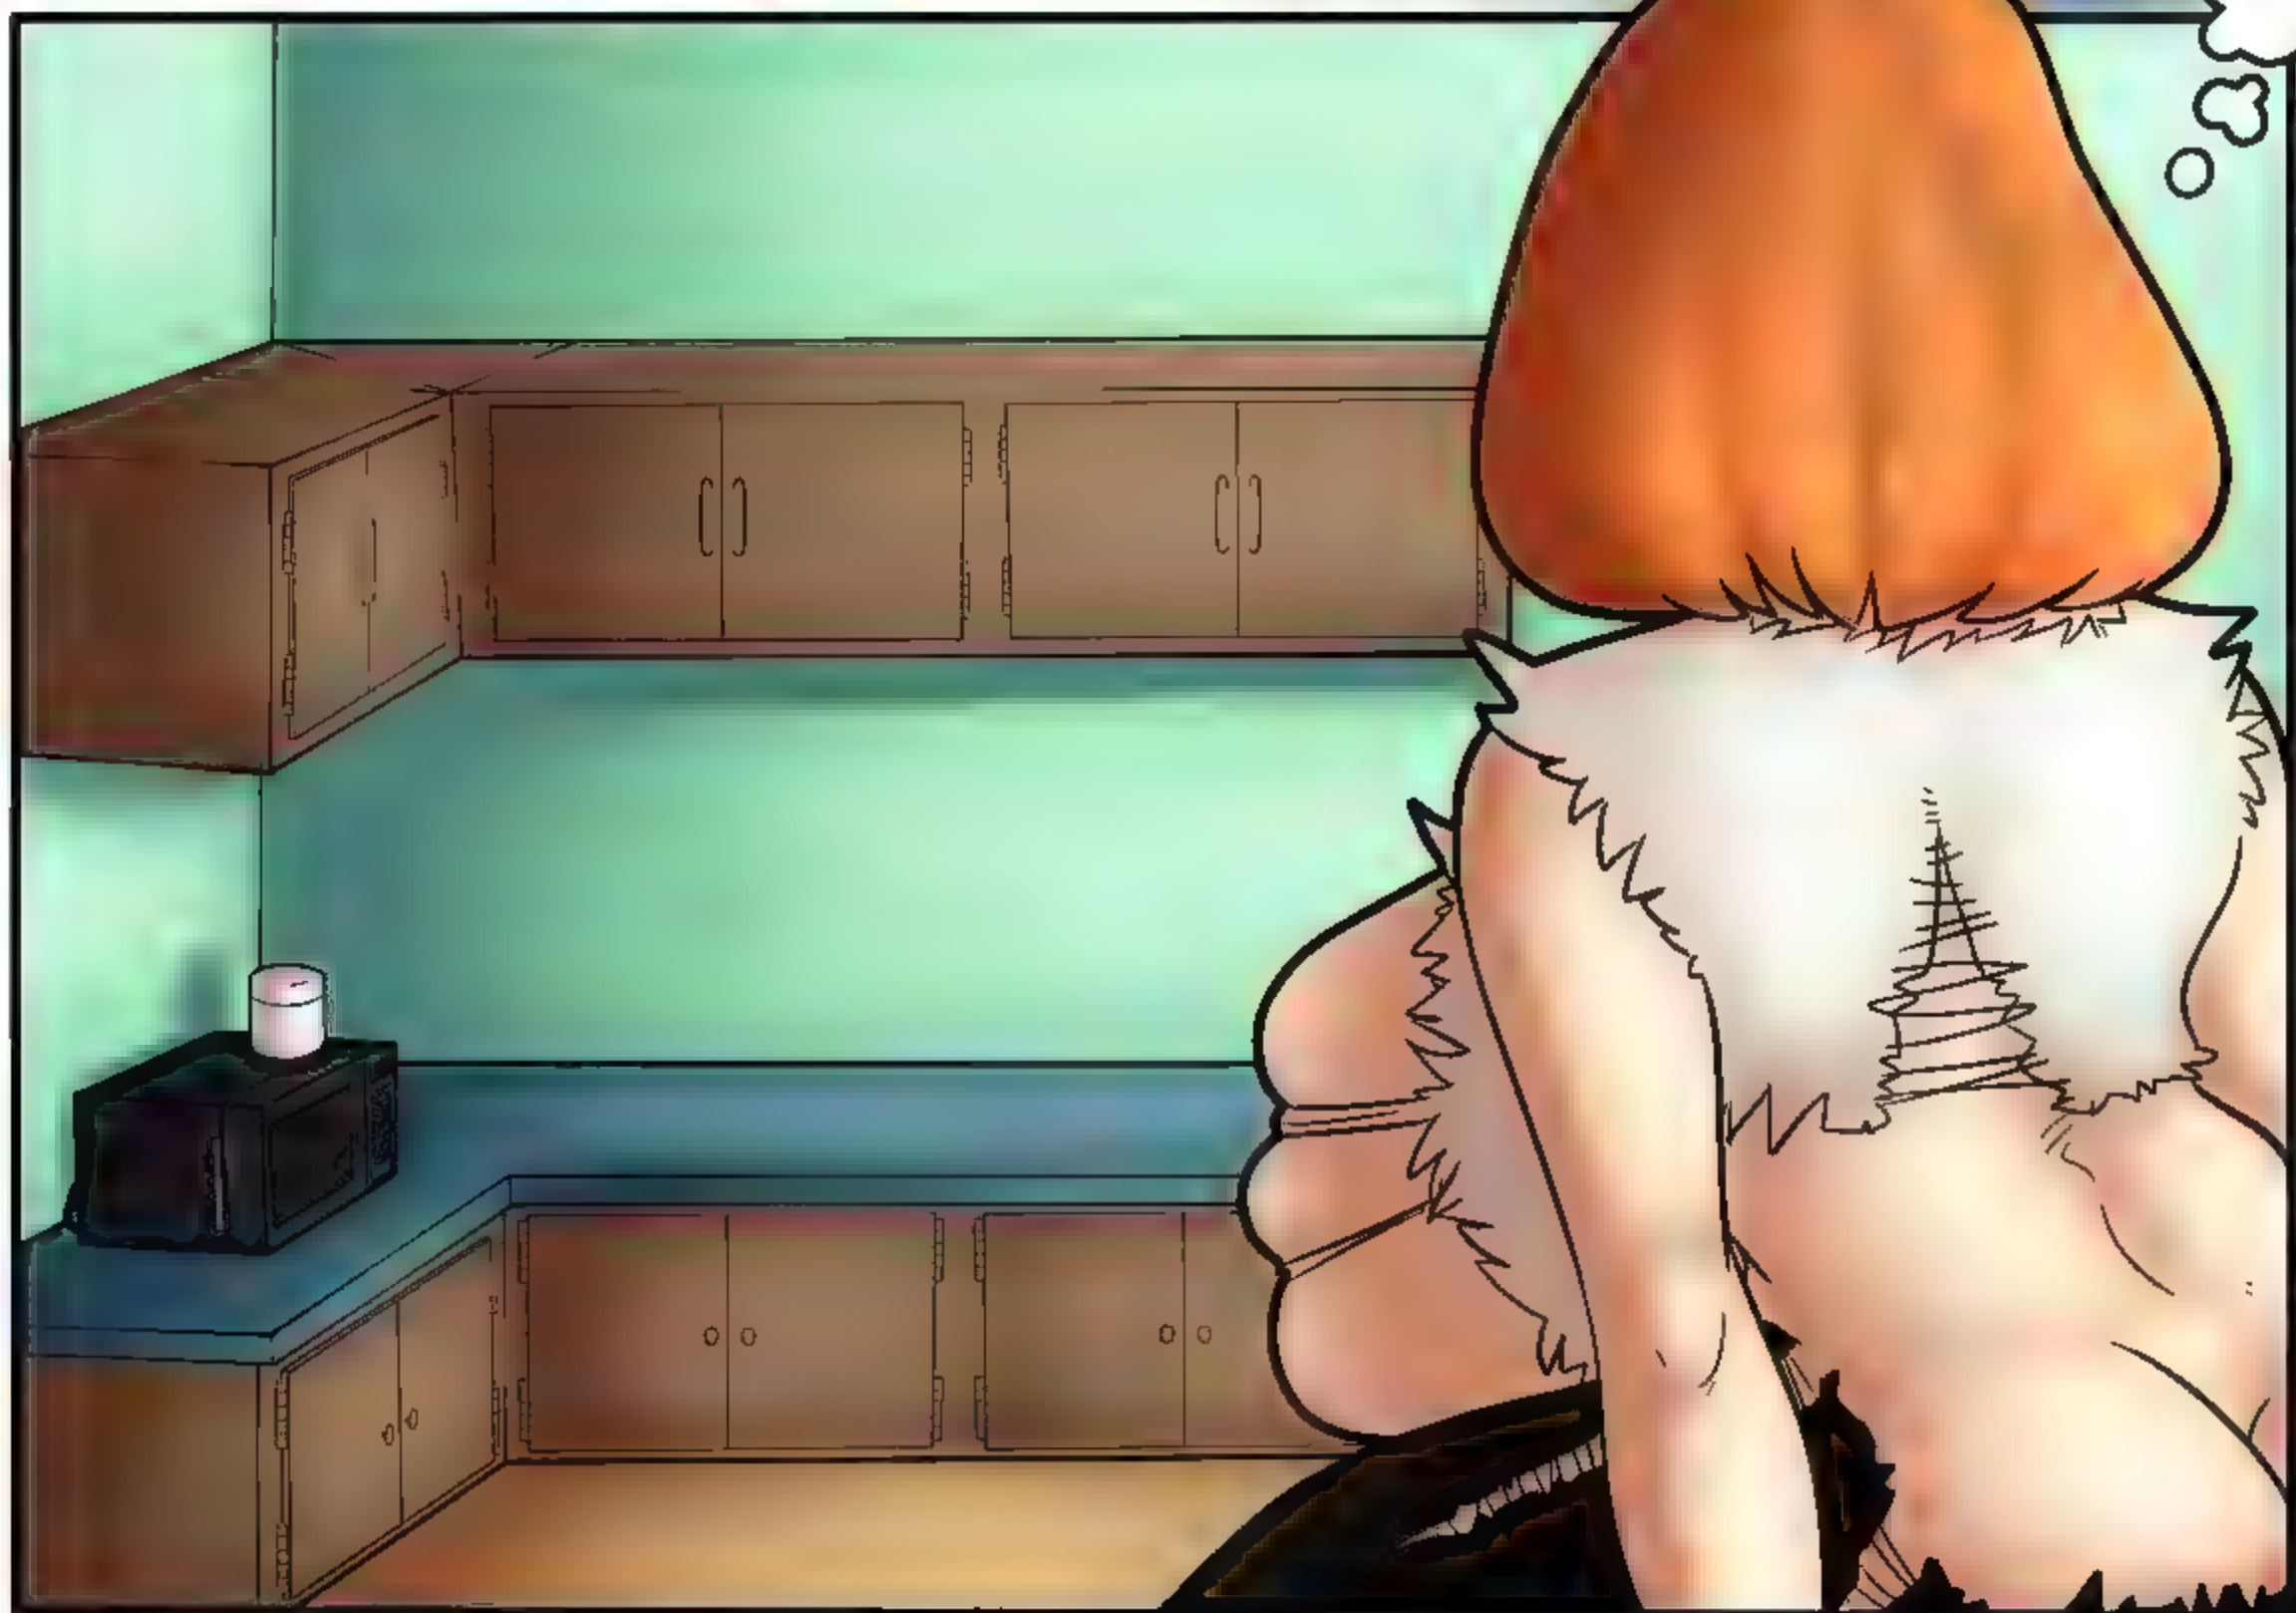

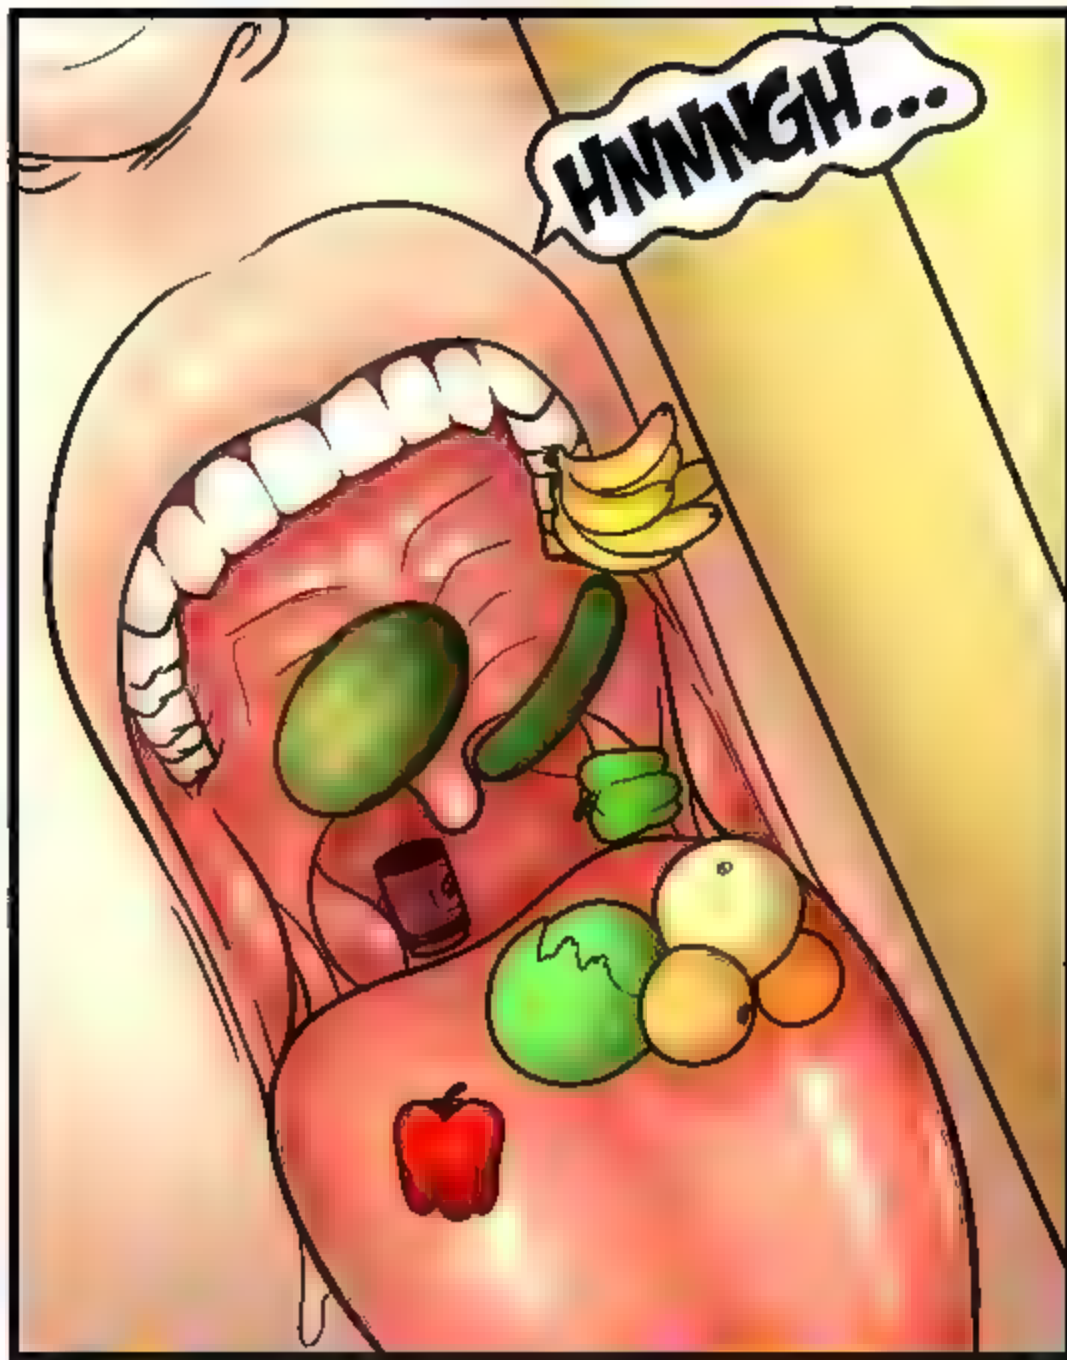

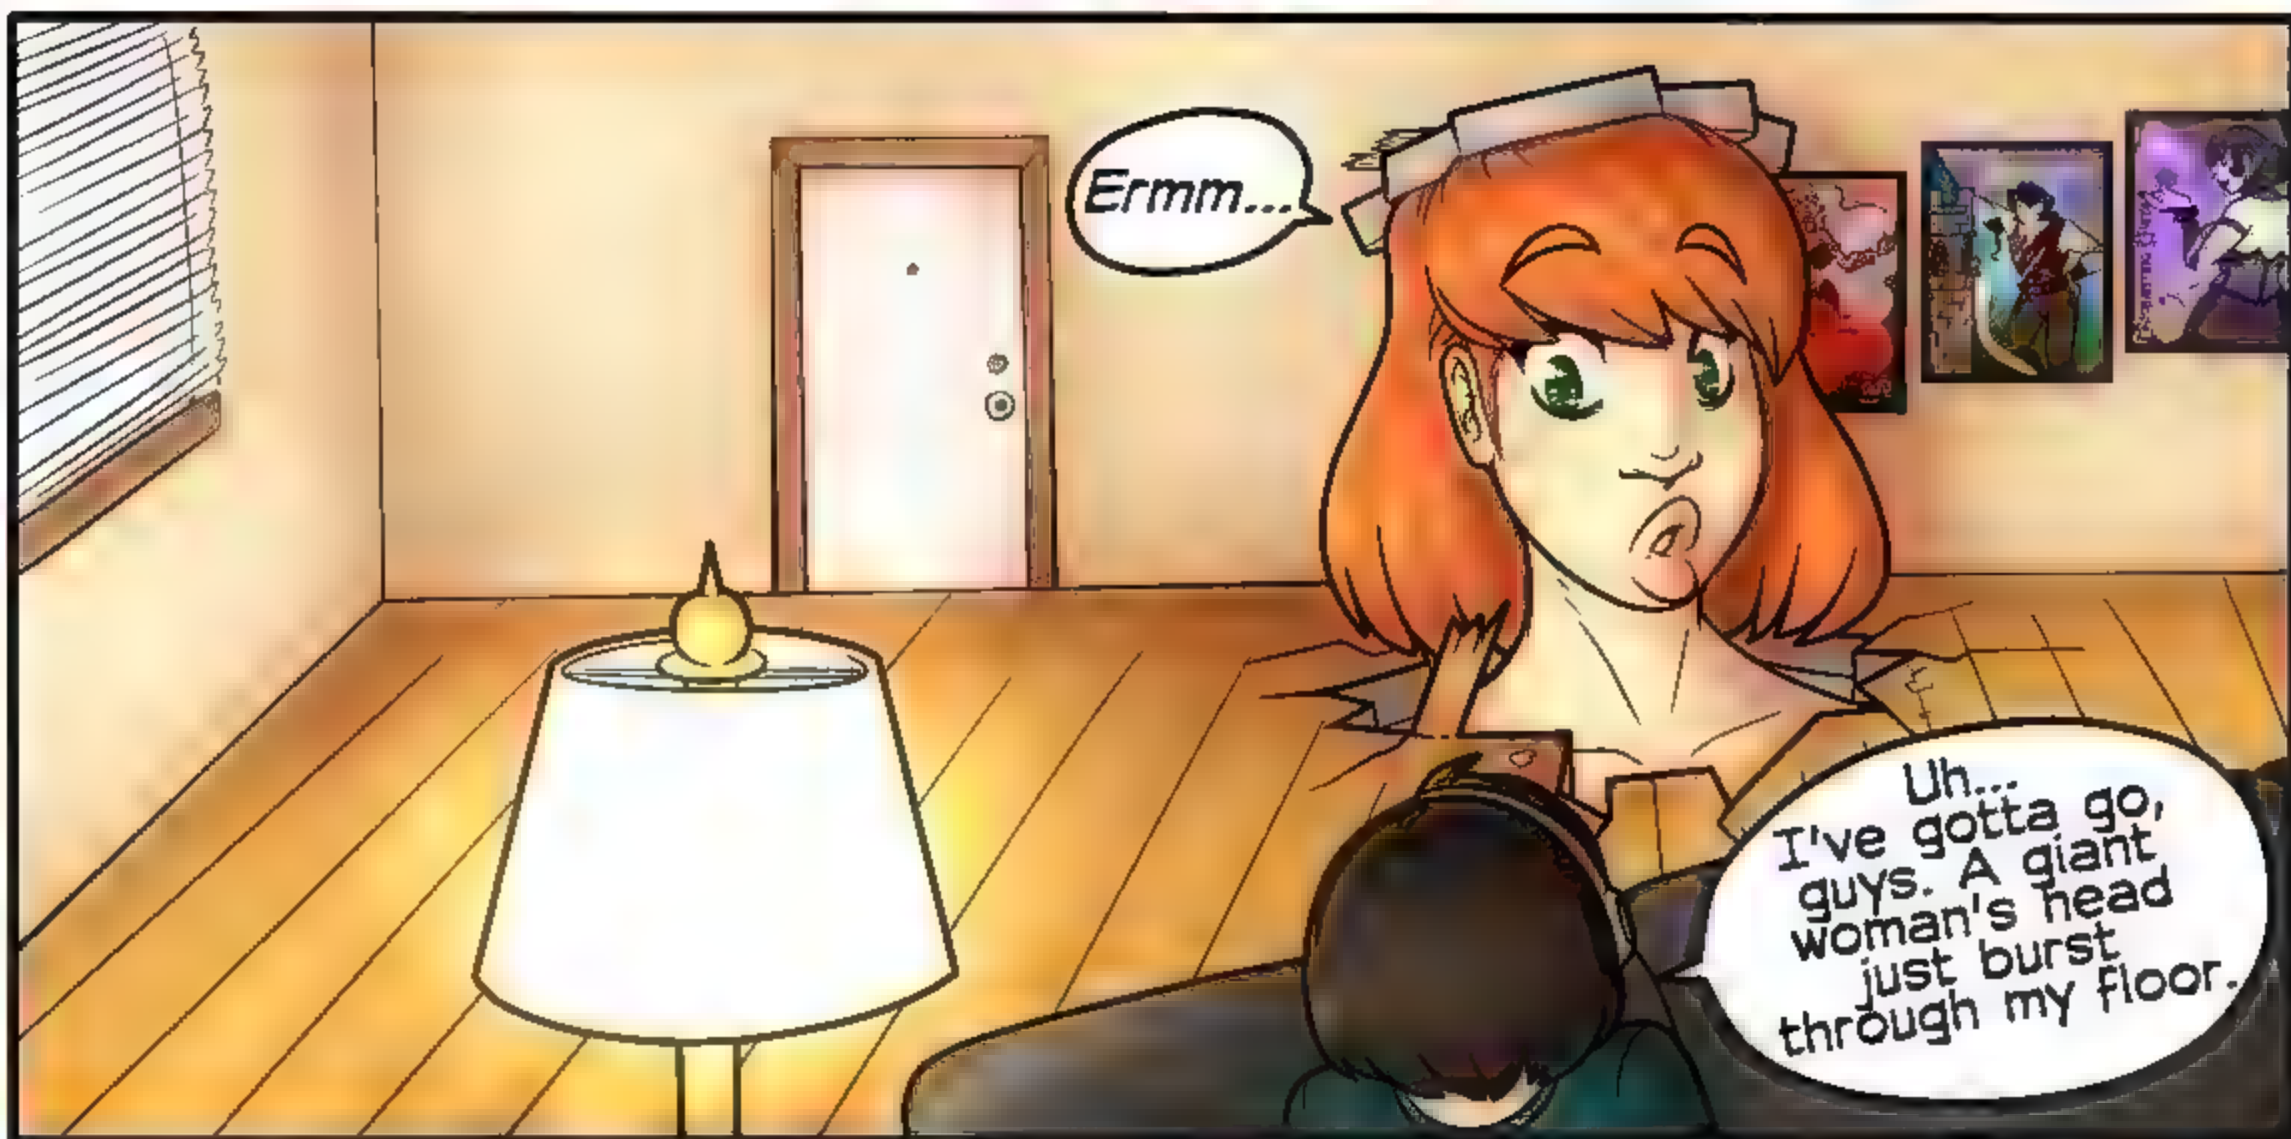

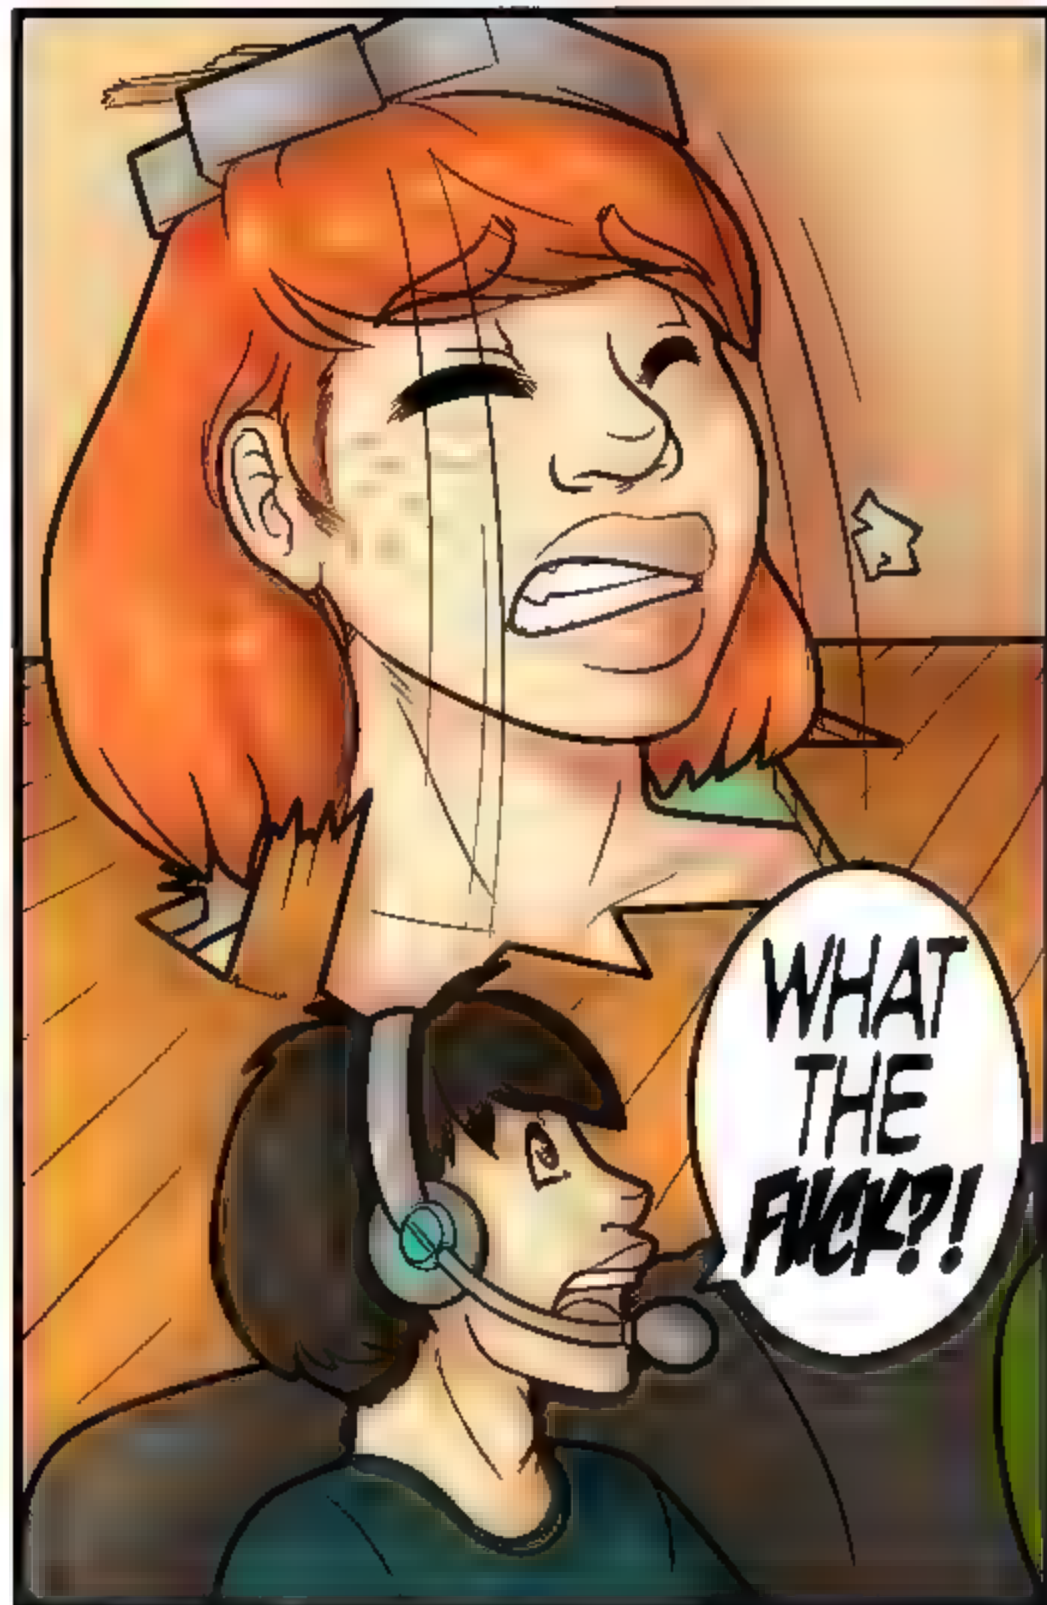

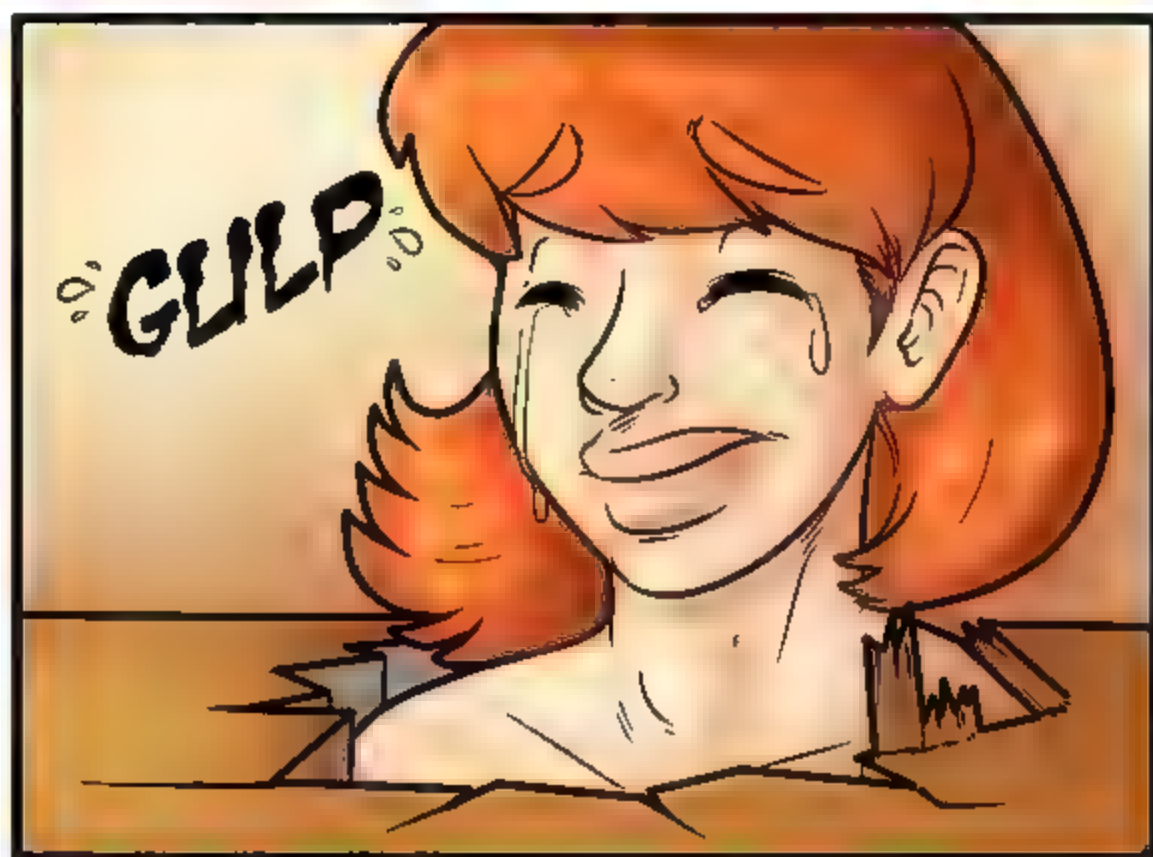

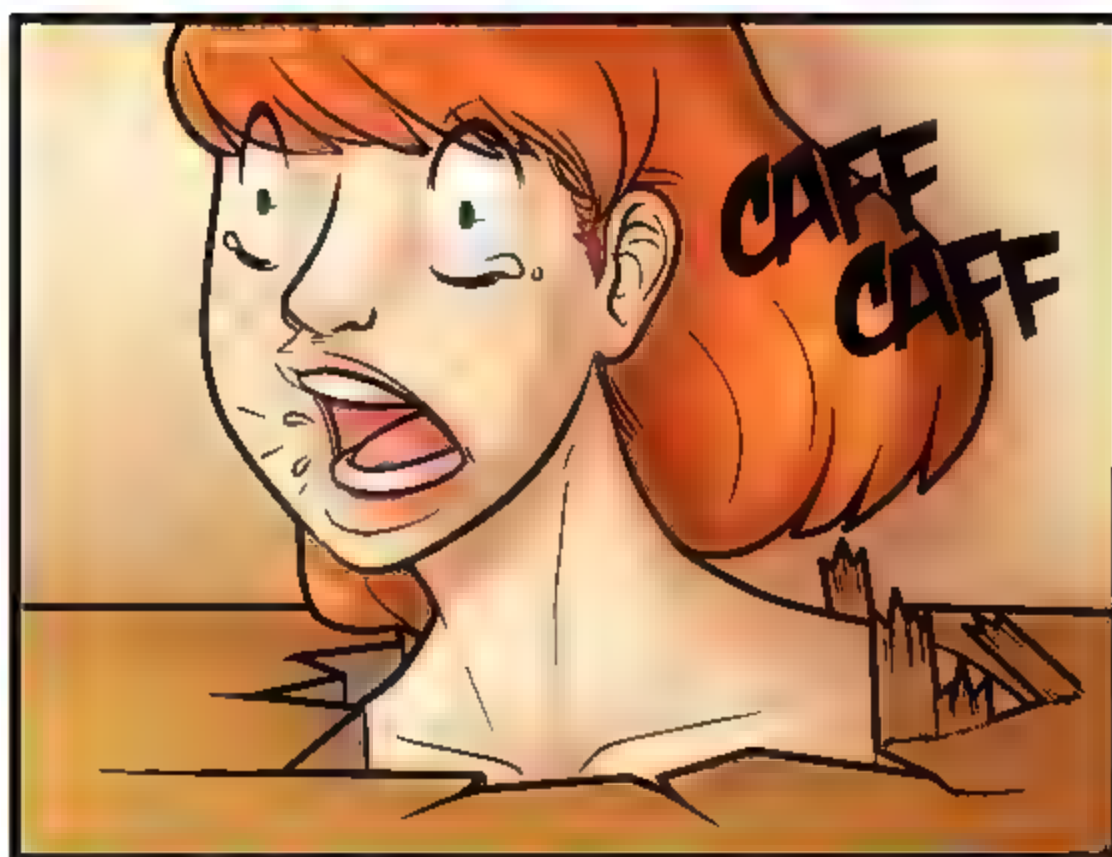

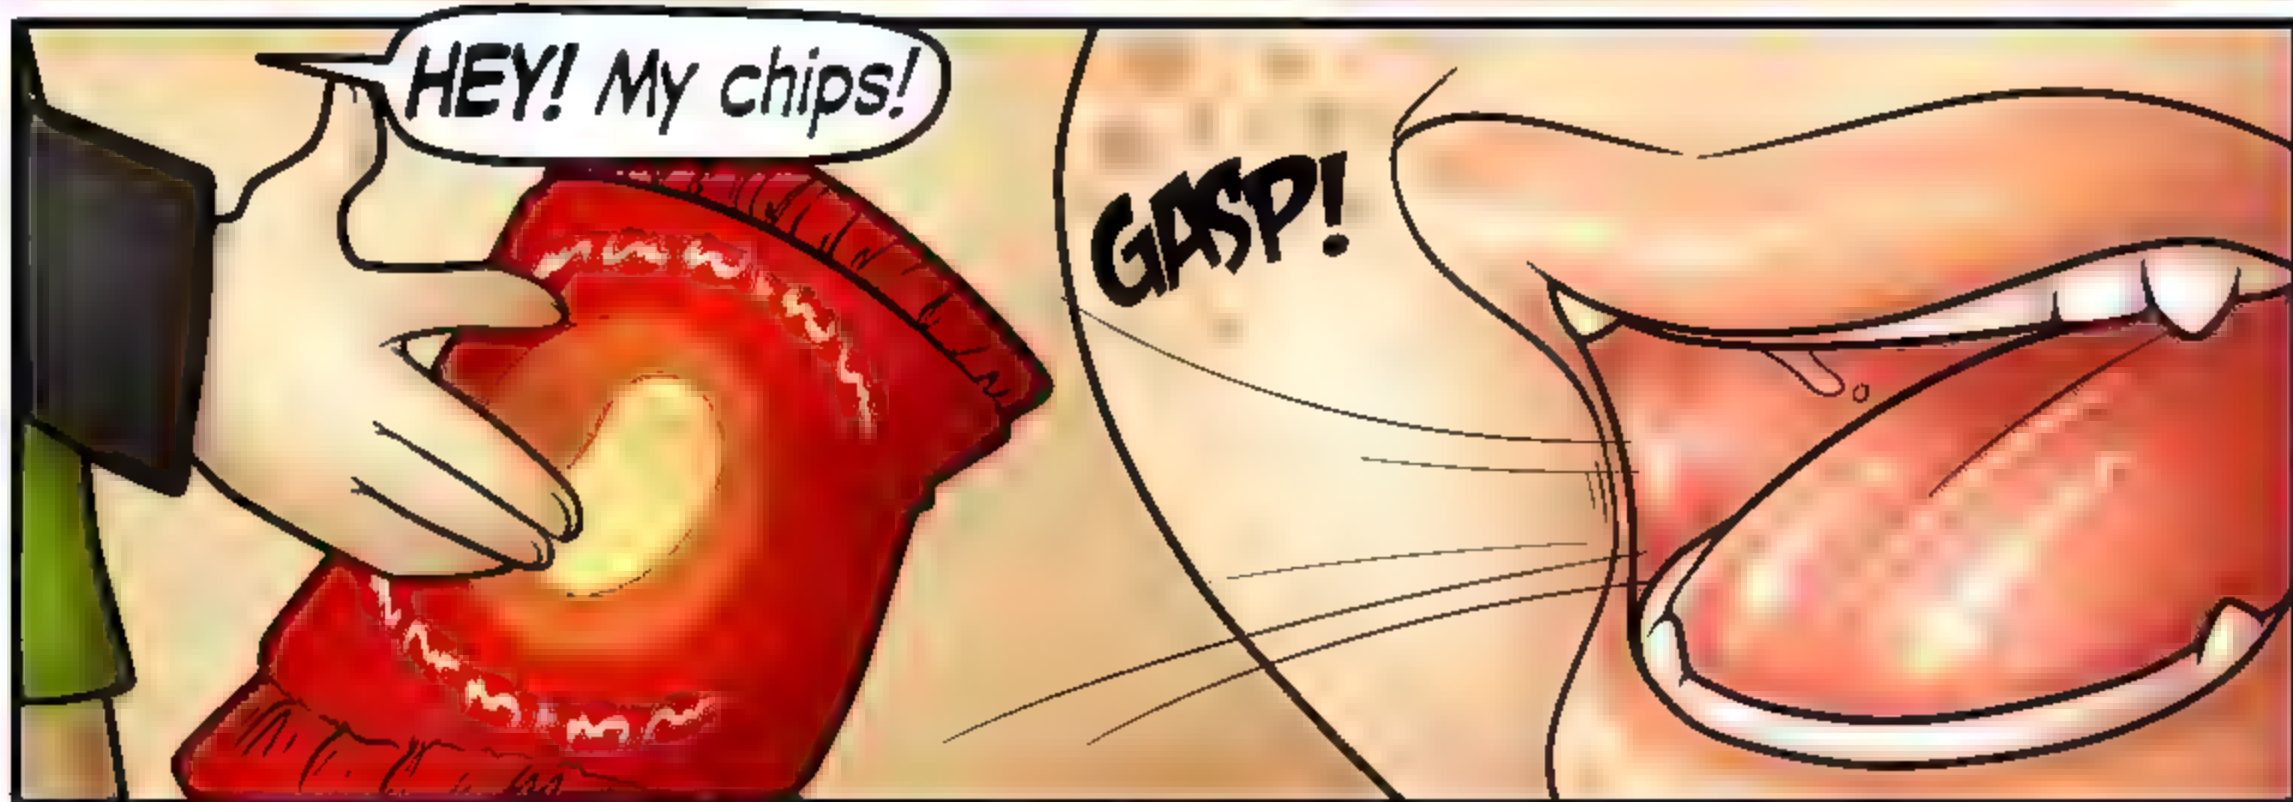

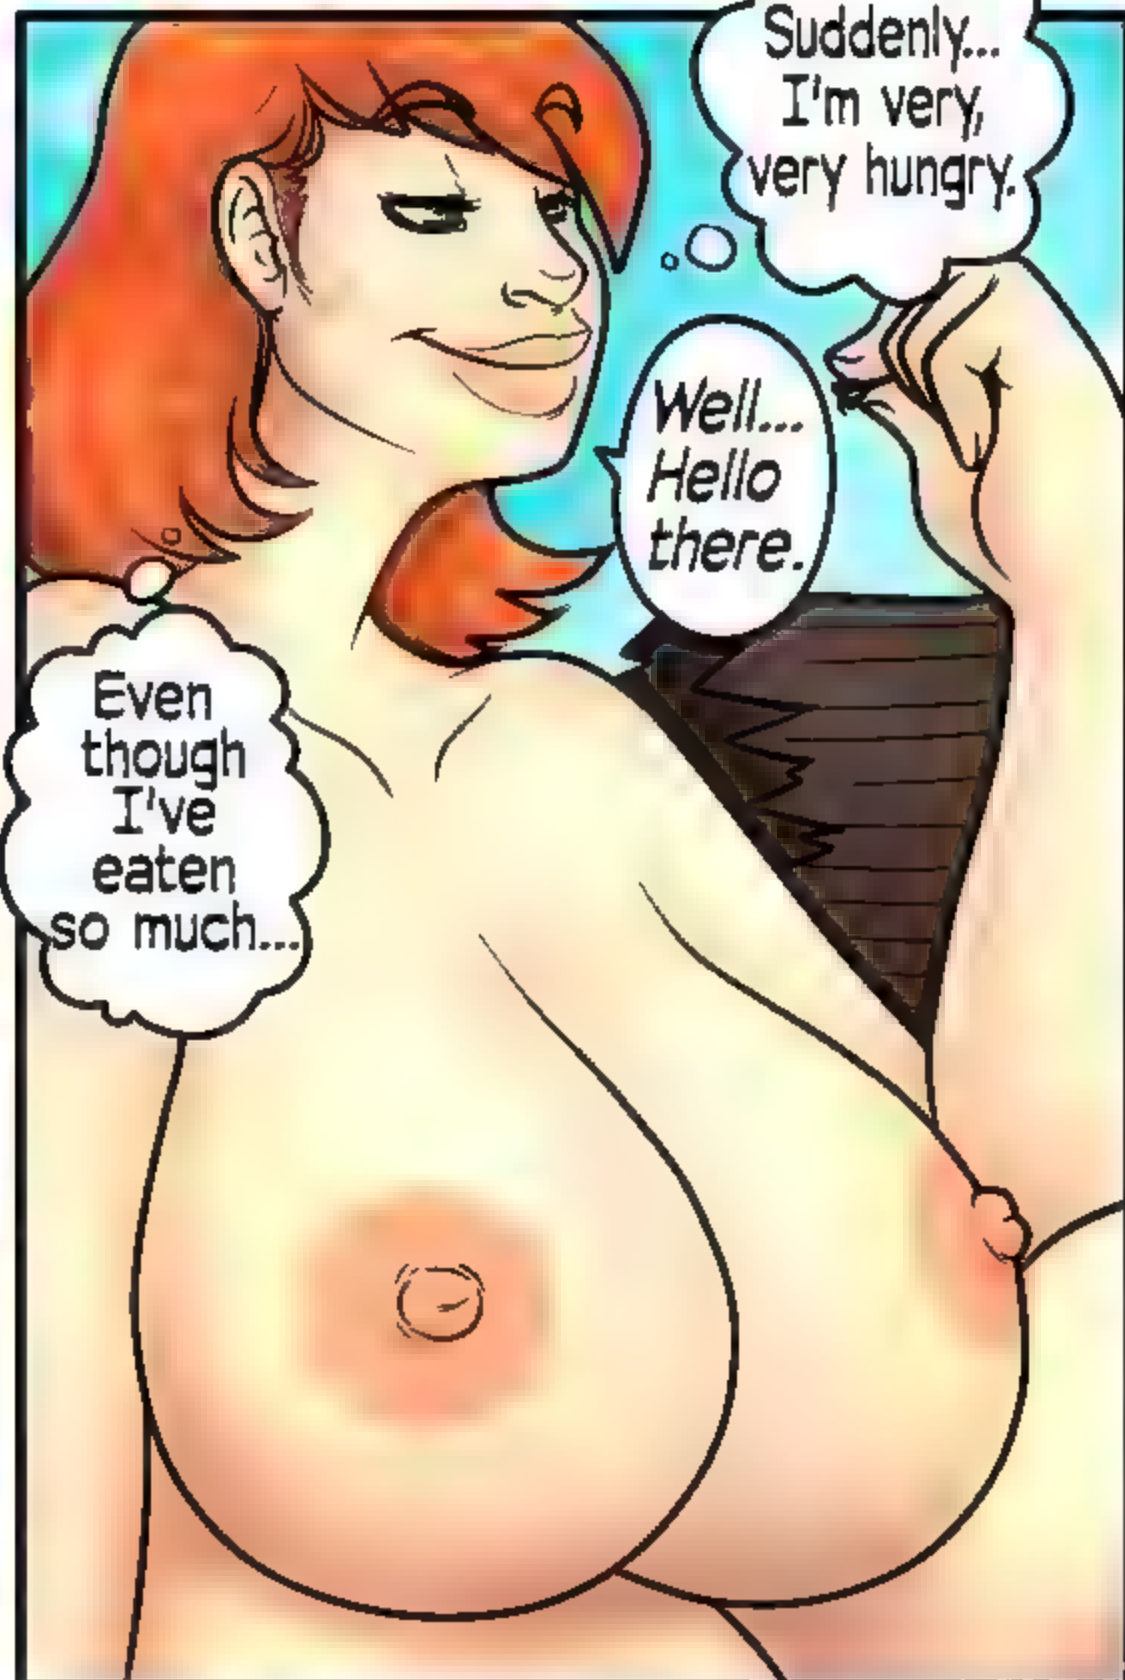

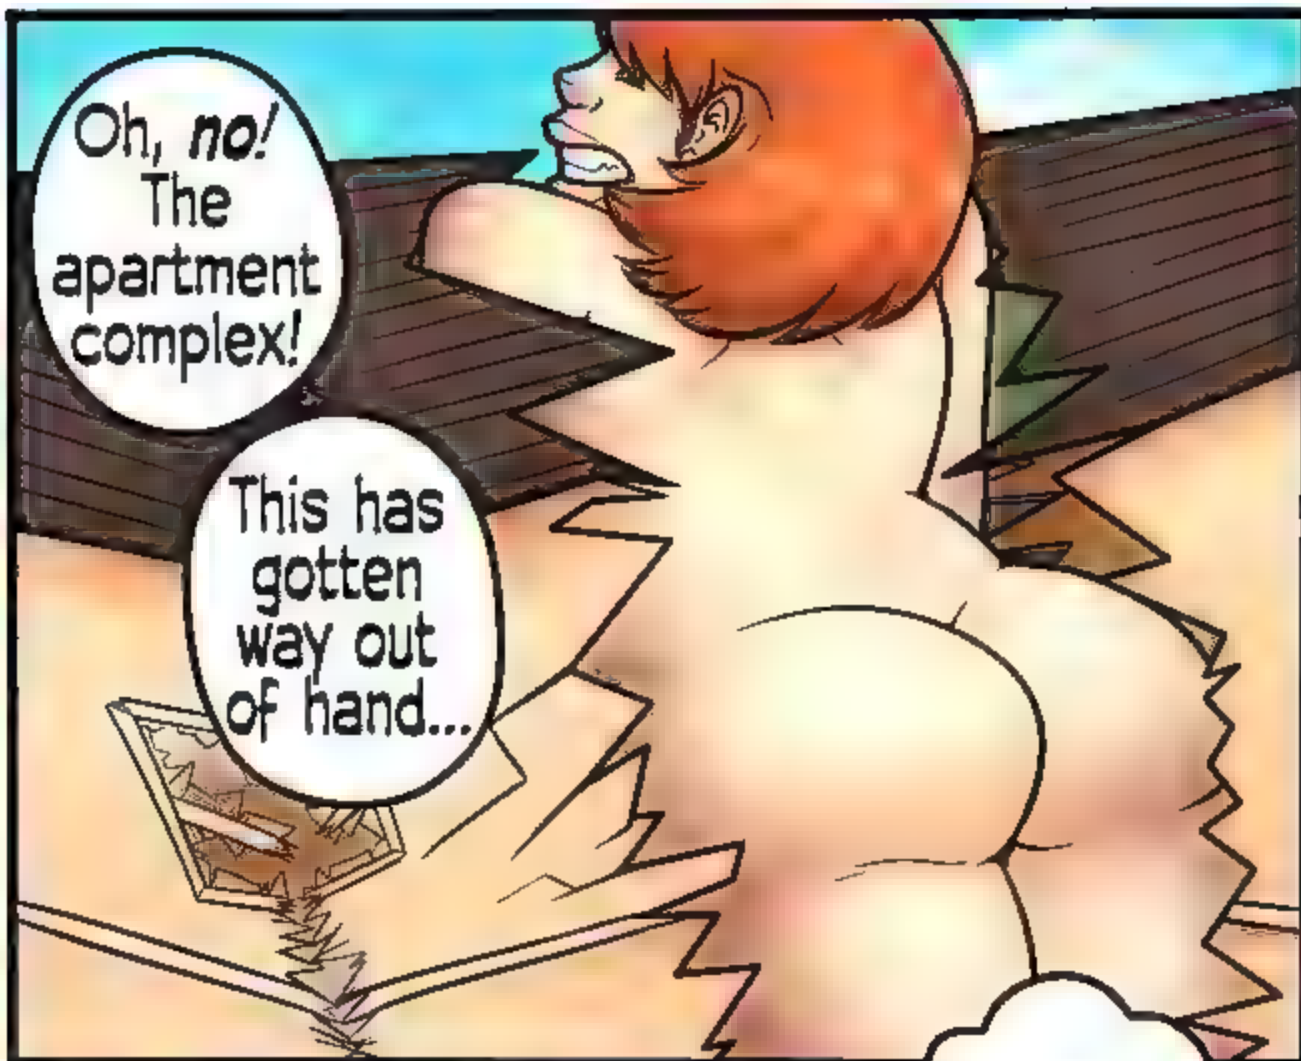

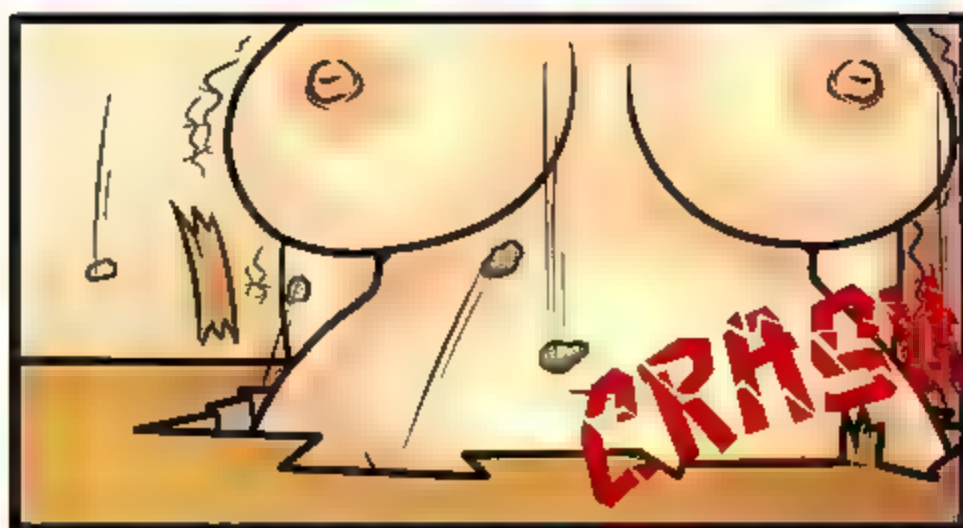

My curiosity is getting the best of me, but...
I just can't help it.
I can't help but wonder what it would be like...
What it would feel like to be...
Bigger...

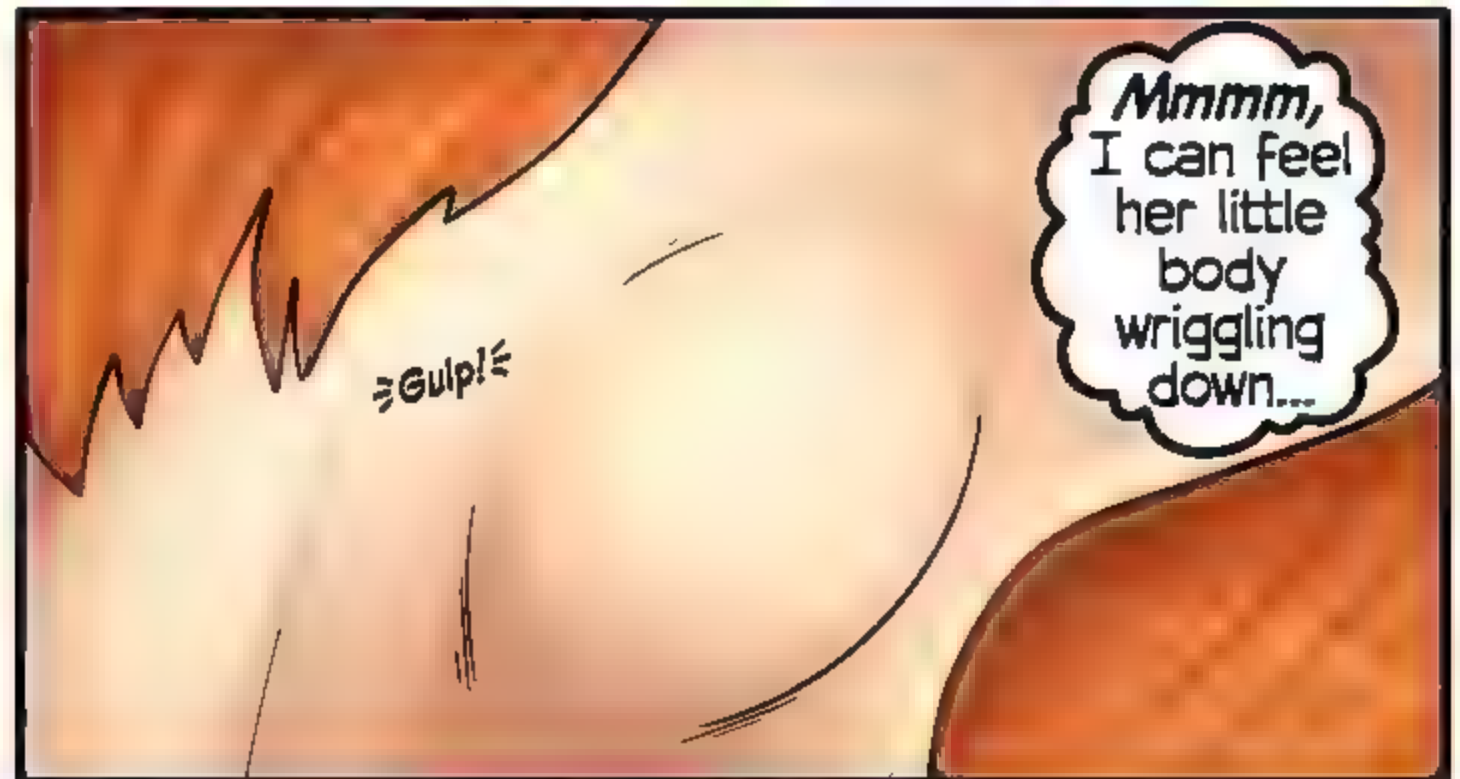

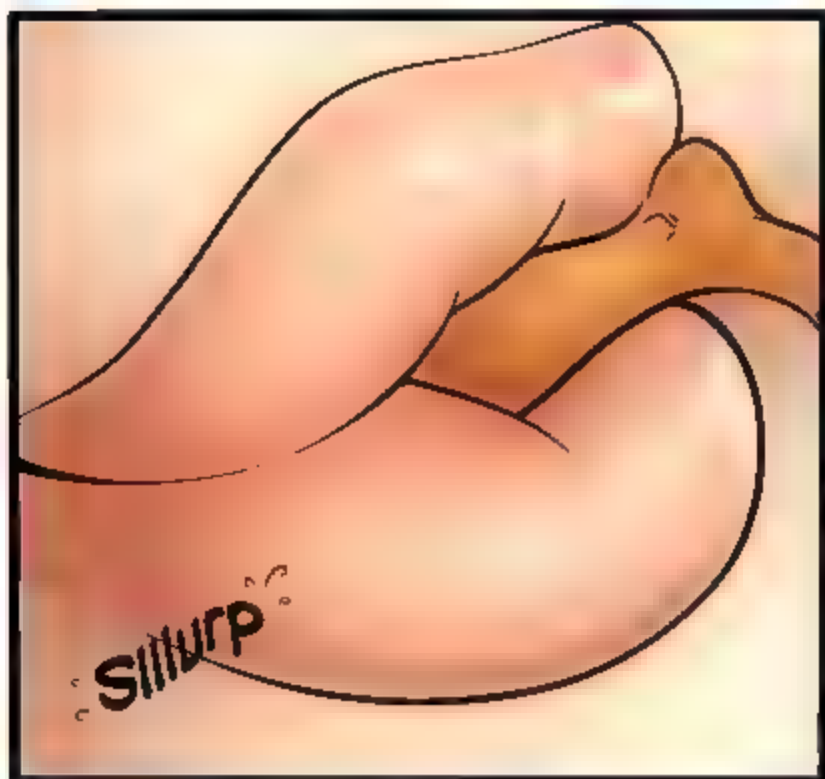

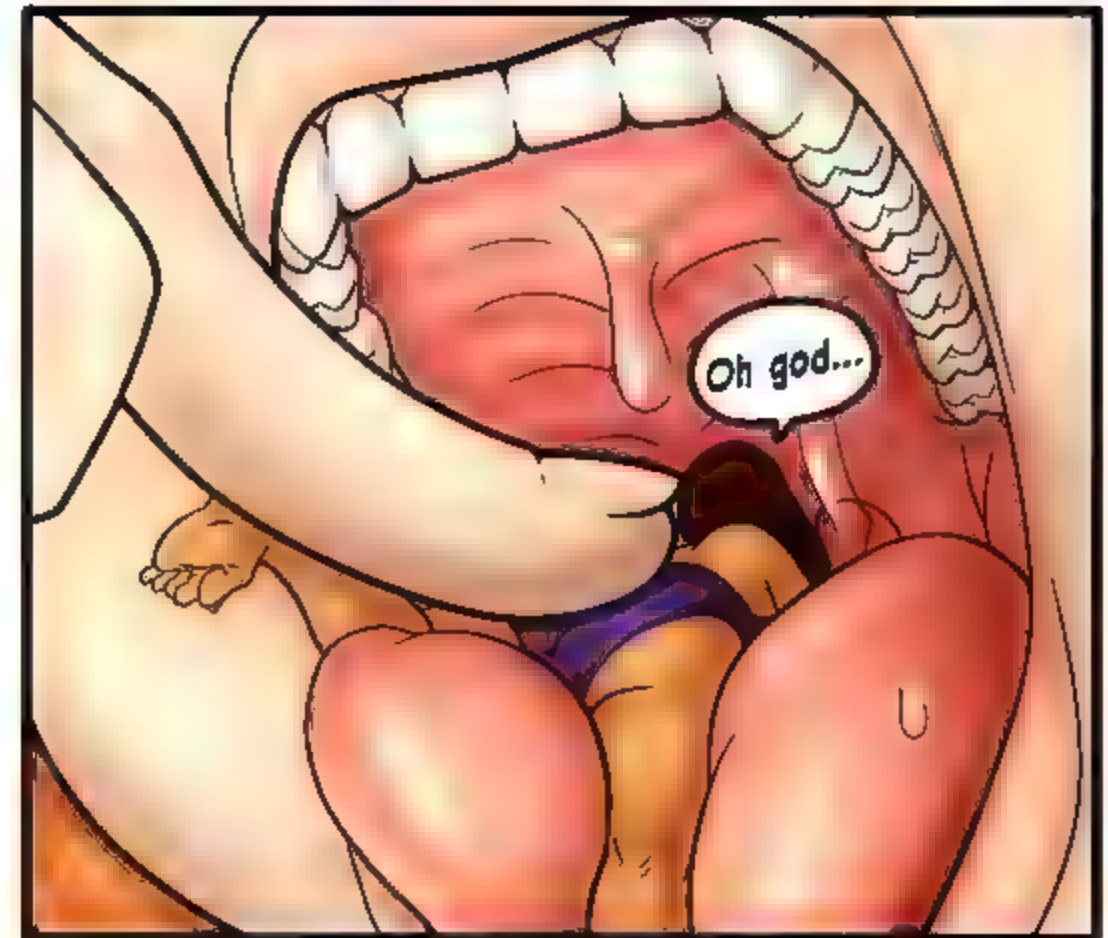

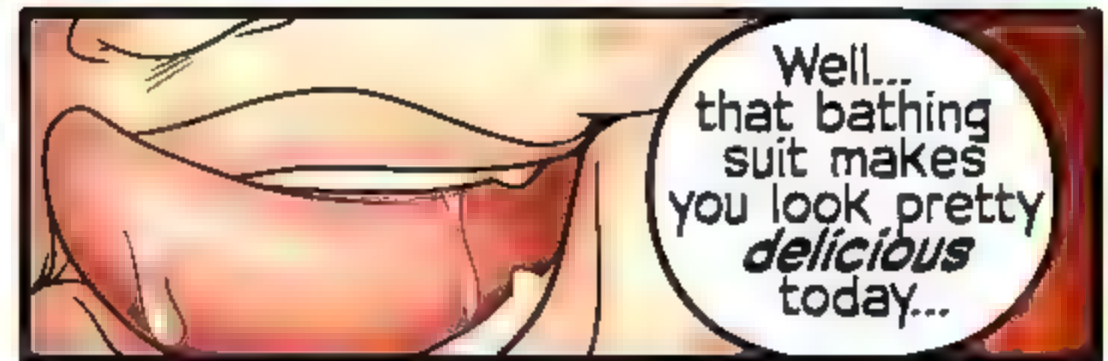

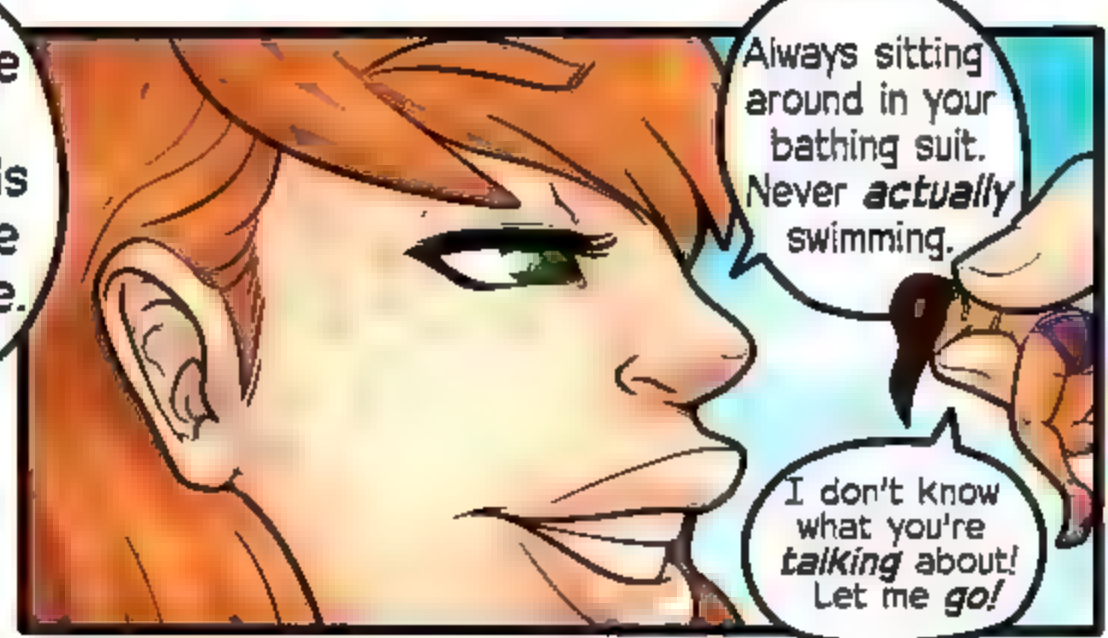

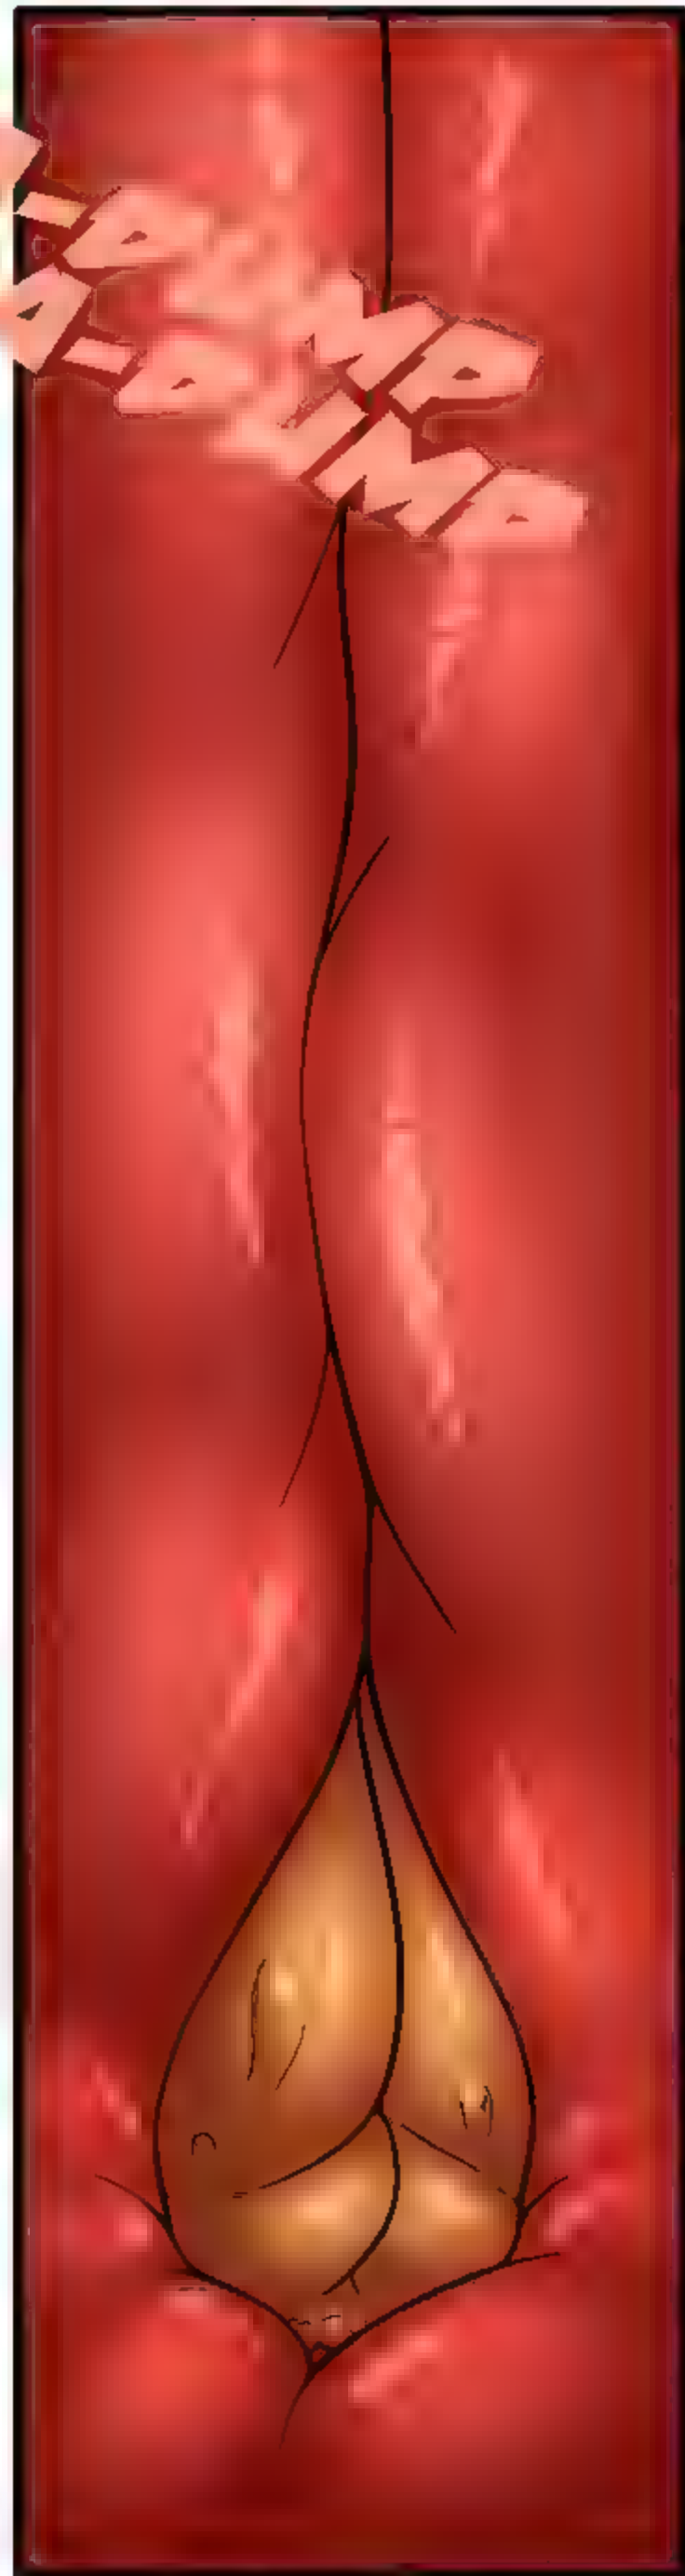

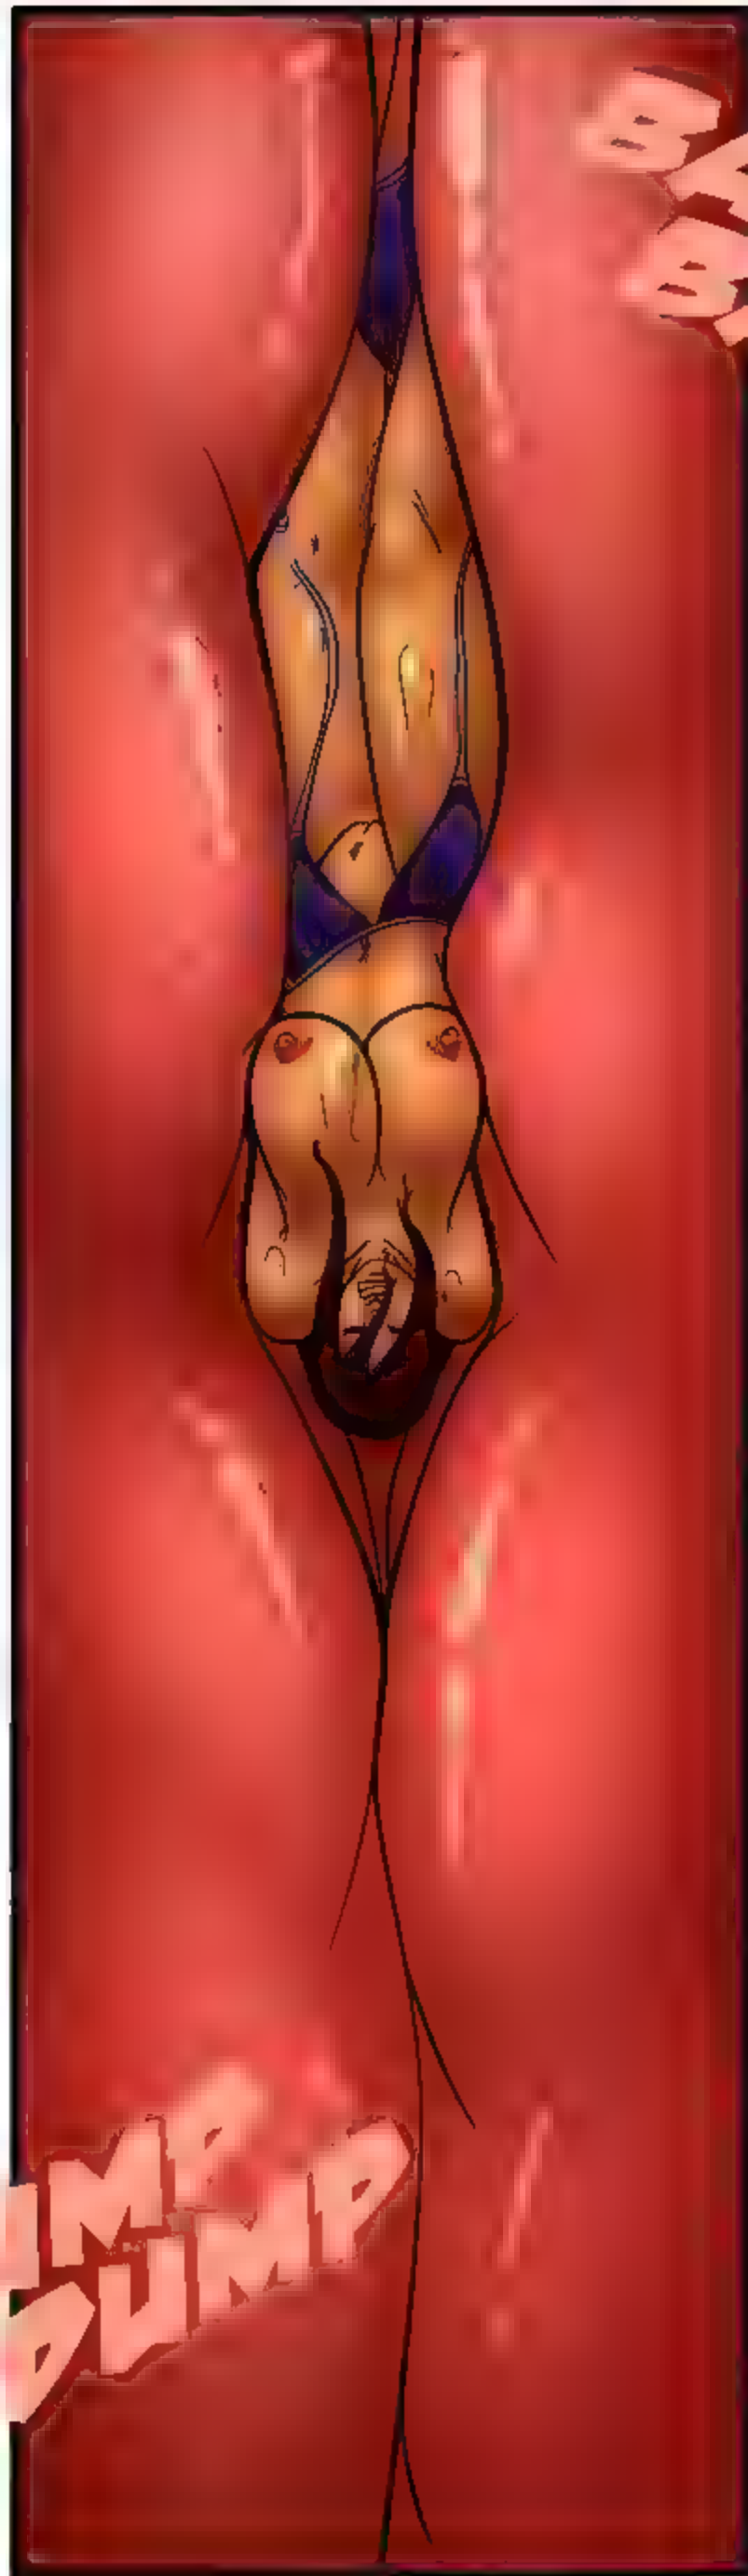

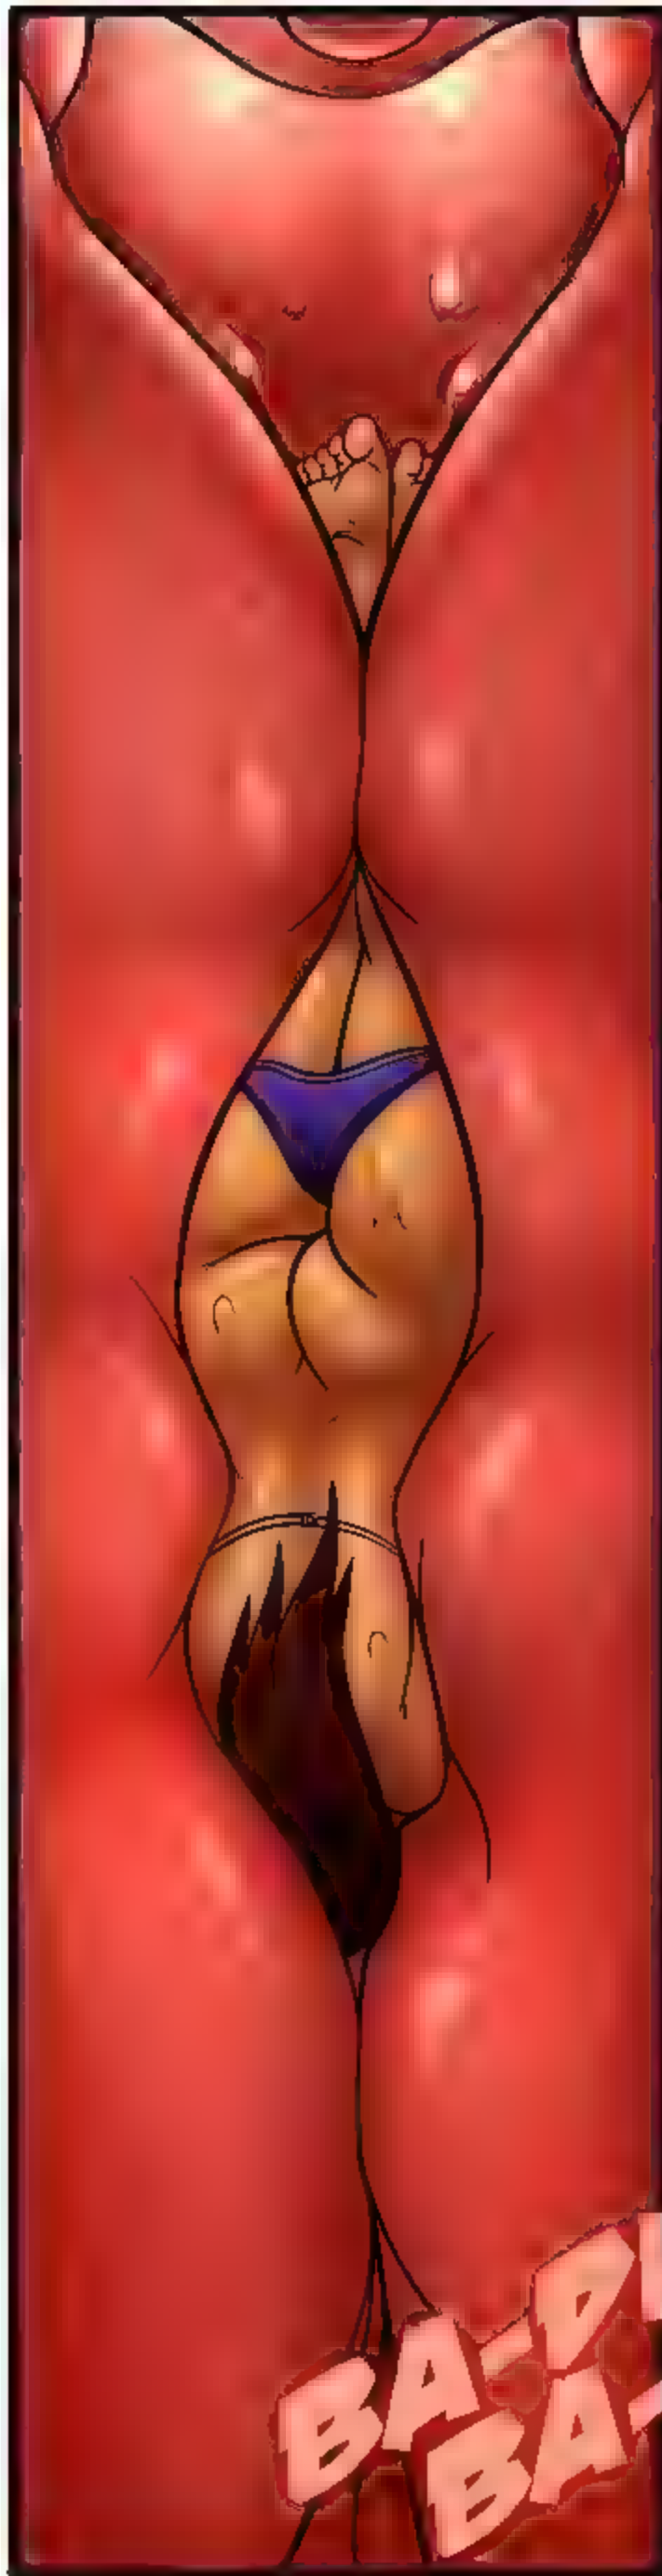

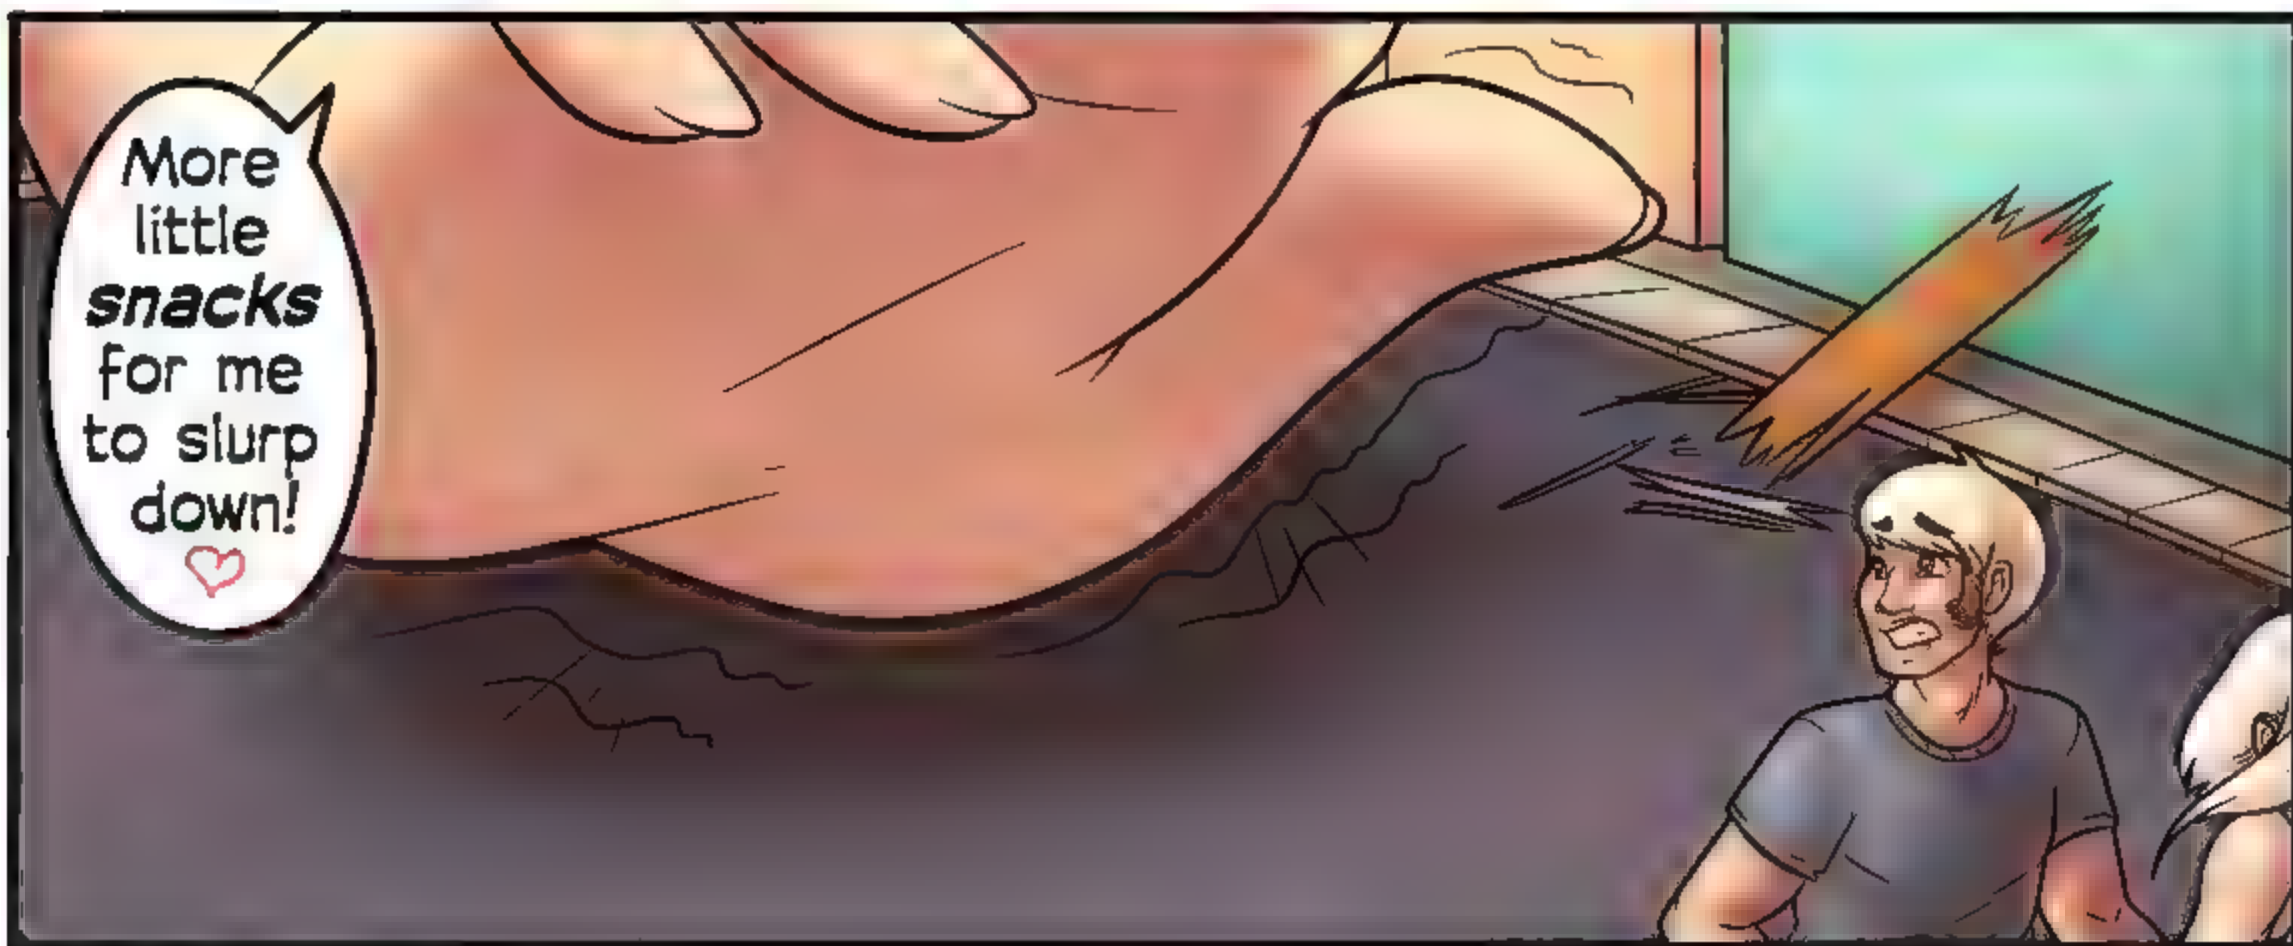

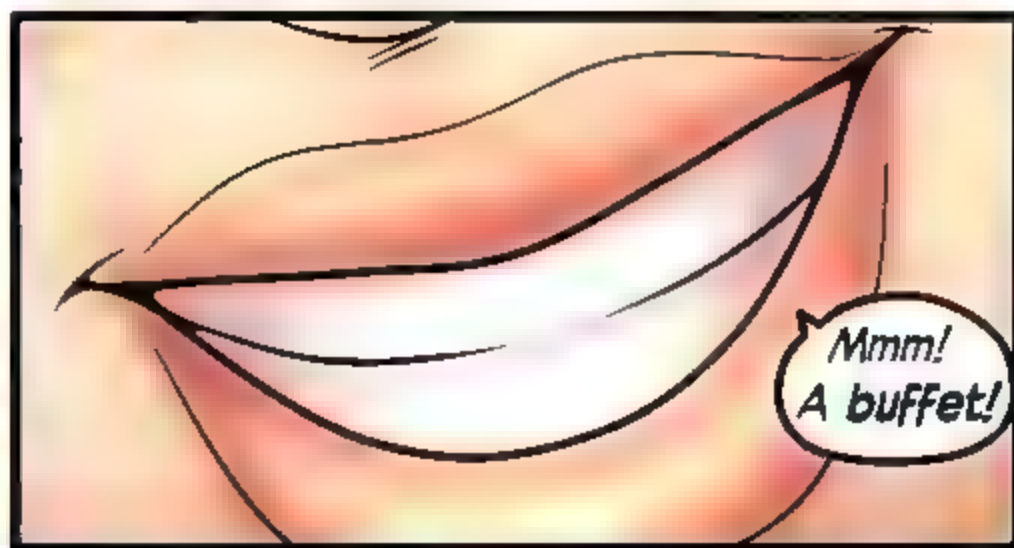

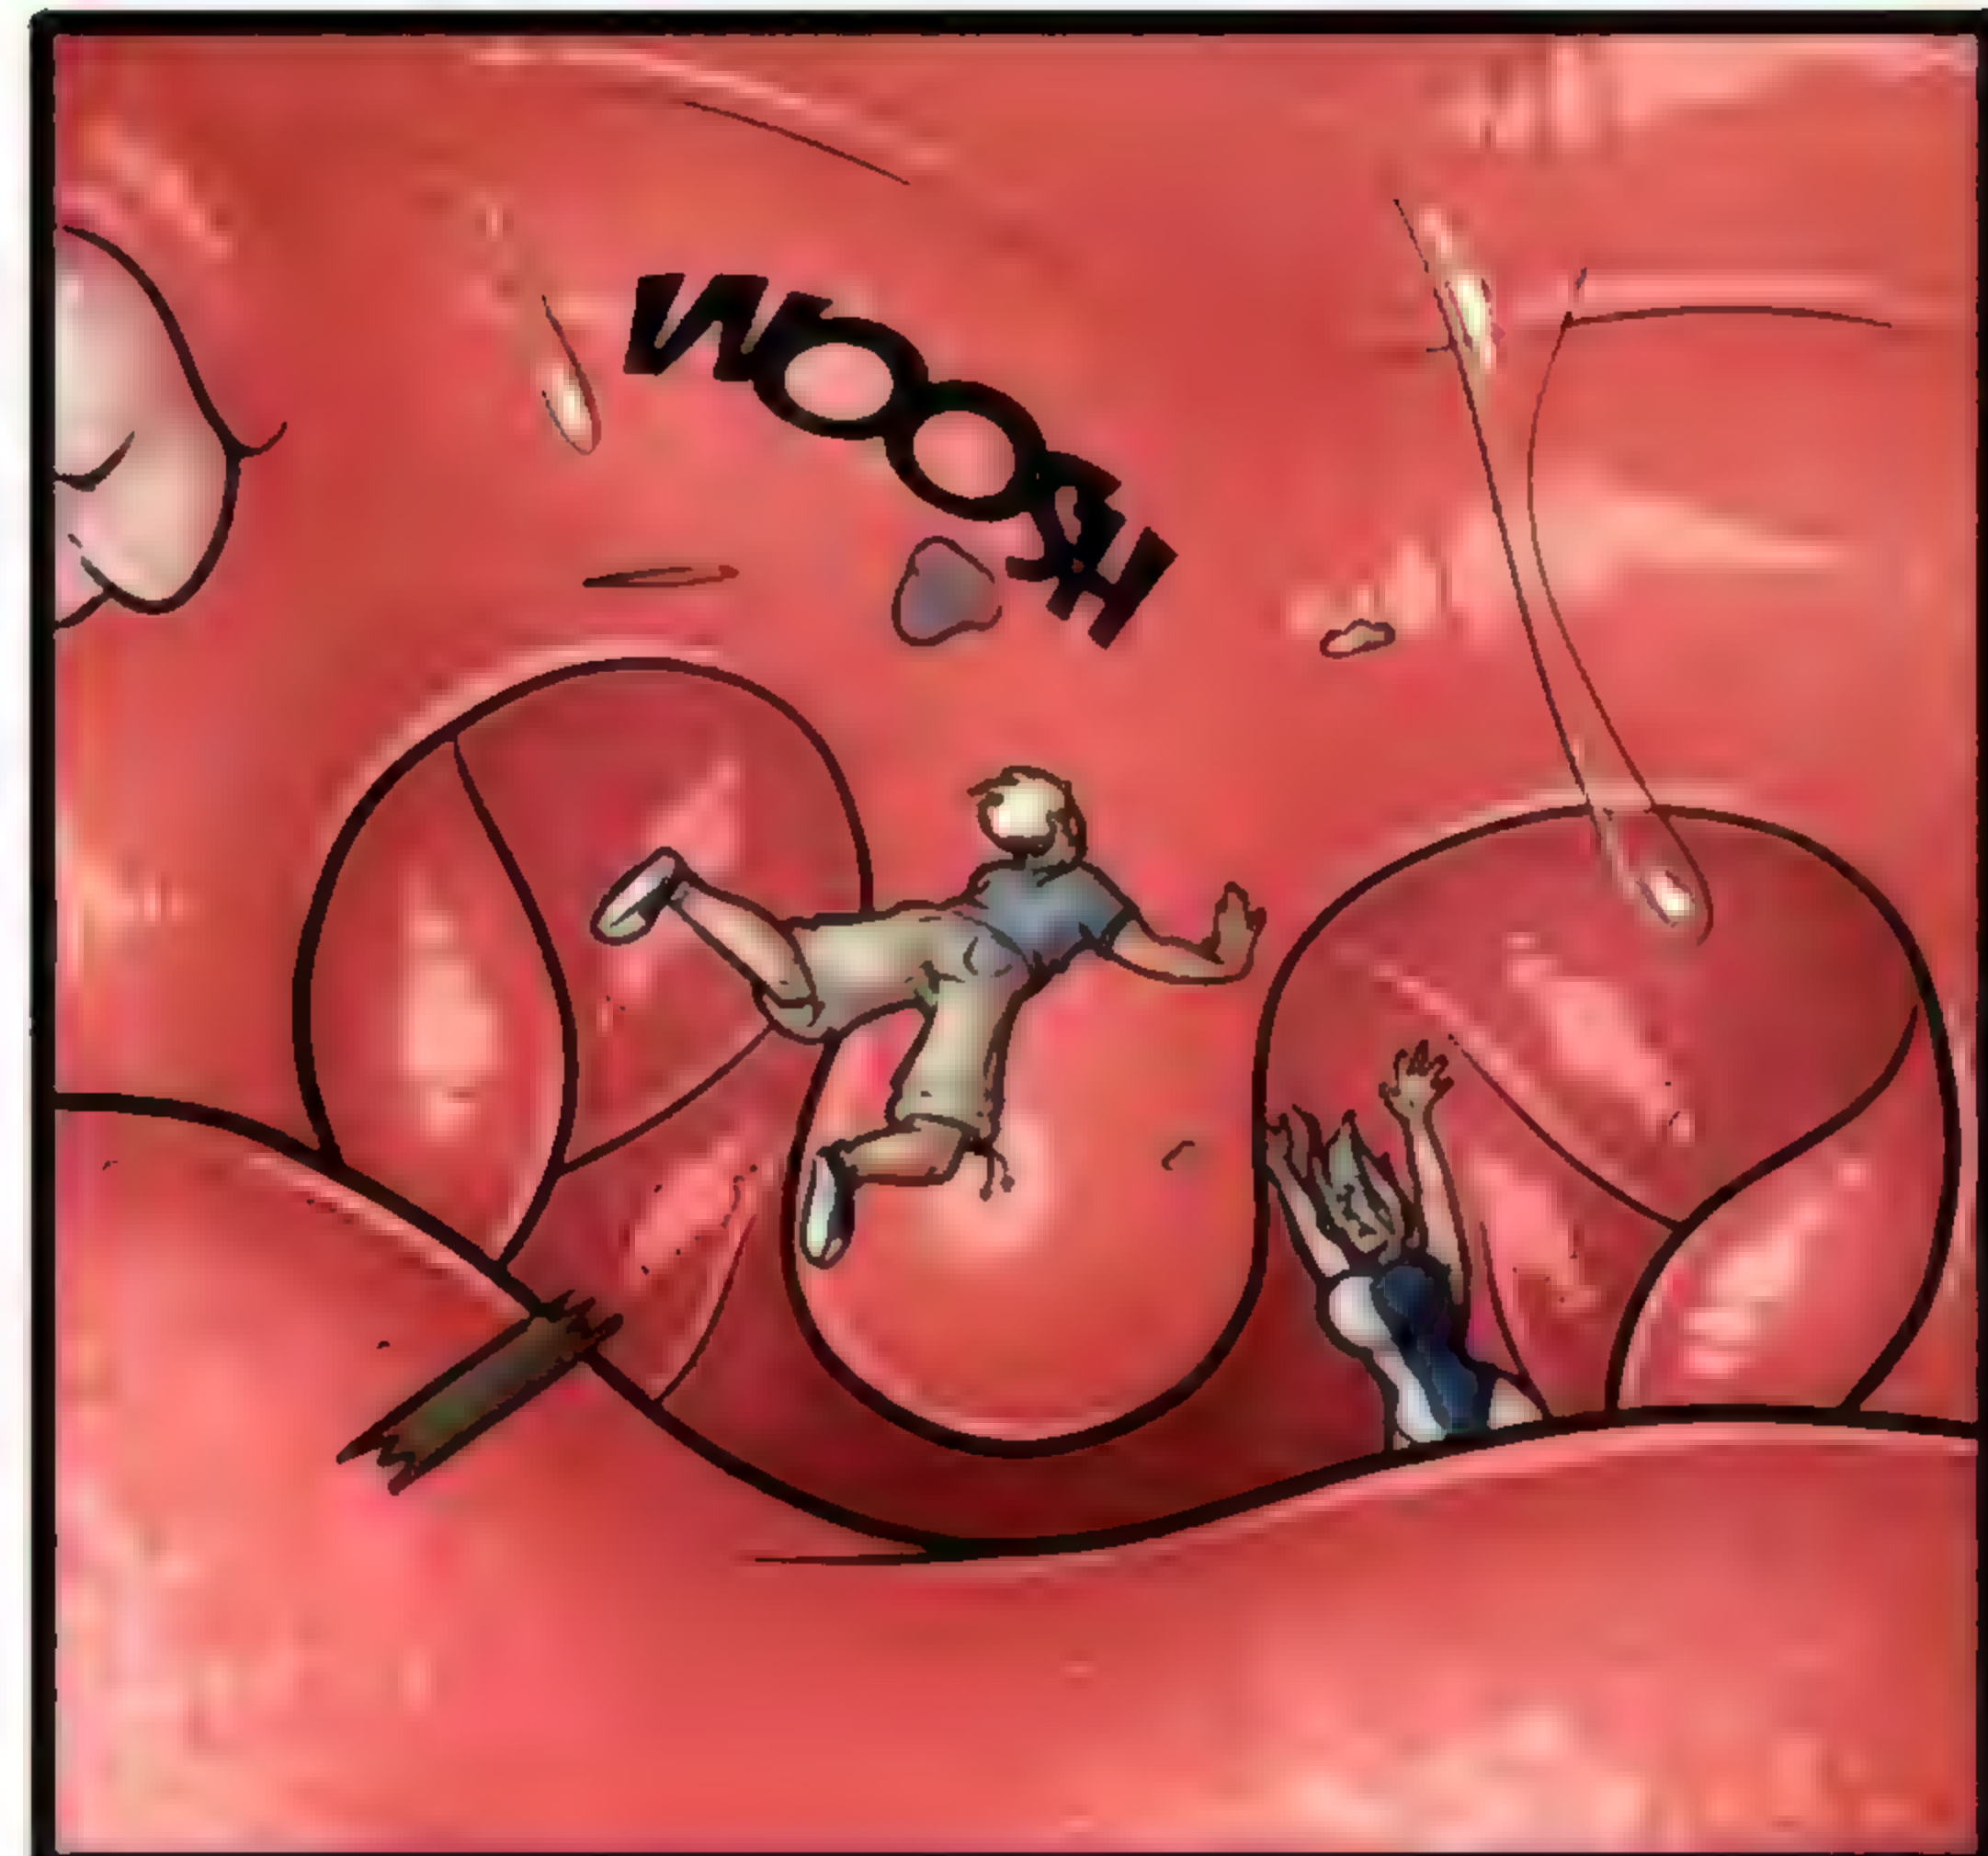

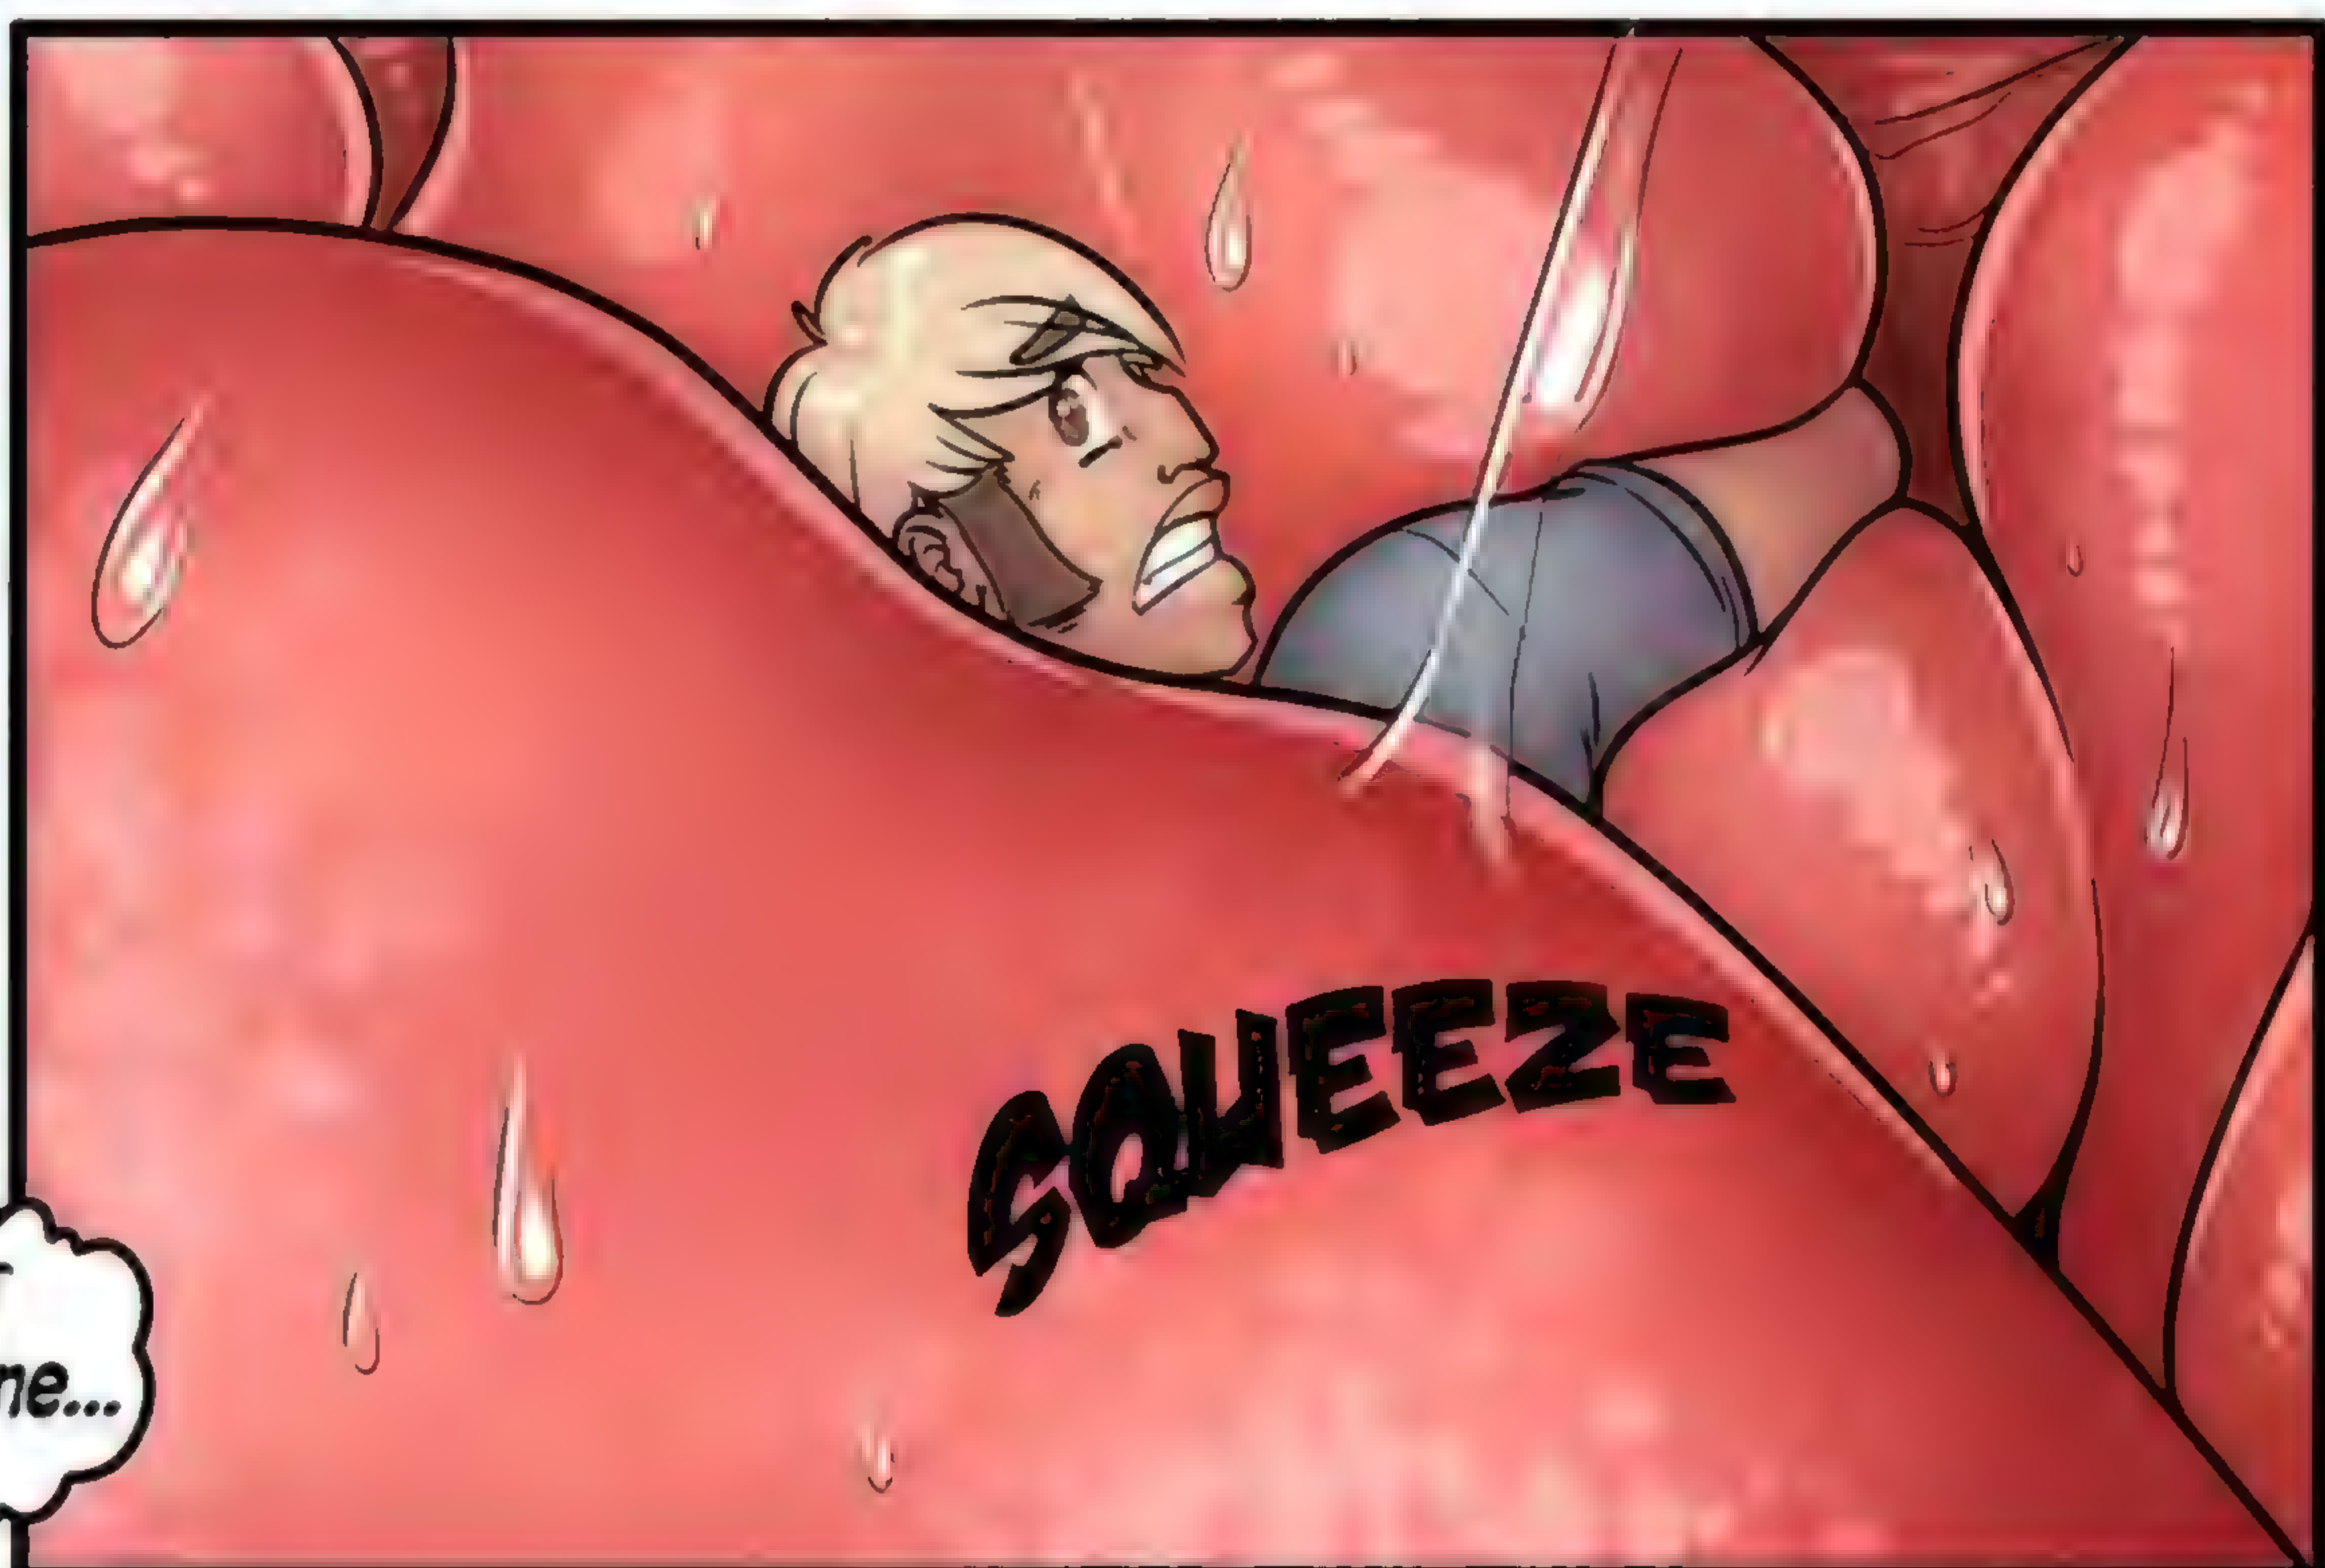

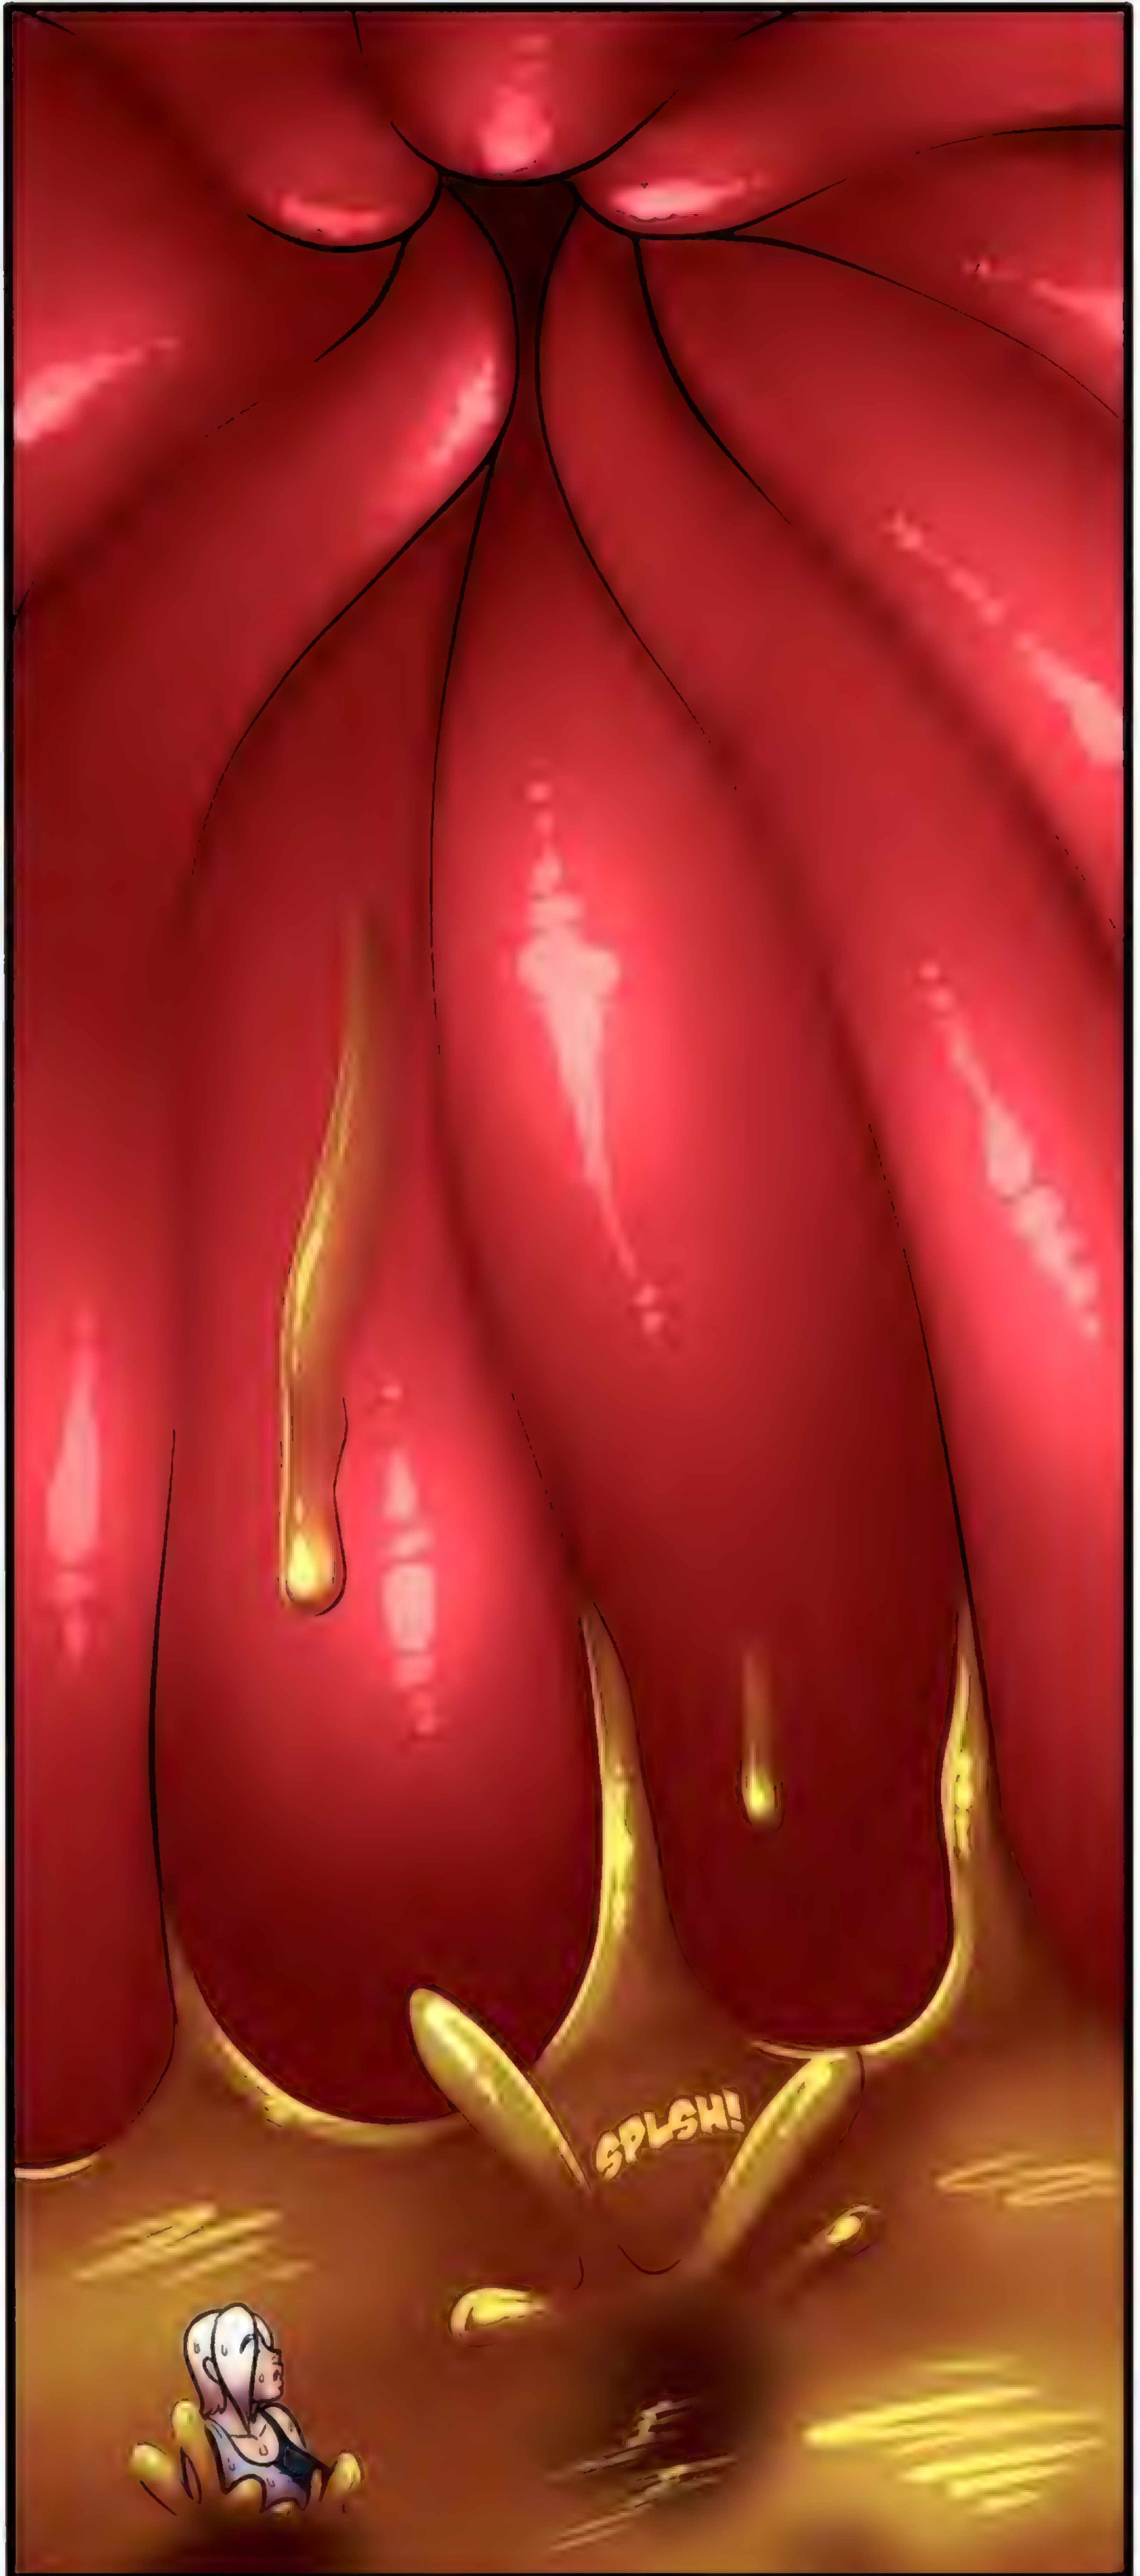

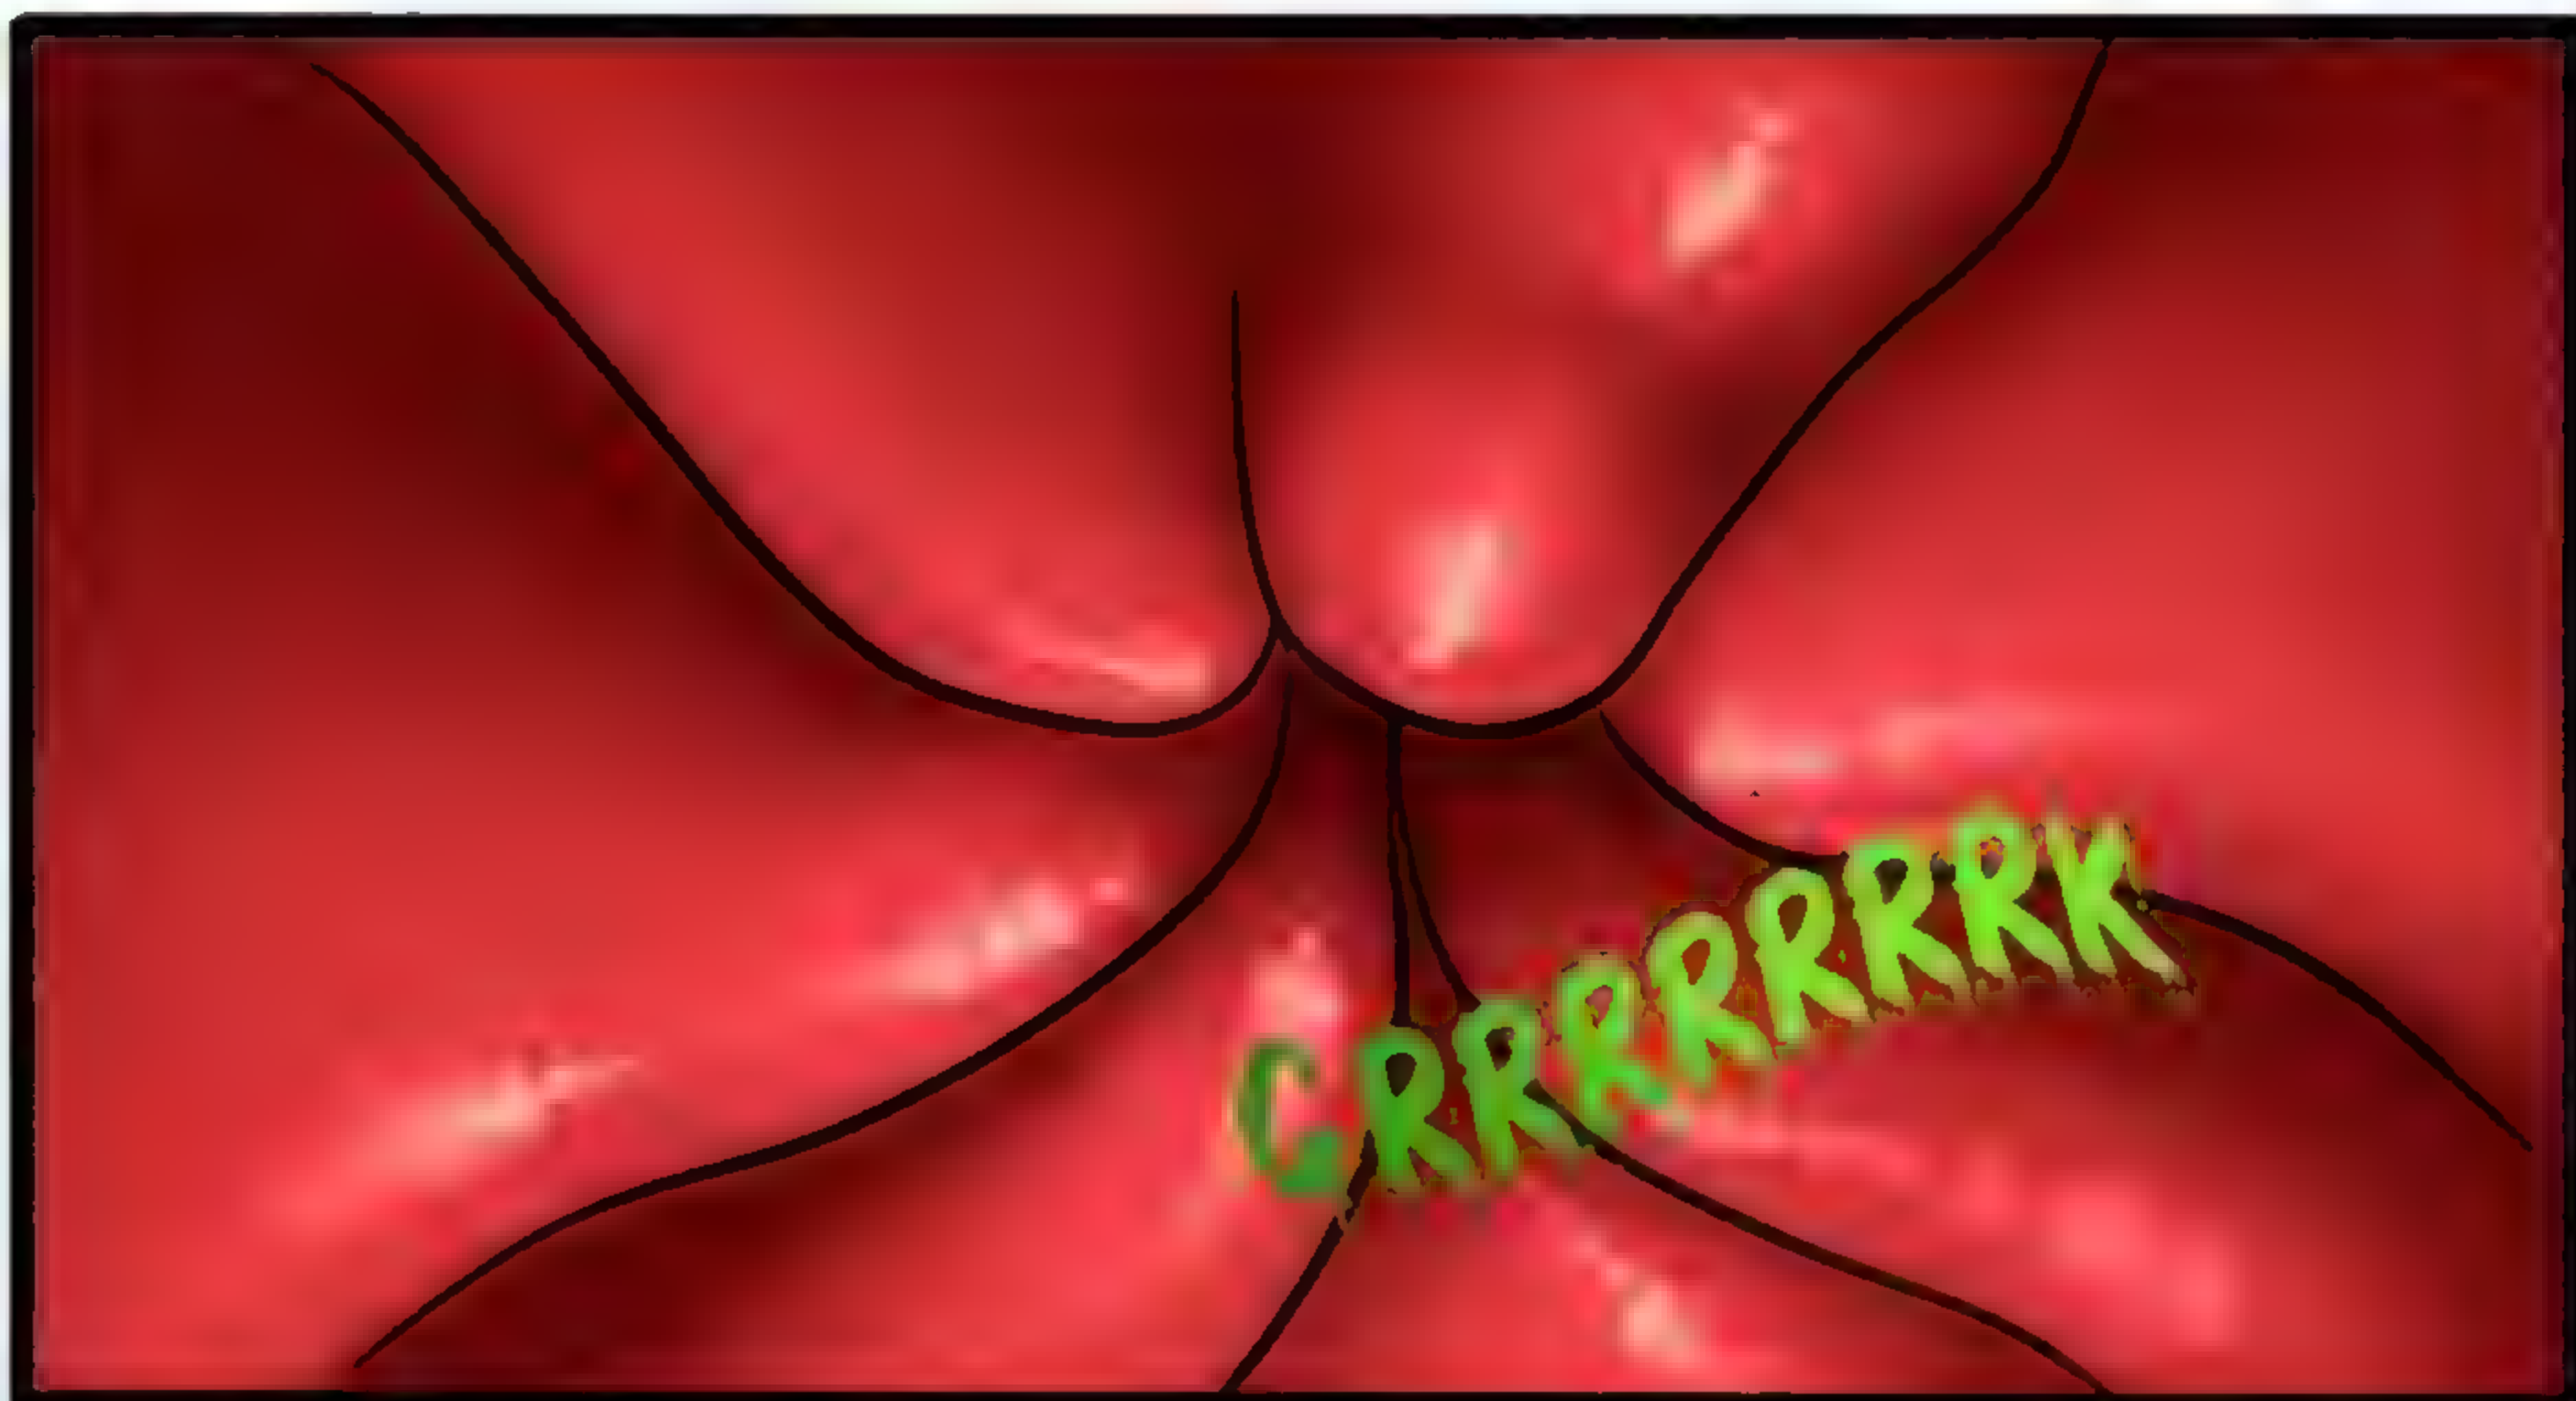

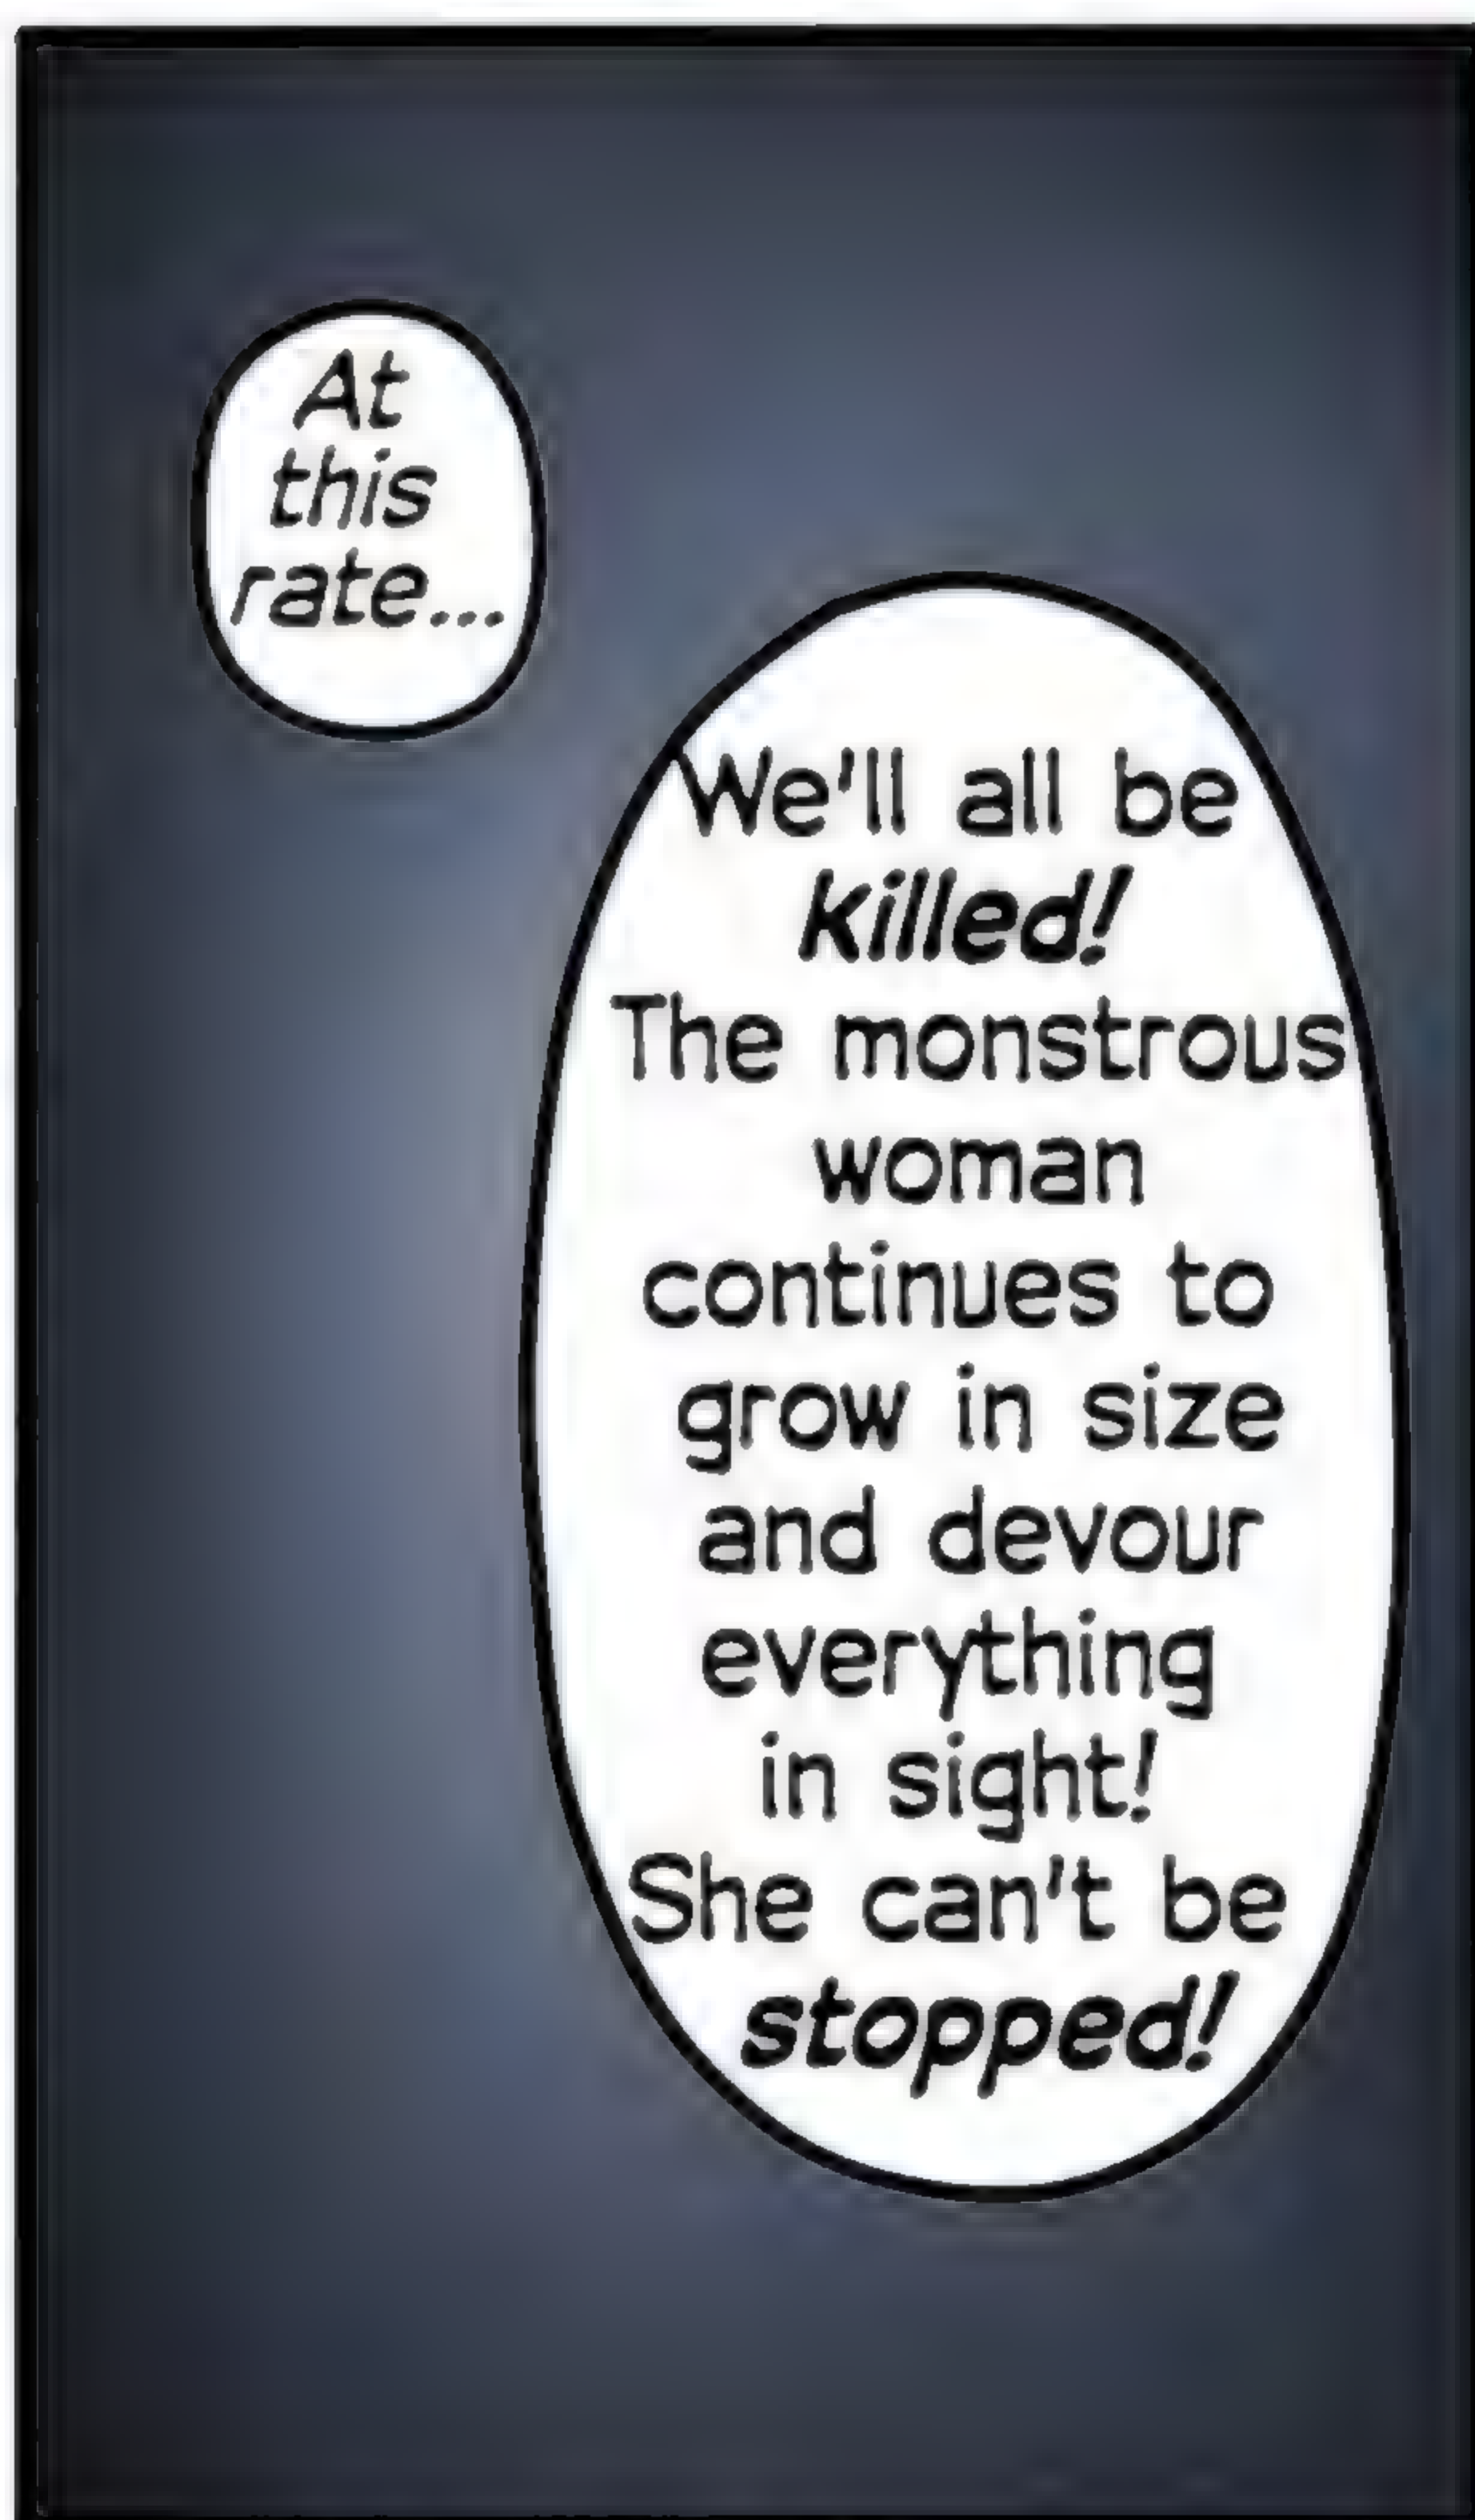

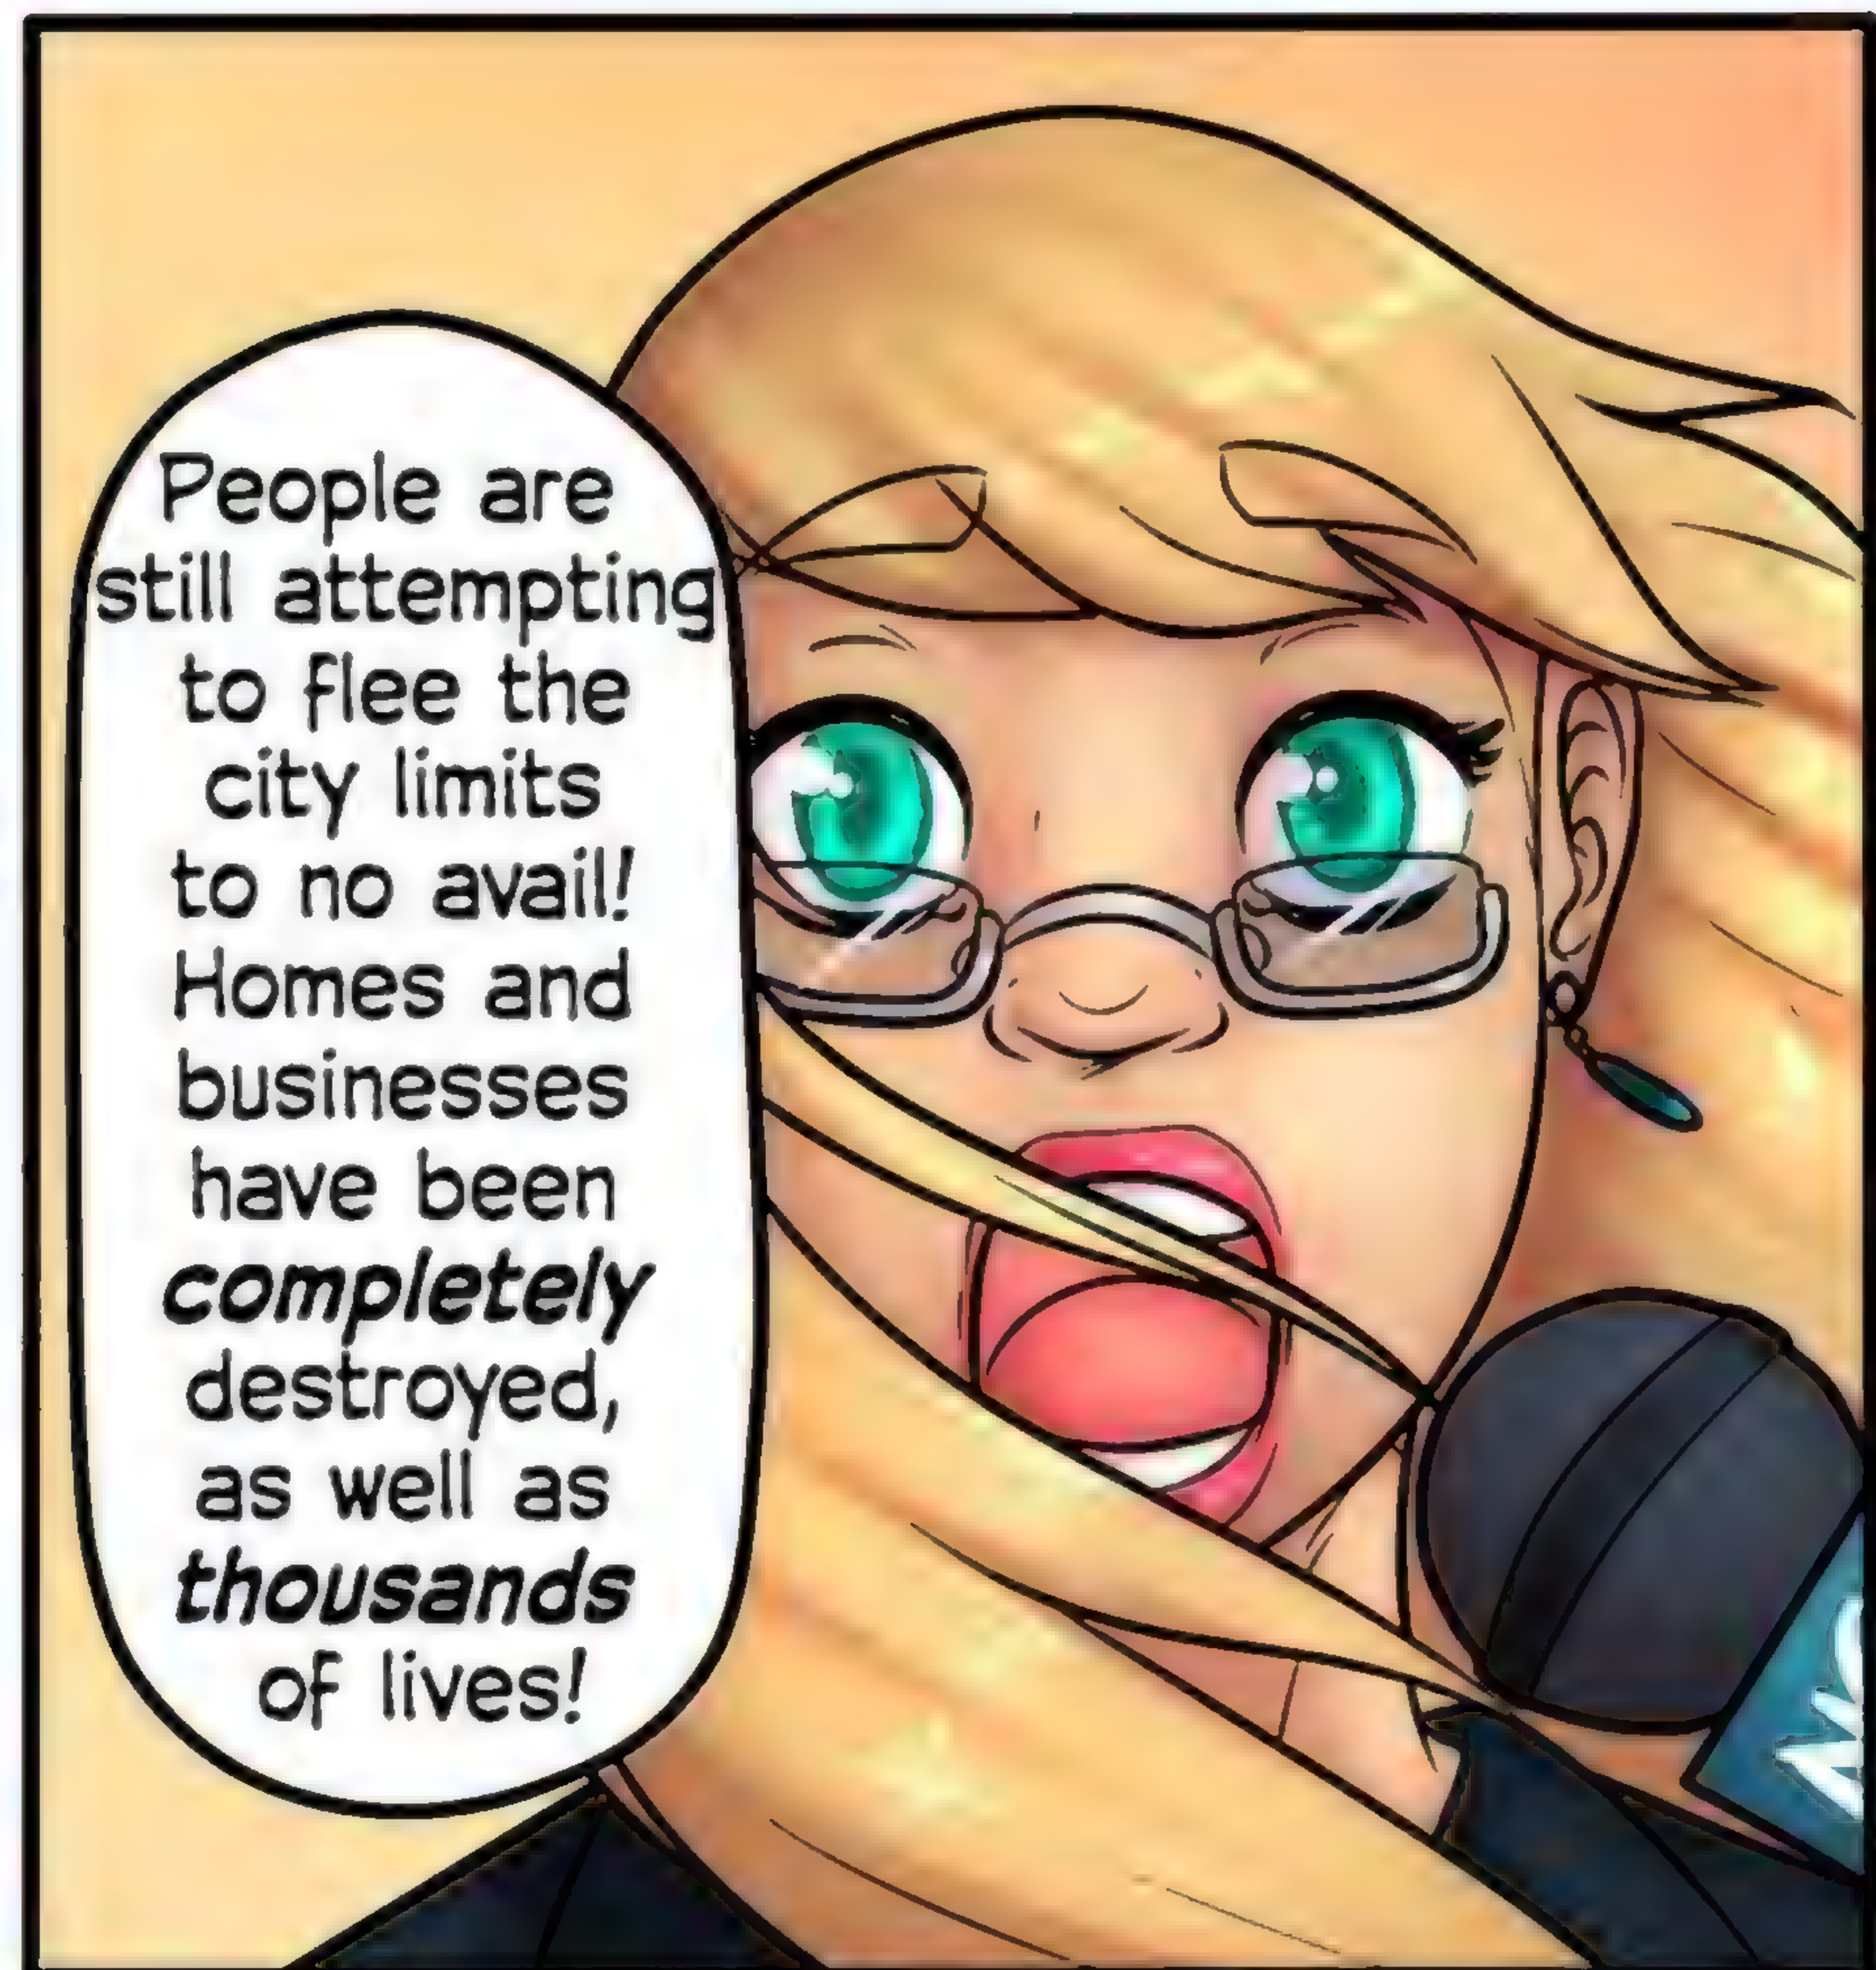

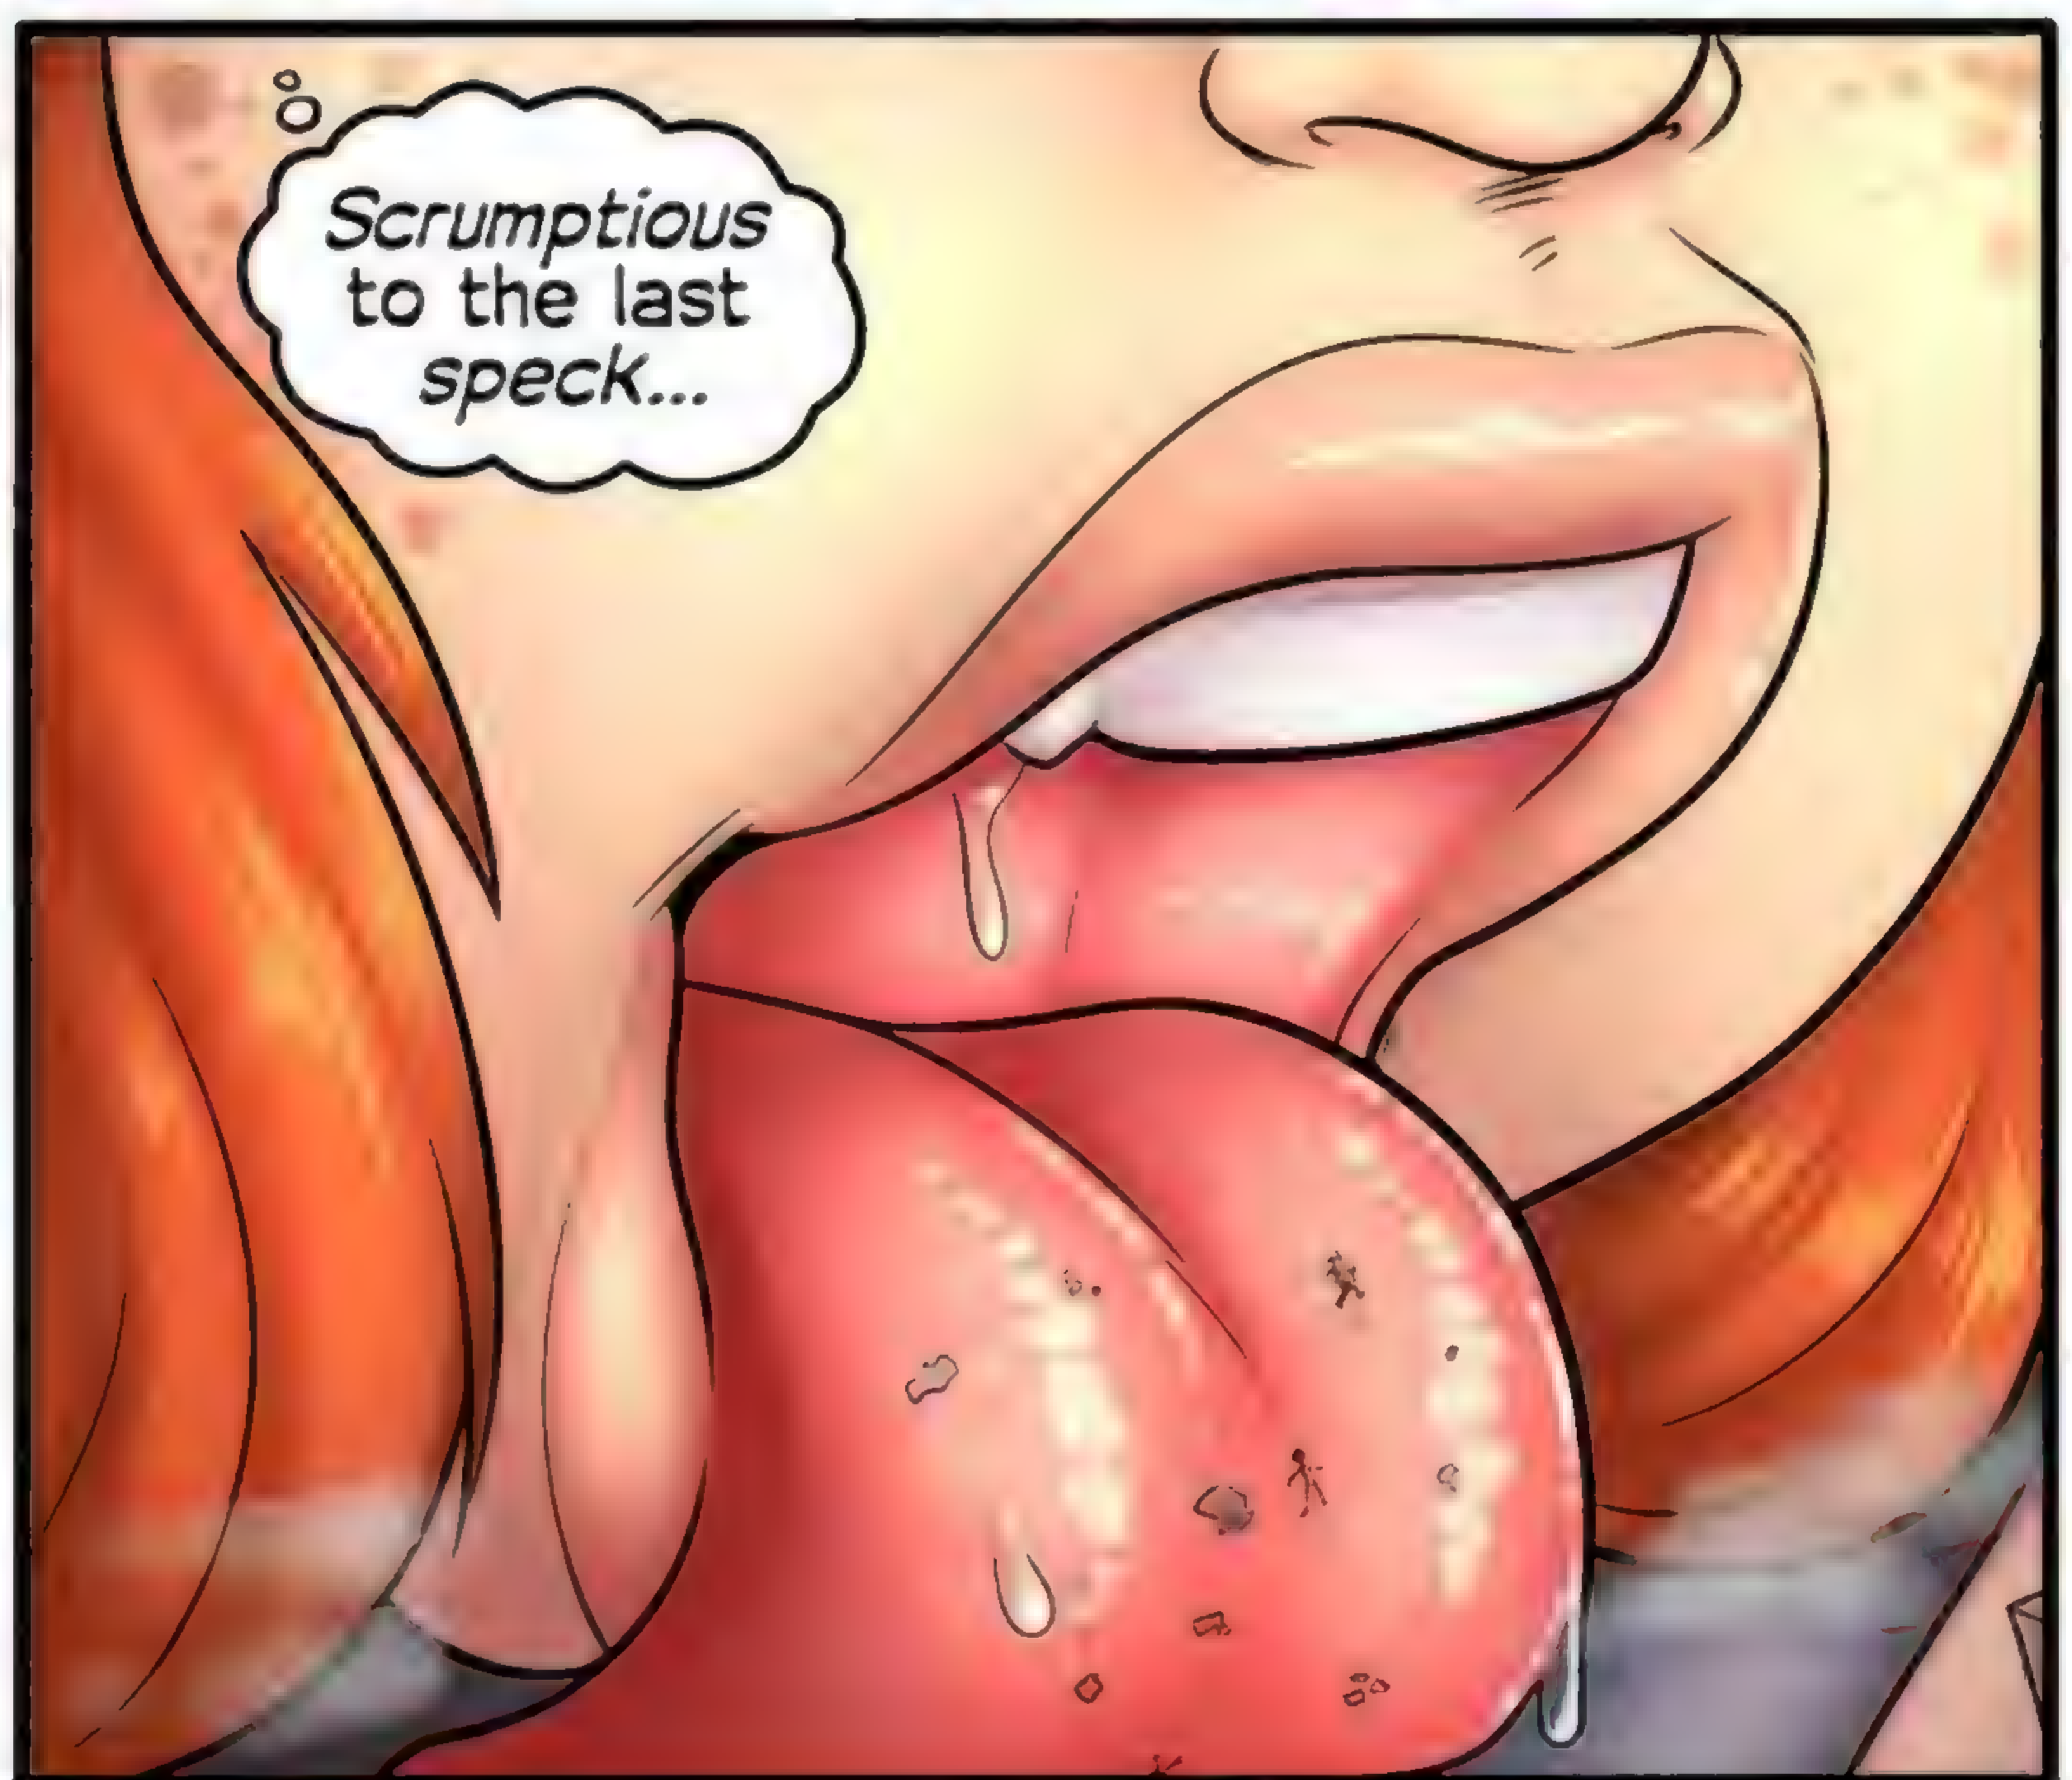

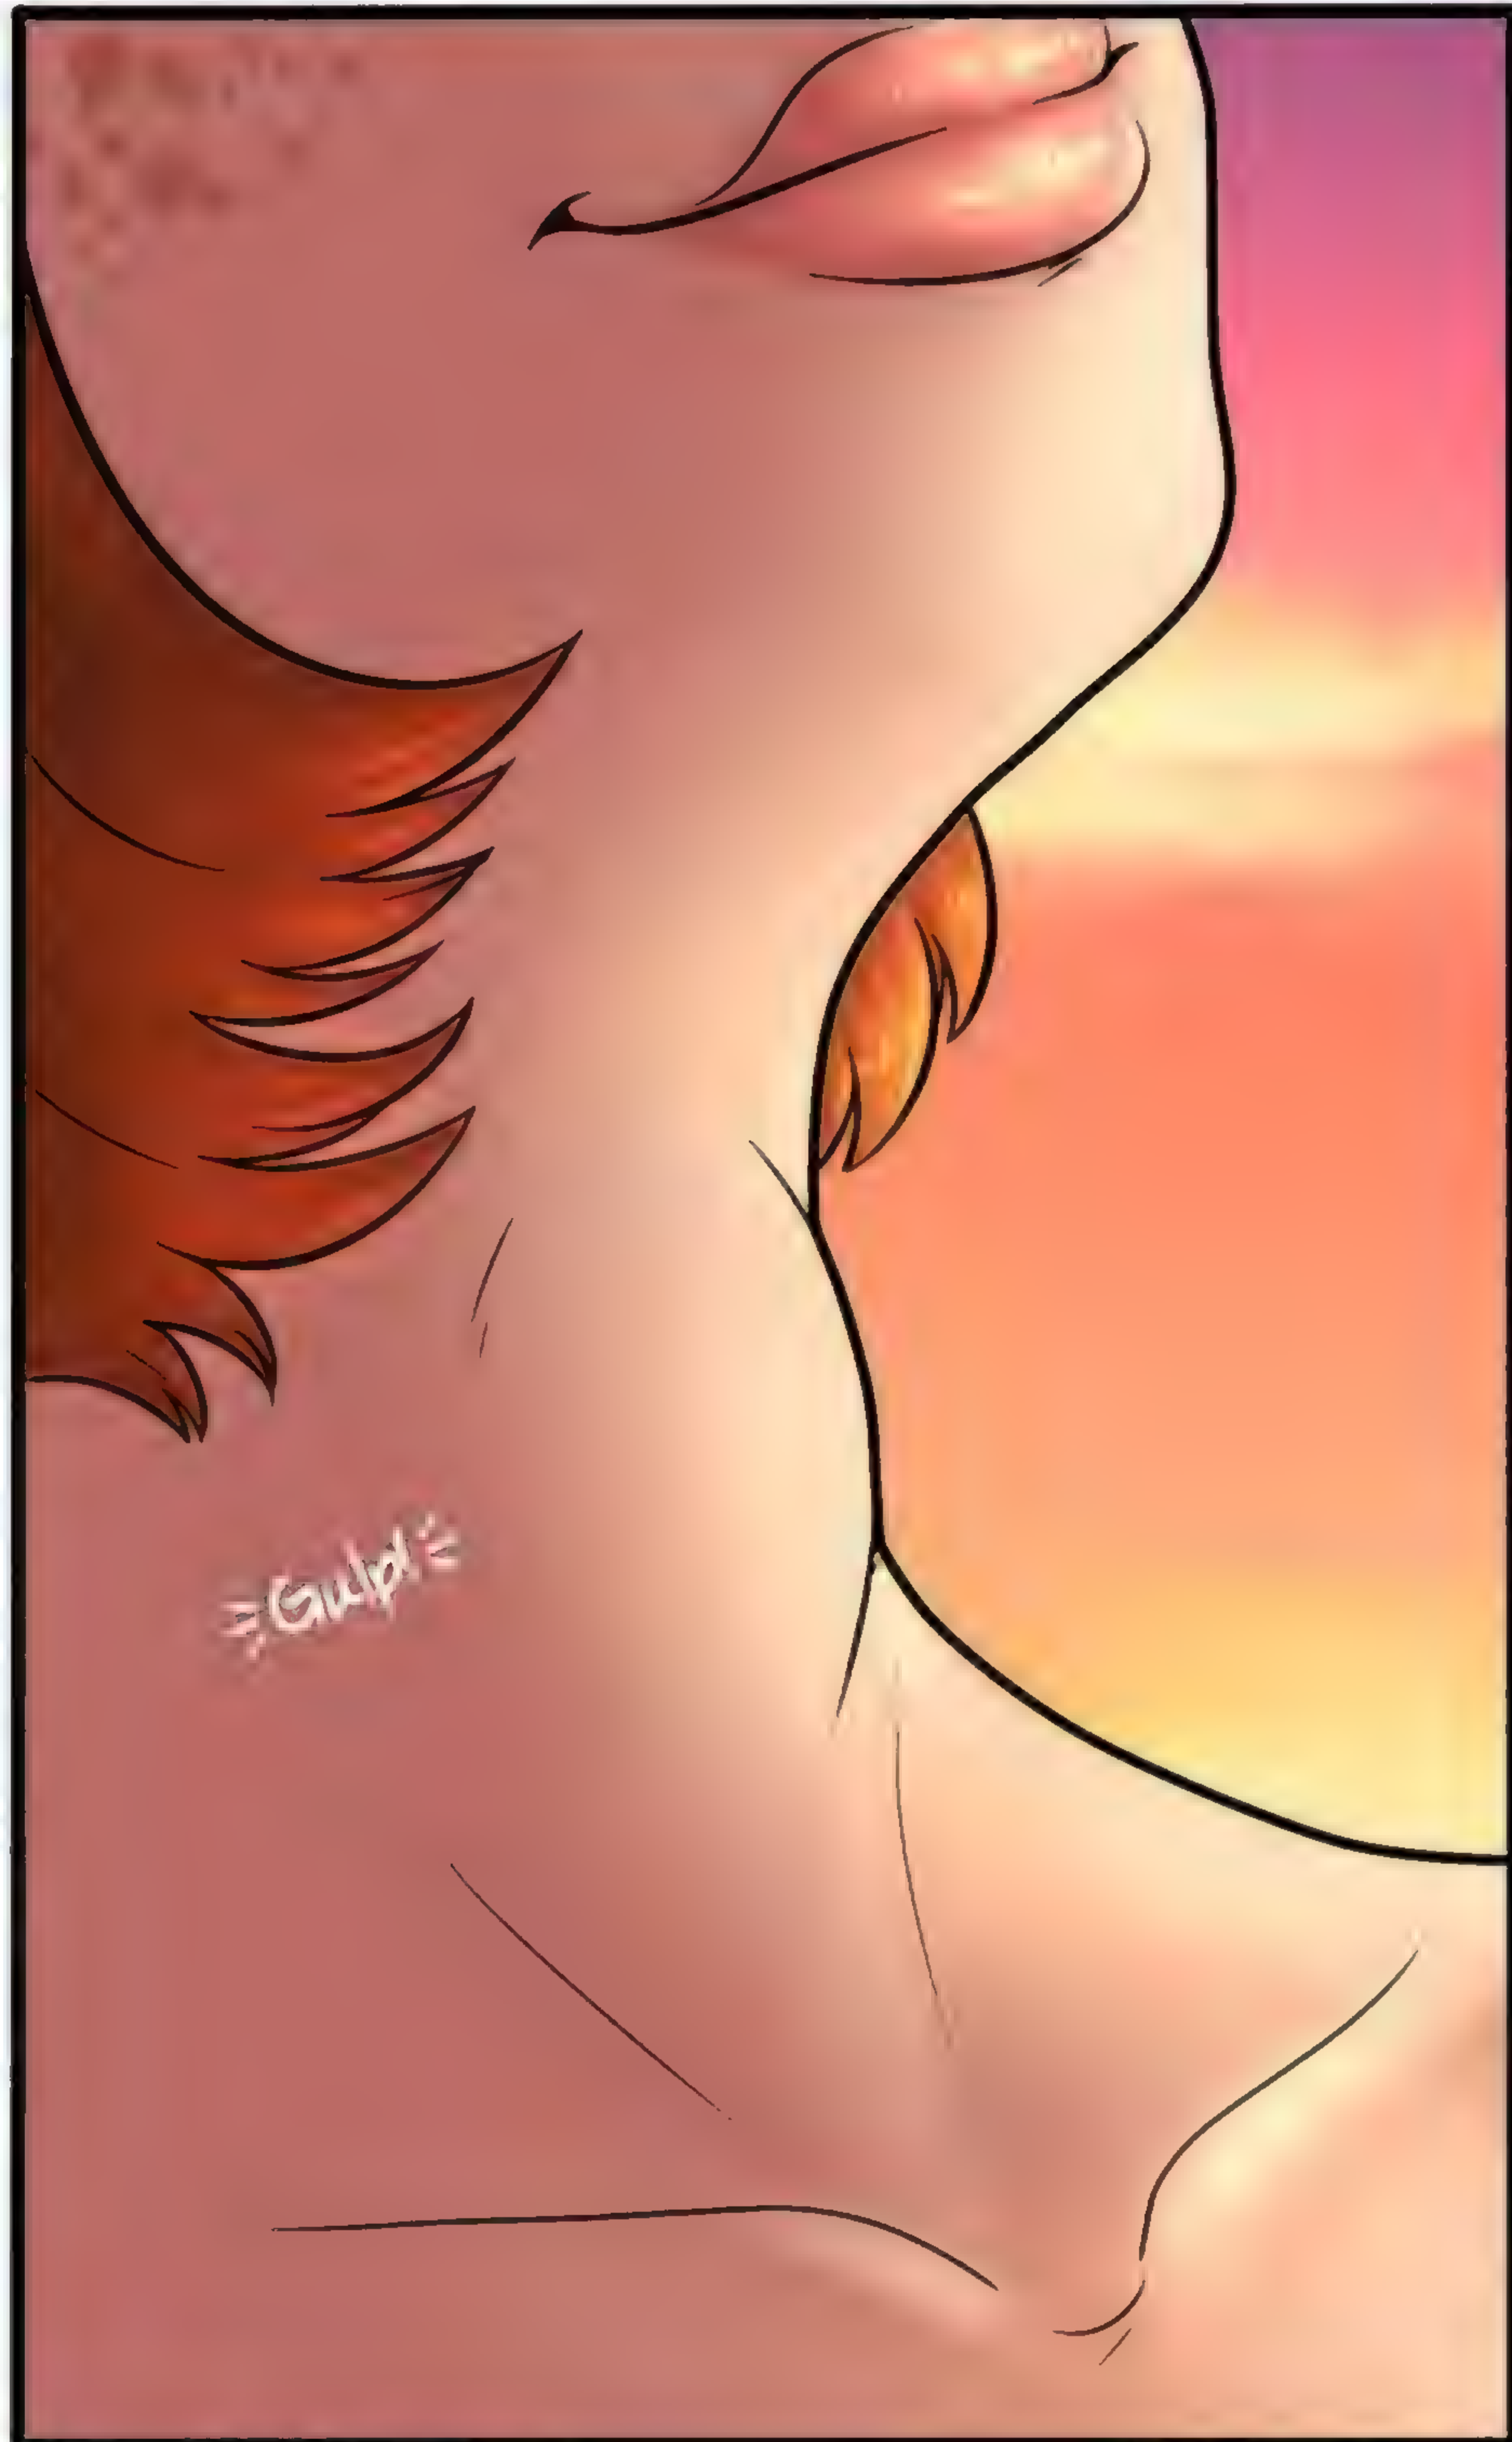

...Or someone...

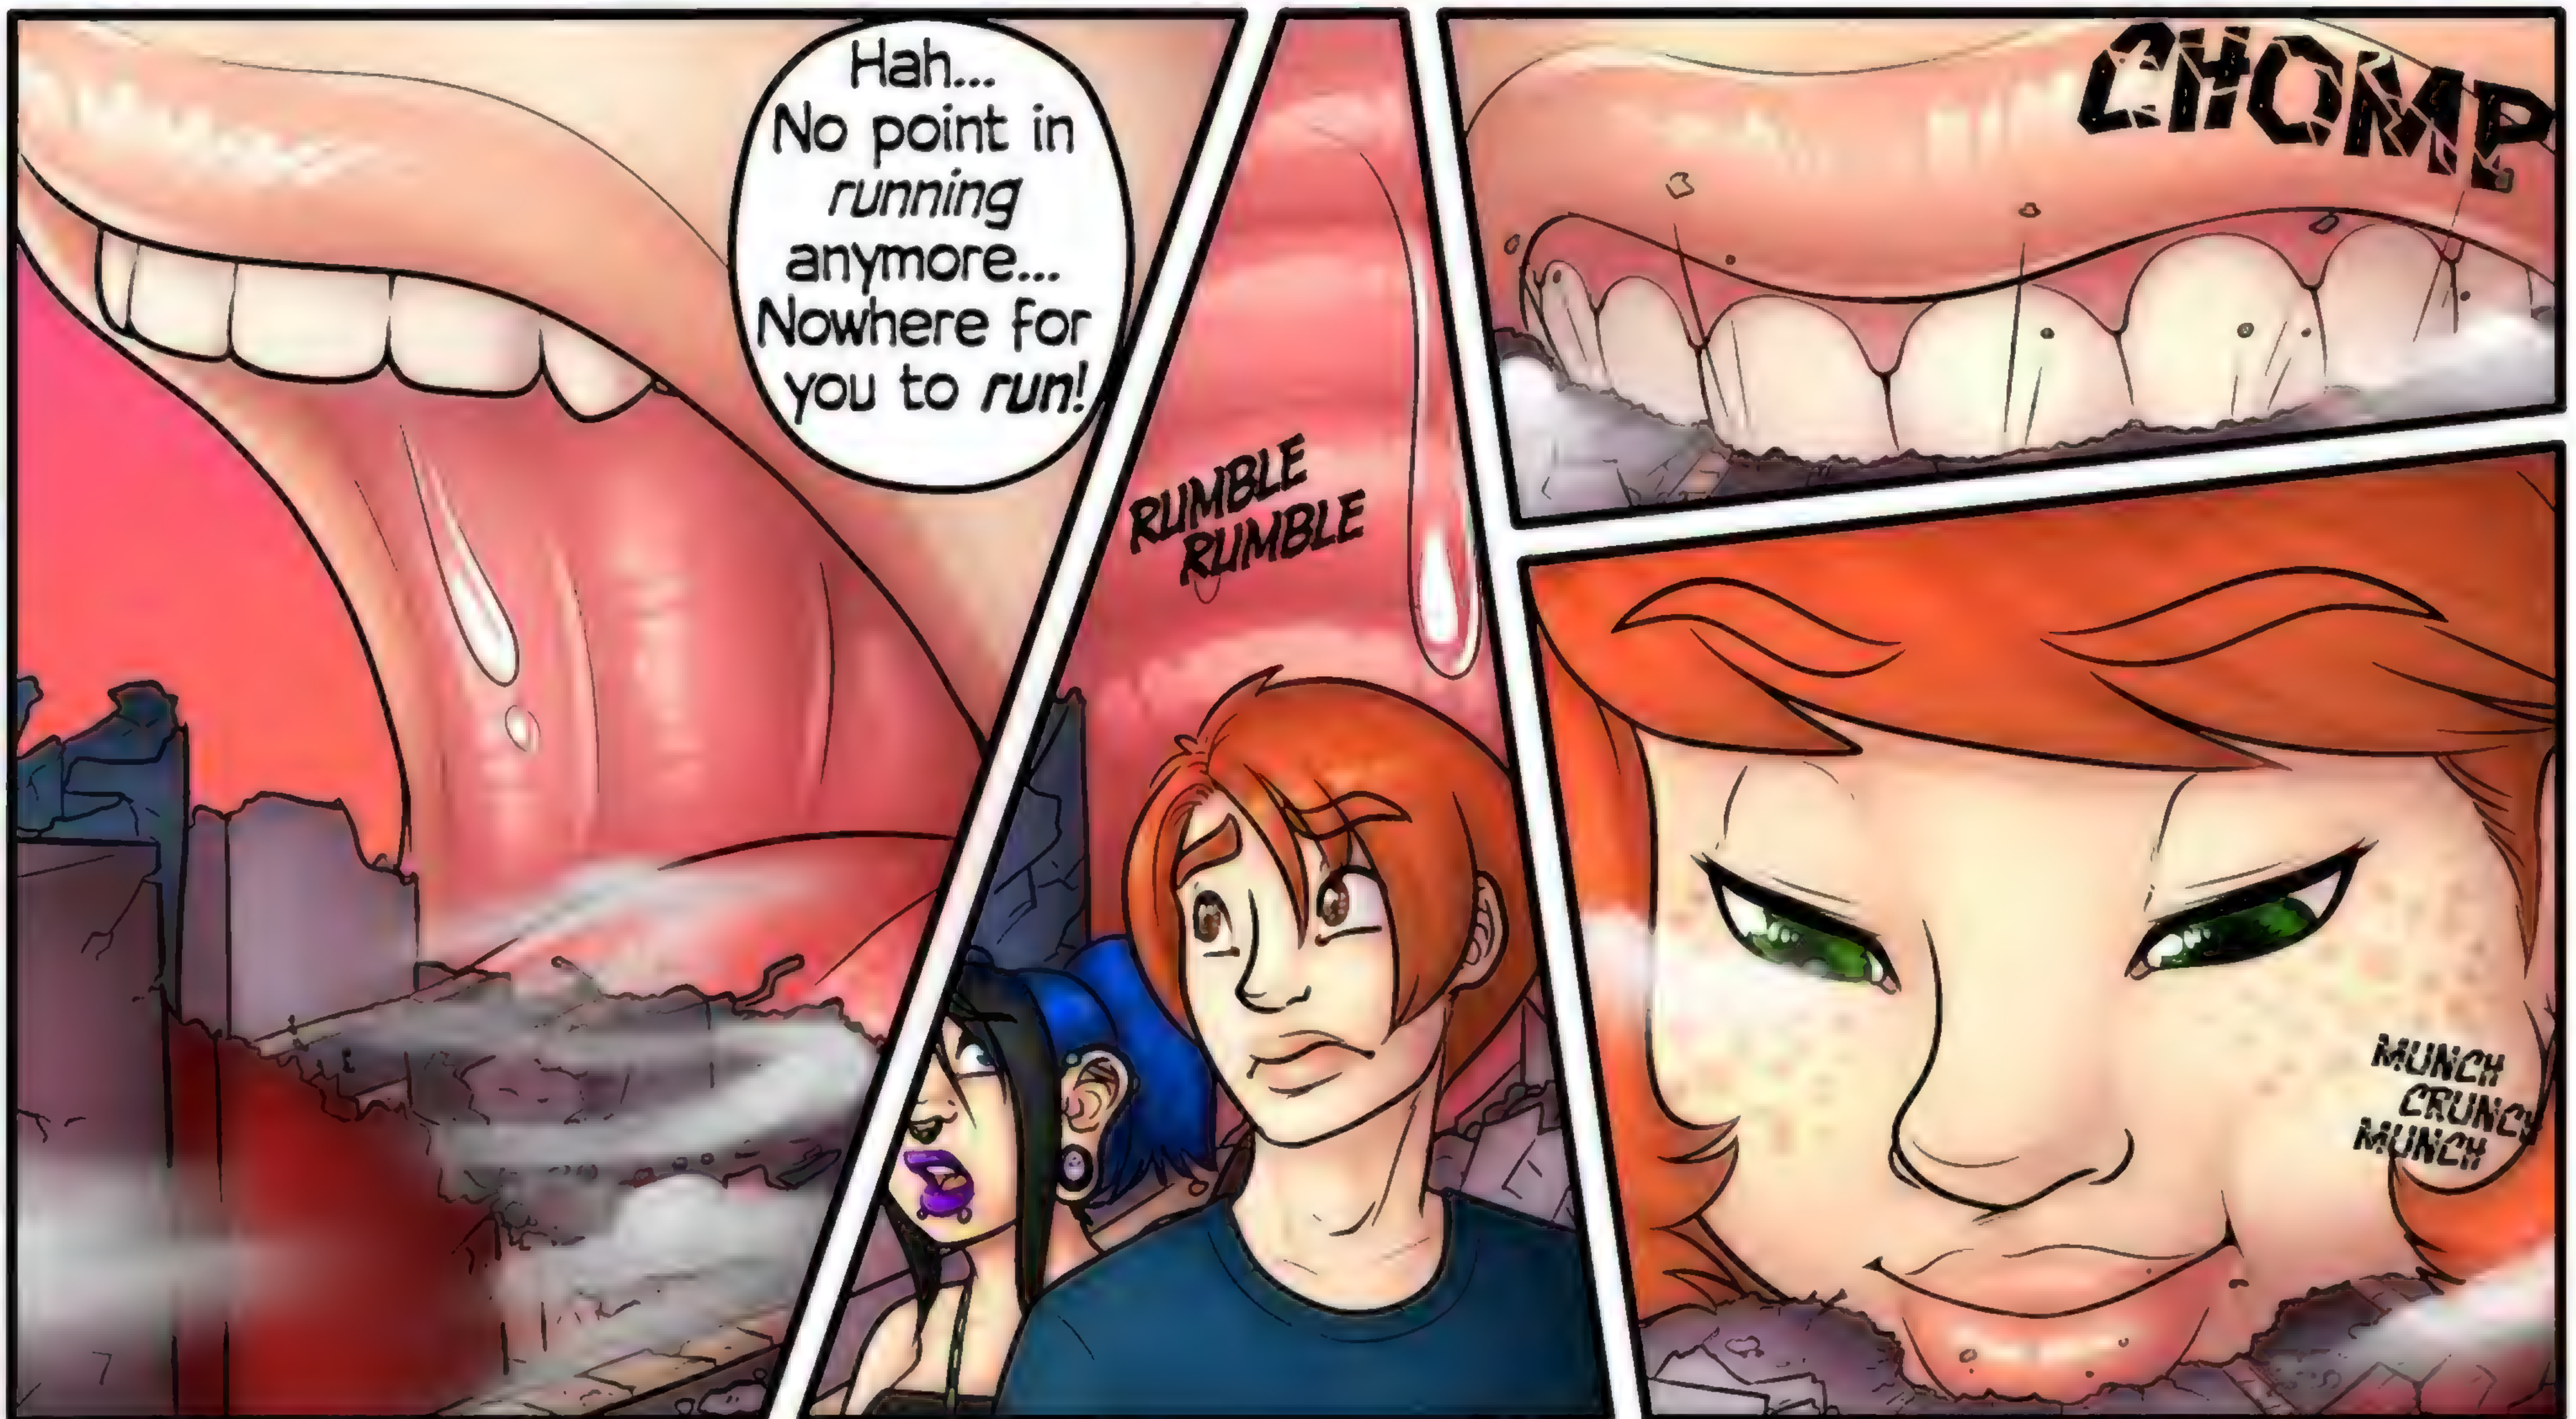

It's a bit of an odd sensation, really, looking down at this little chunk of city in my hands...

Seeing all of the streets that I walked down and stores that I went to, all of the buildings...

They all look so *tiny* now...

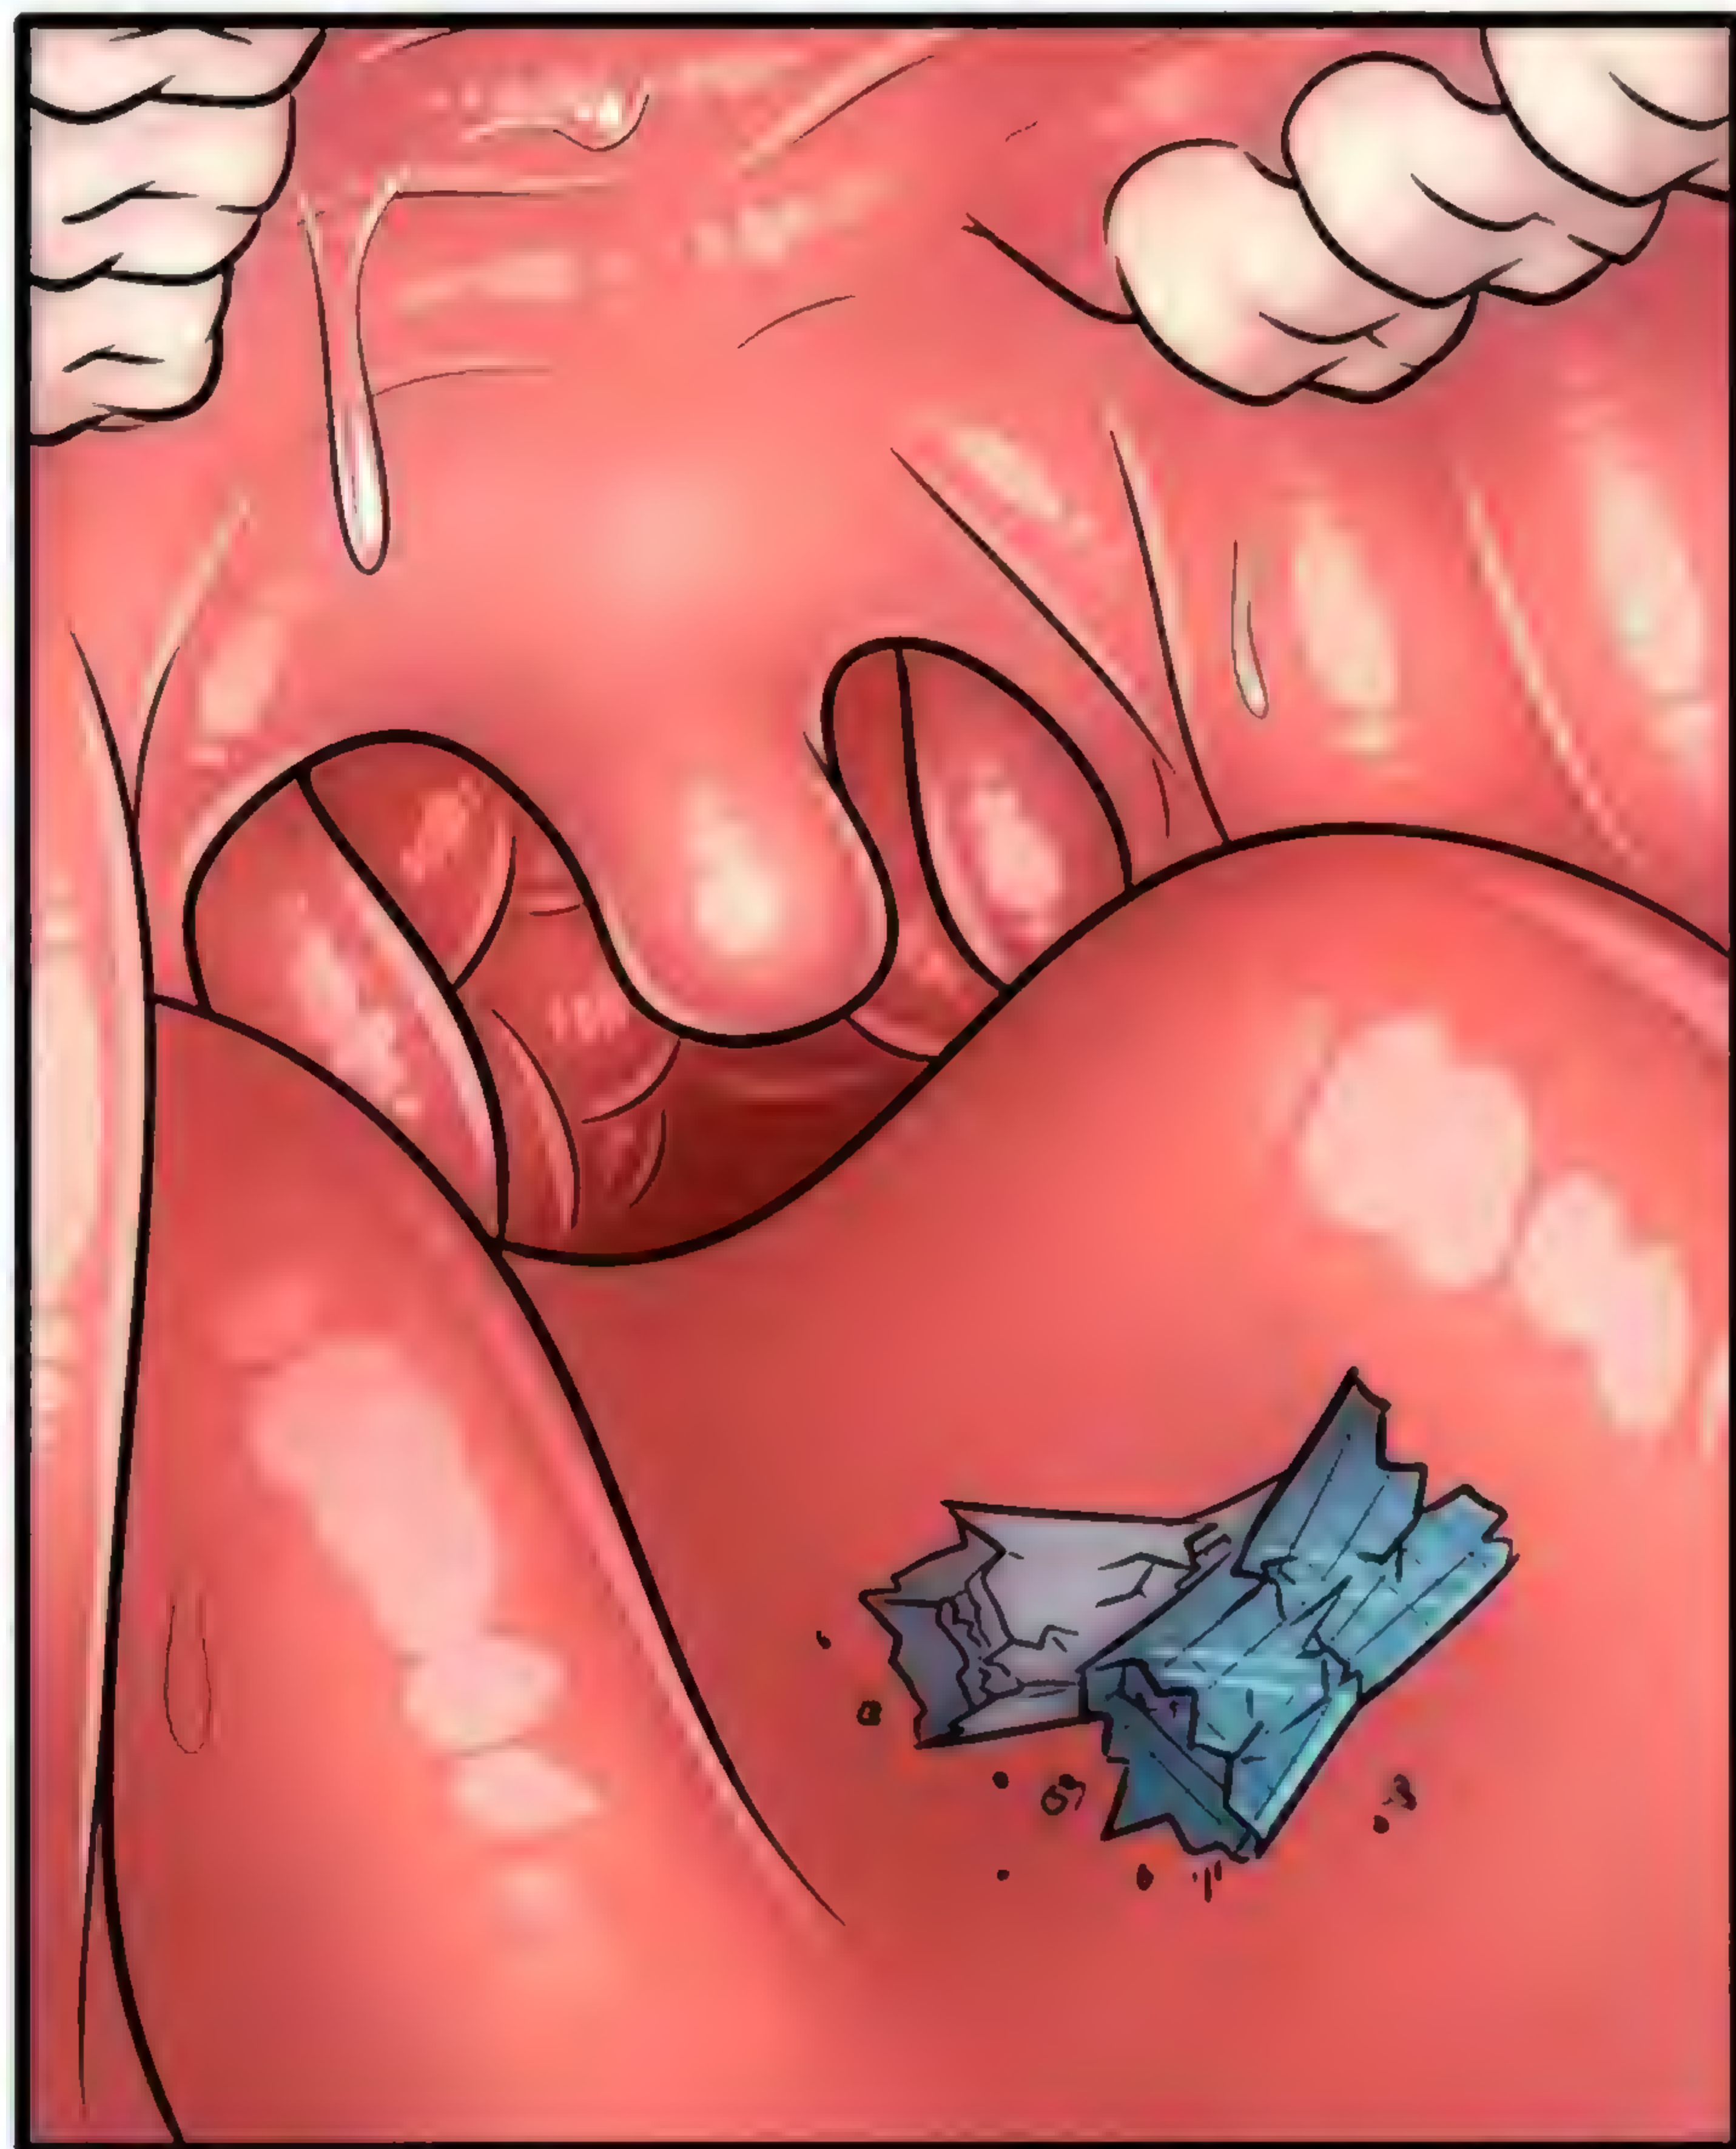

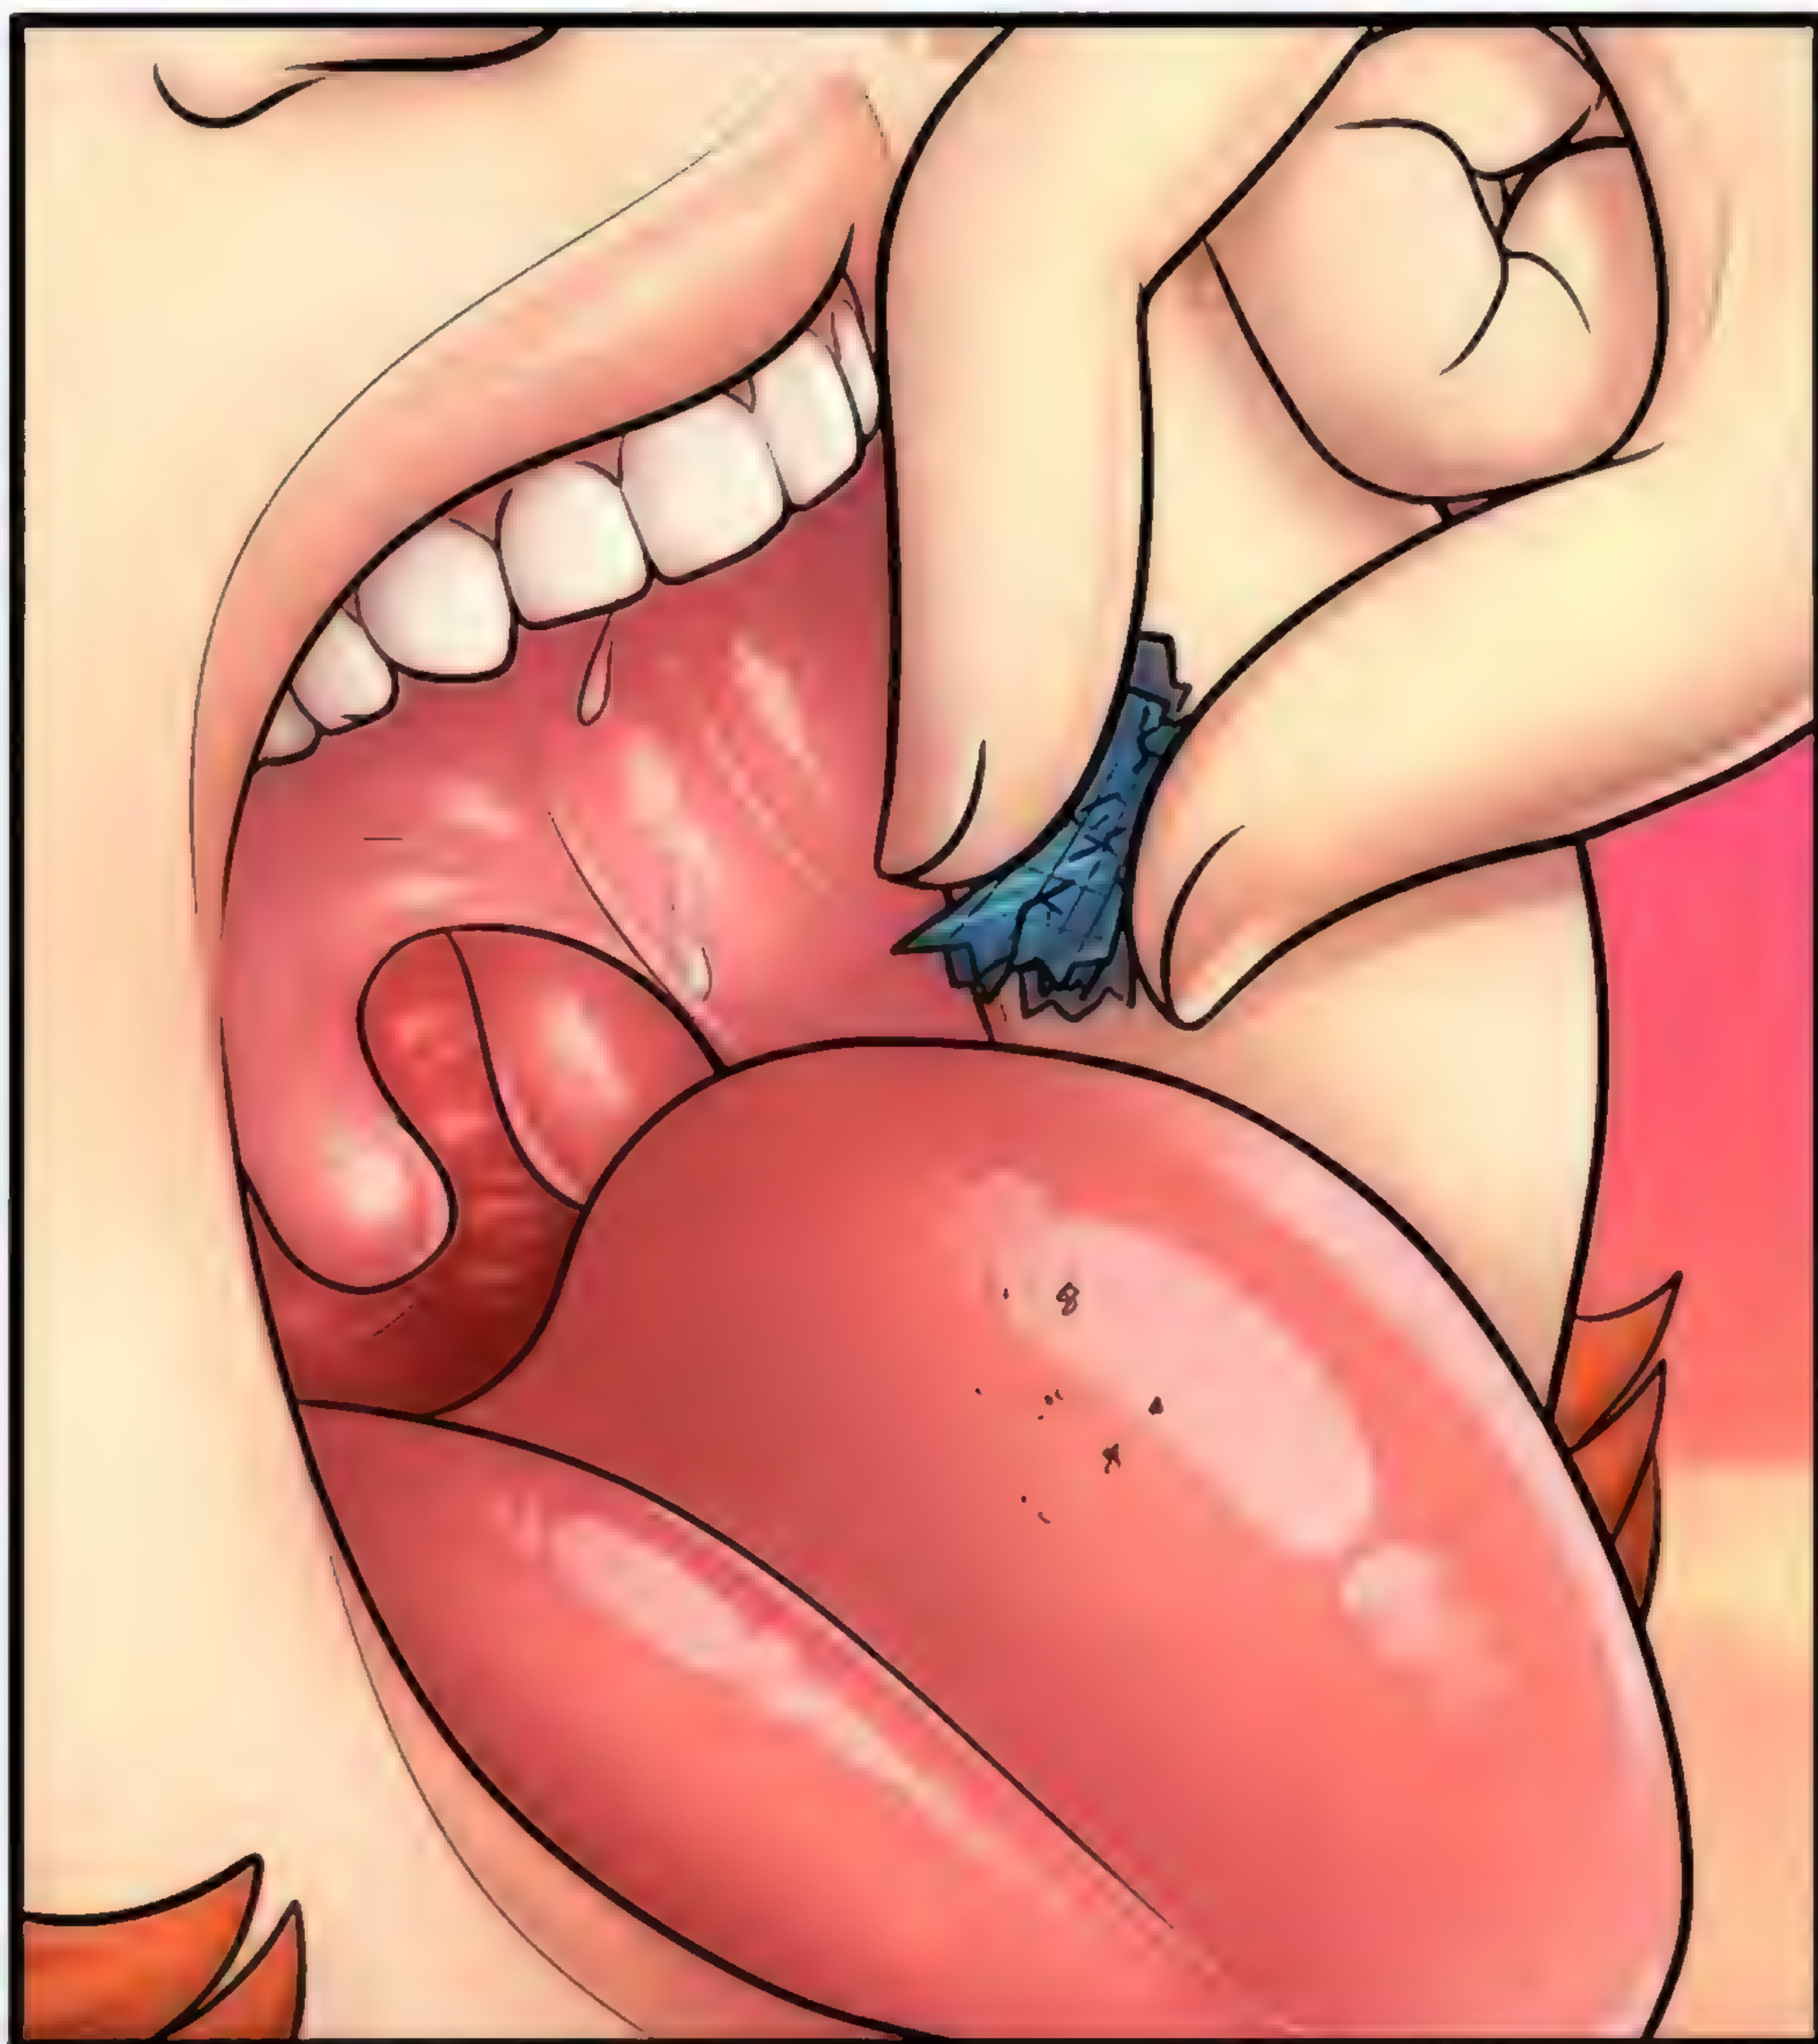

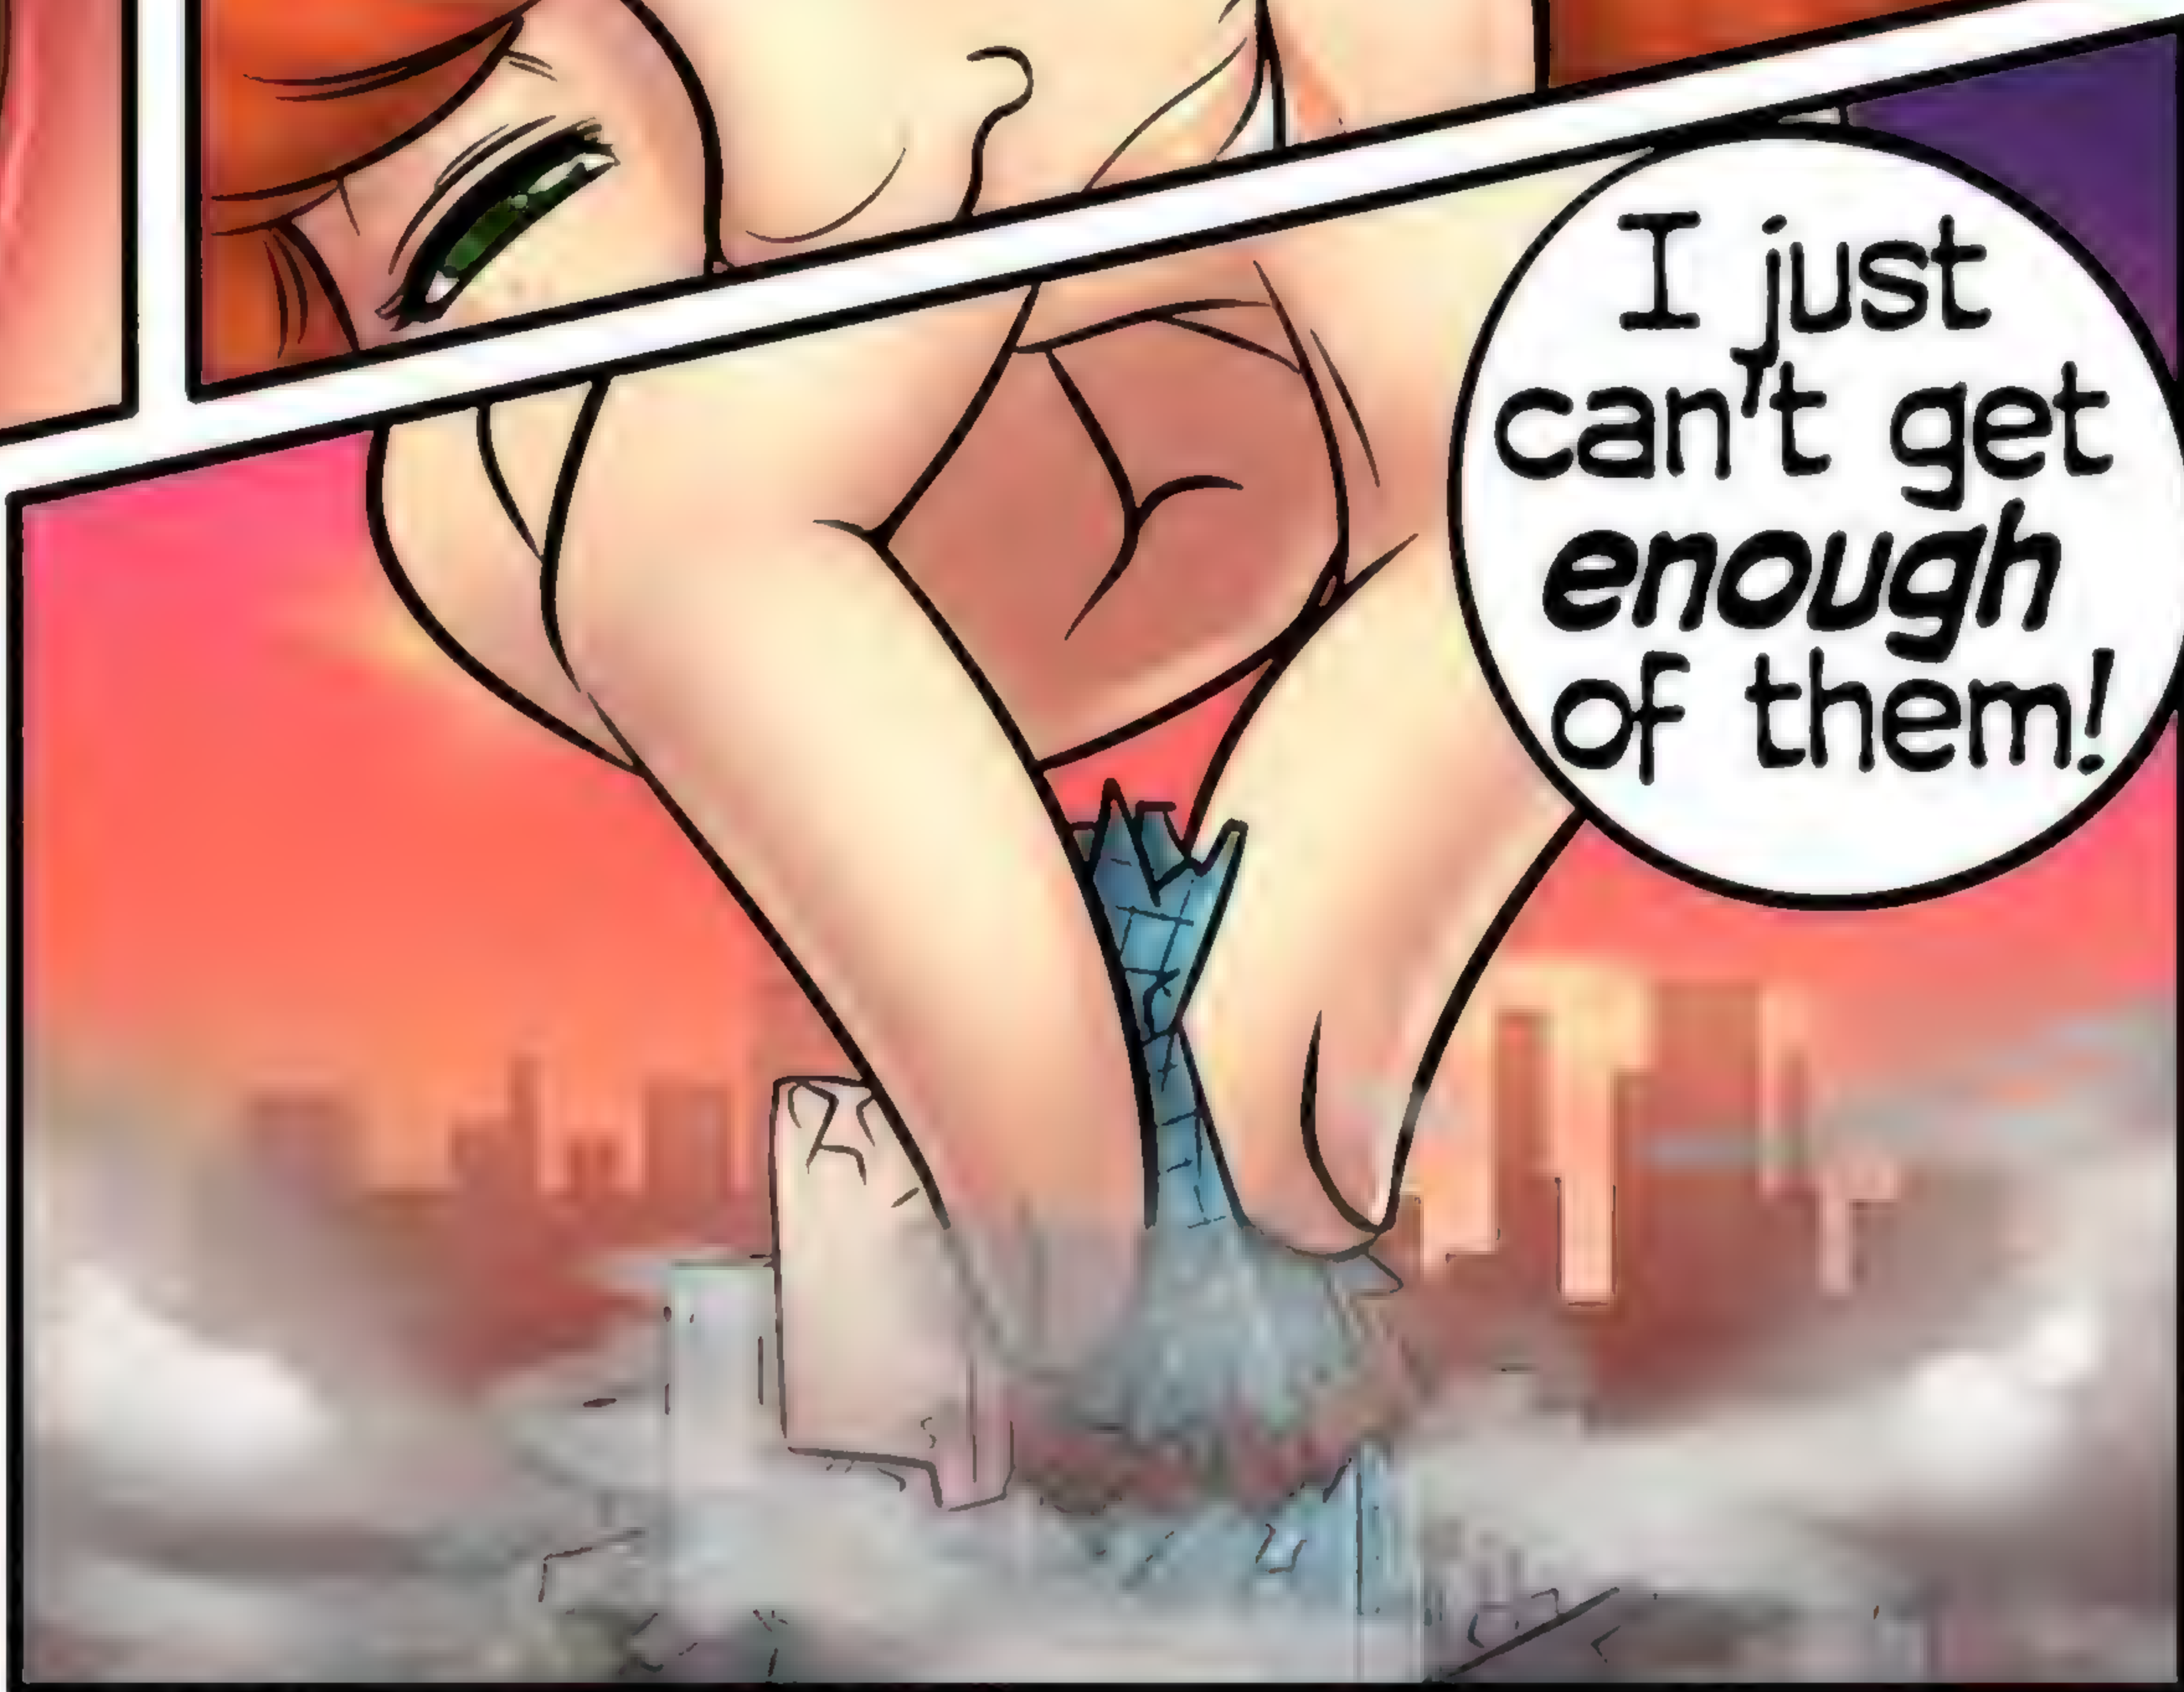

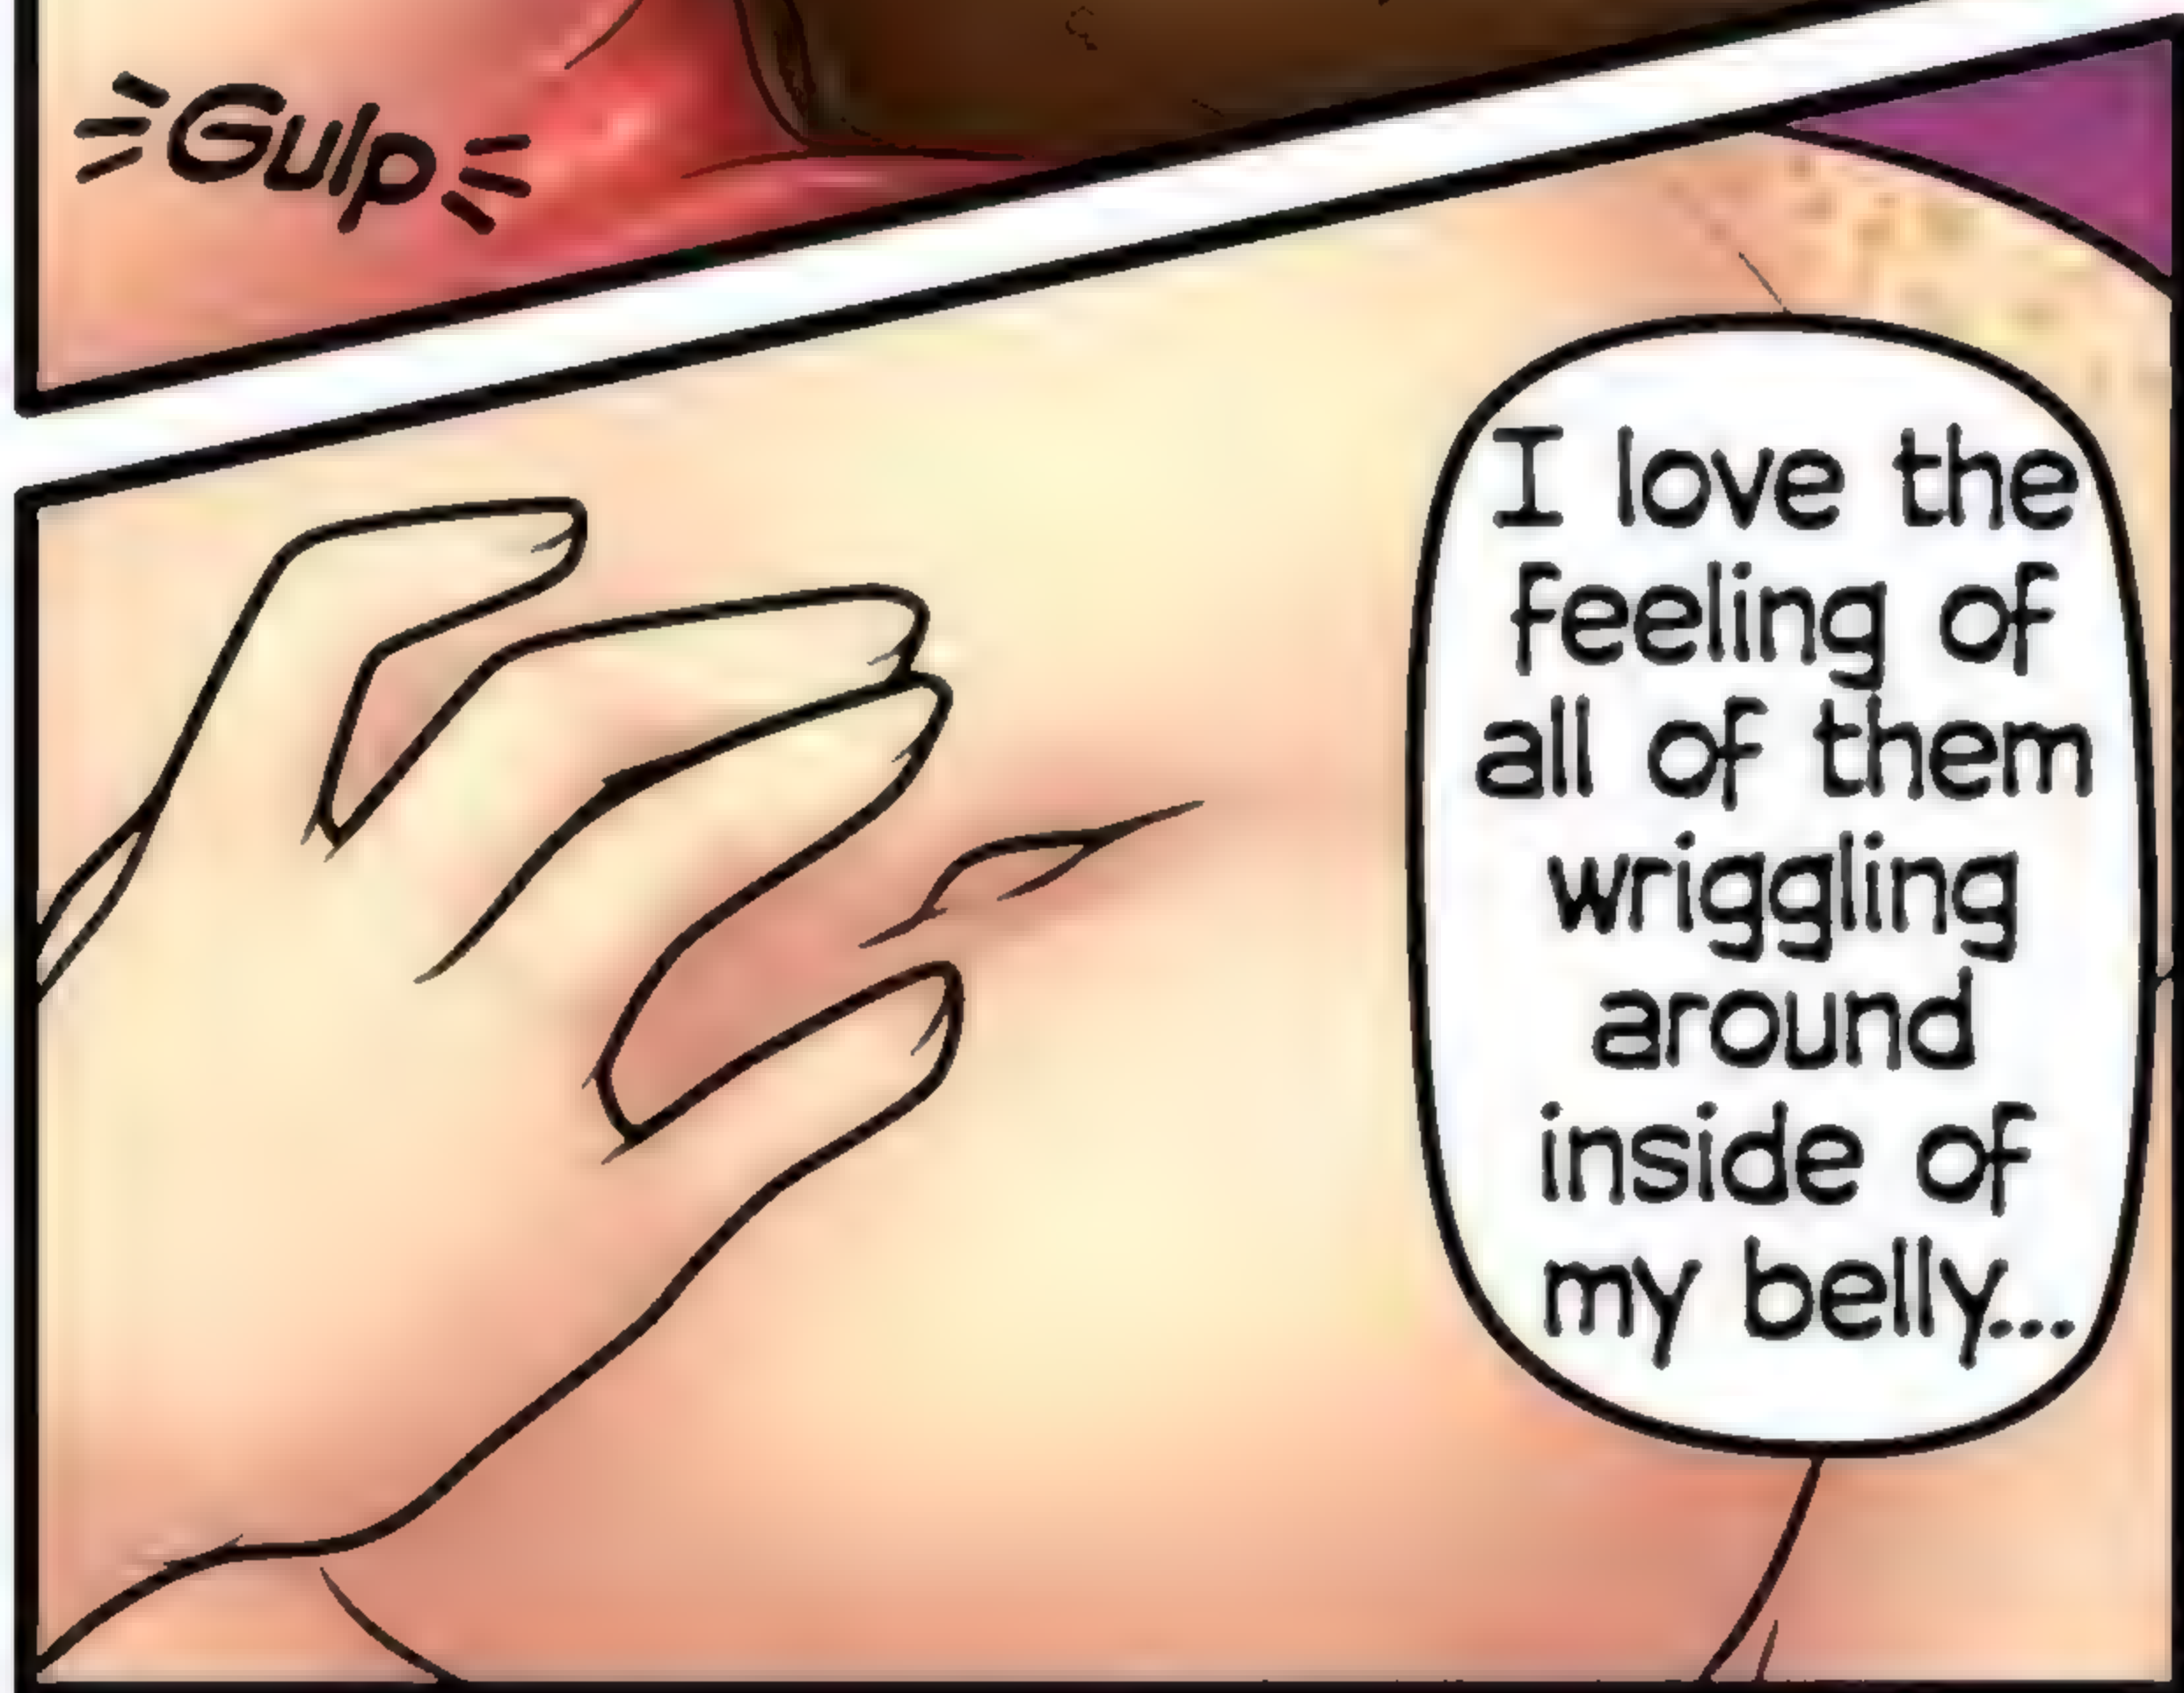

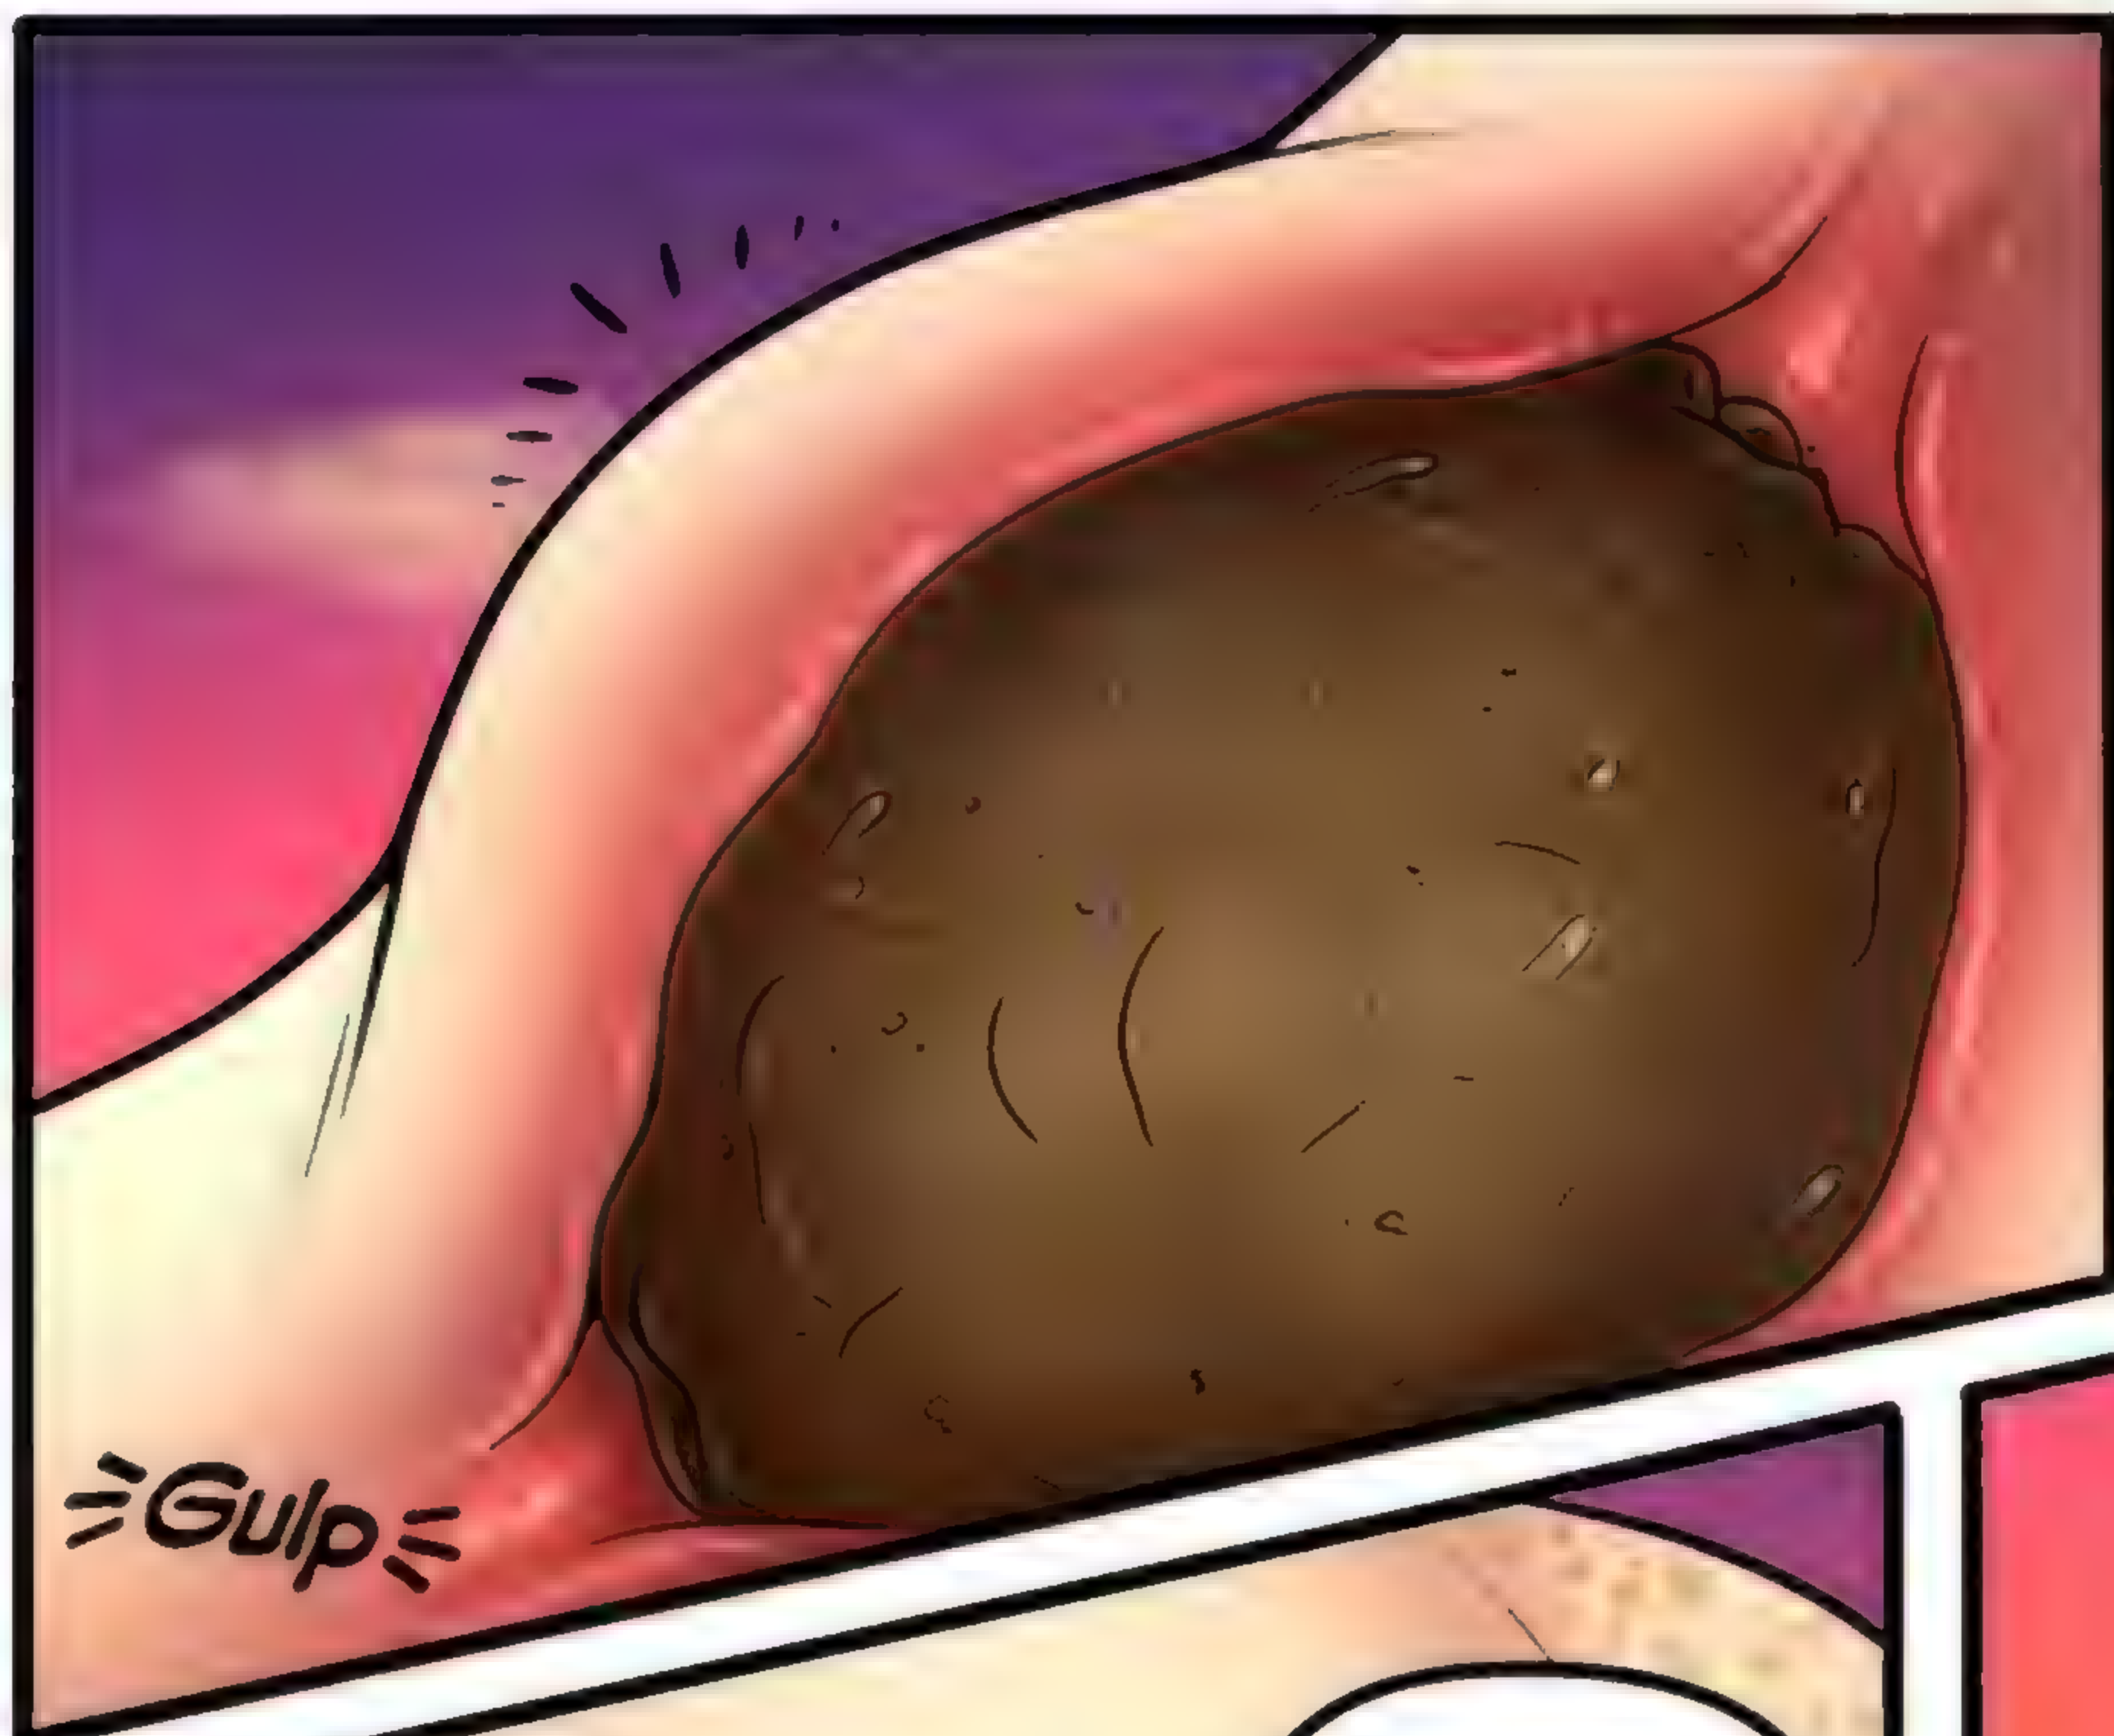

What do you say, guys? How big do I look? Is it hard to make me out?

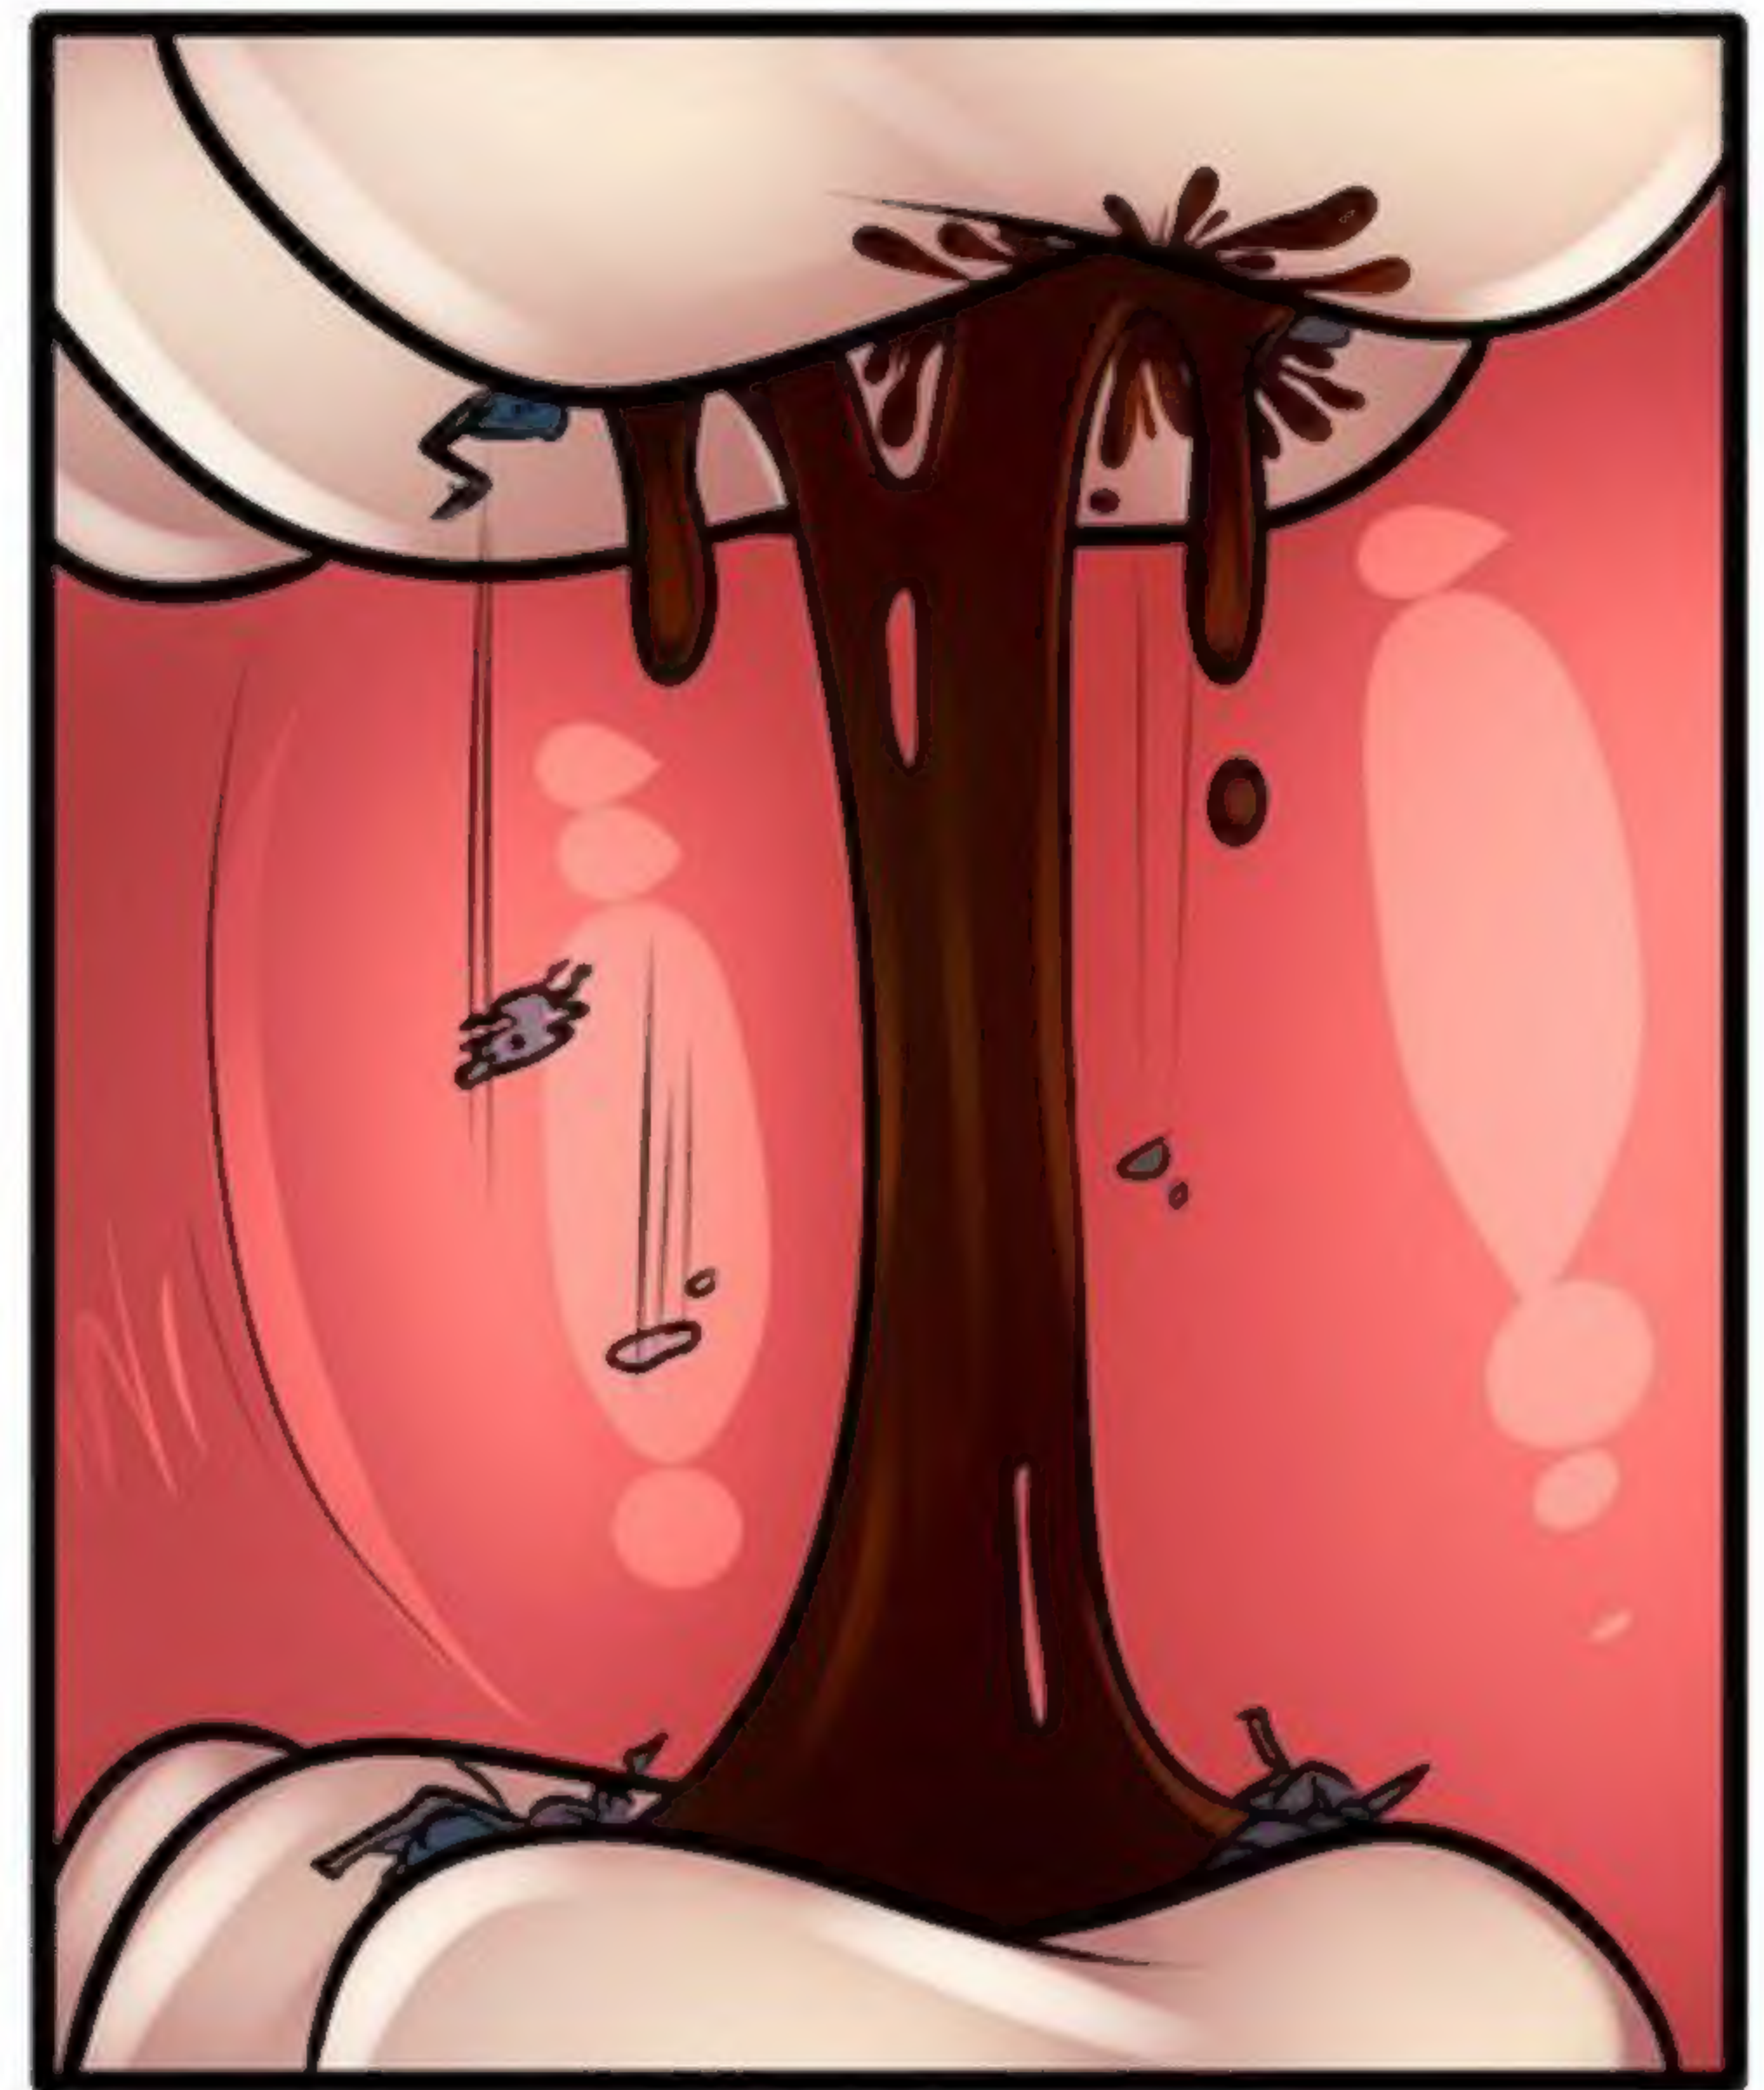

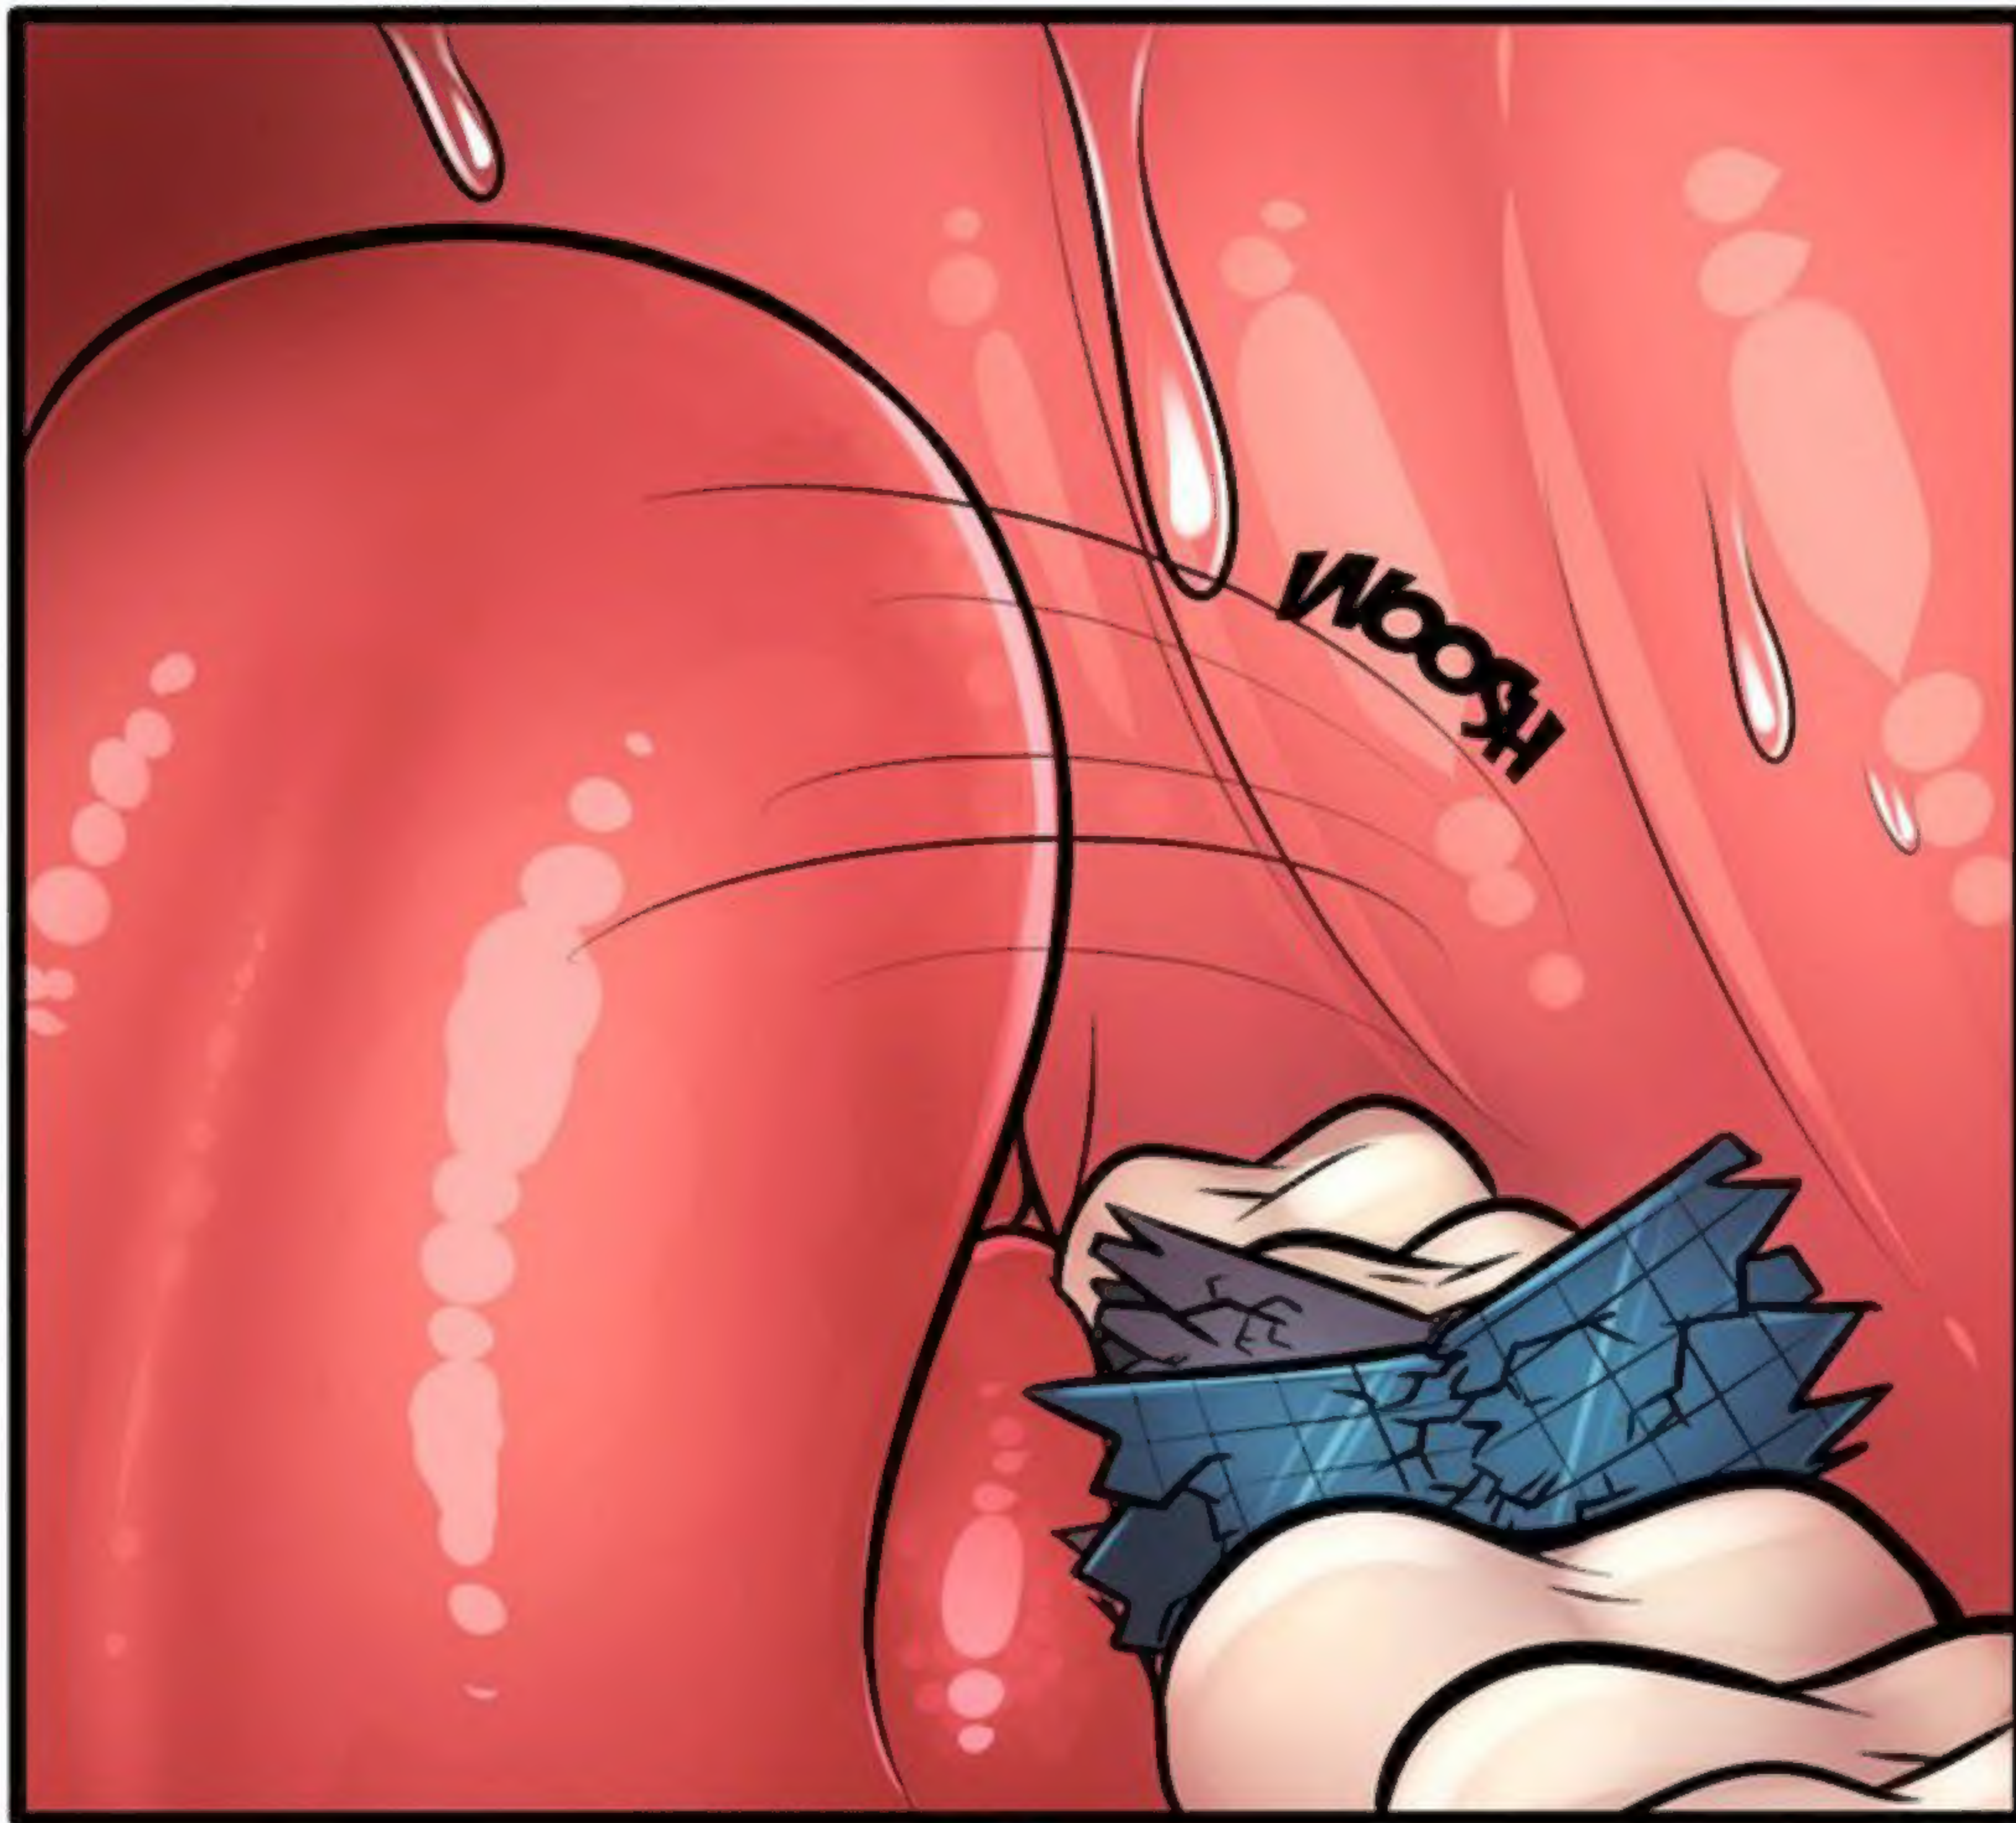

Hah... No point in *running* anymore... Nowhere for you to *run*!

RUMBLE
RUMBLE

MUNCH
CRUNCH
MUNCH

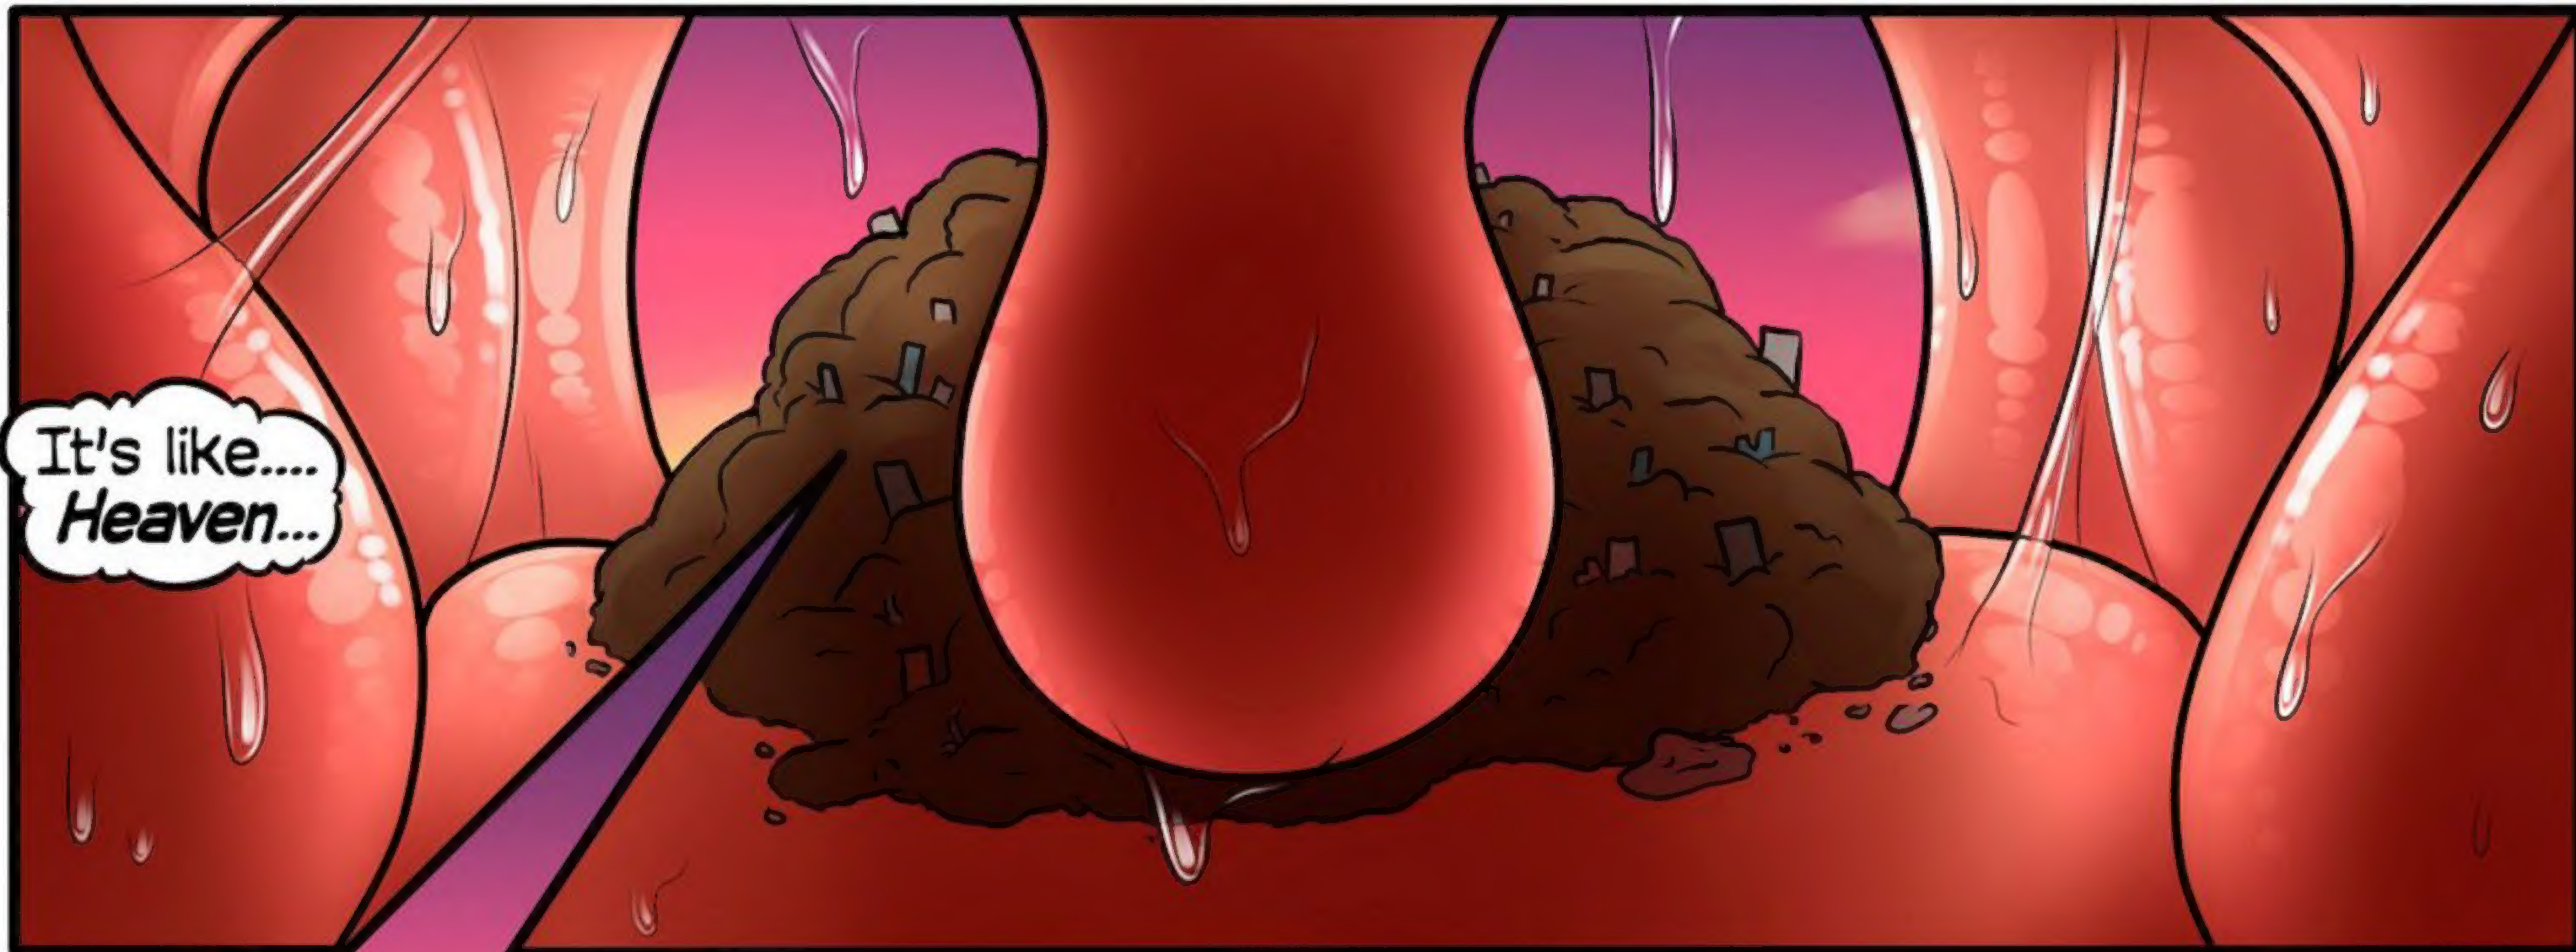

CRUNCH

WOOSH

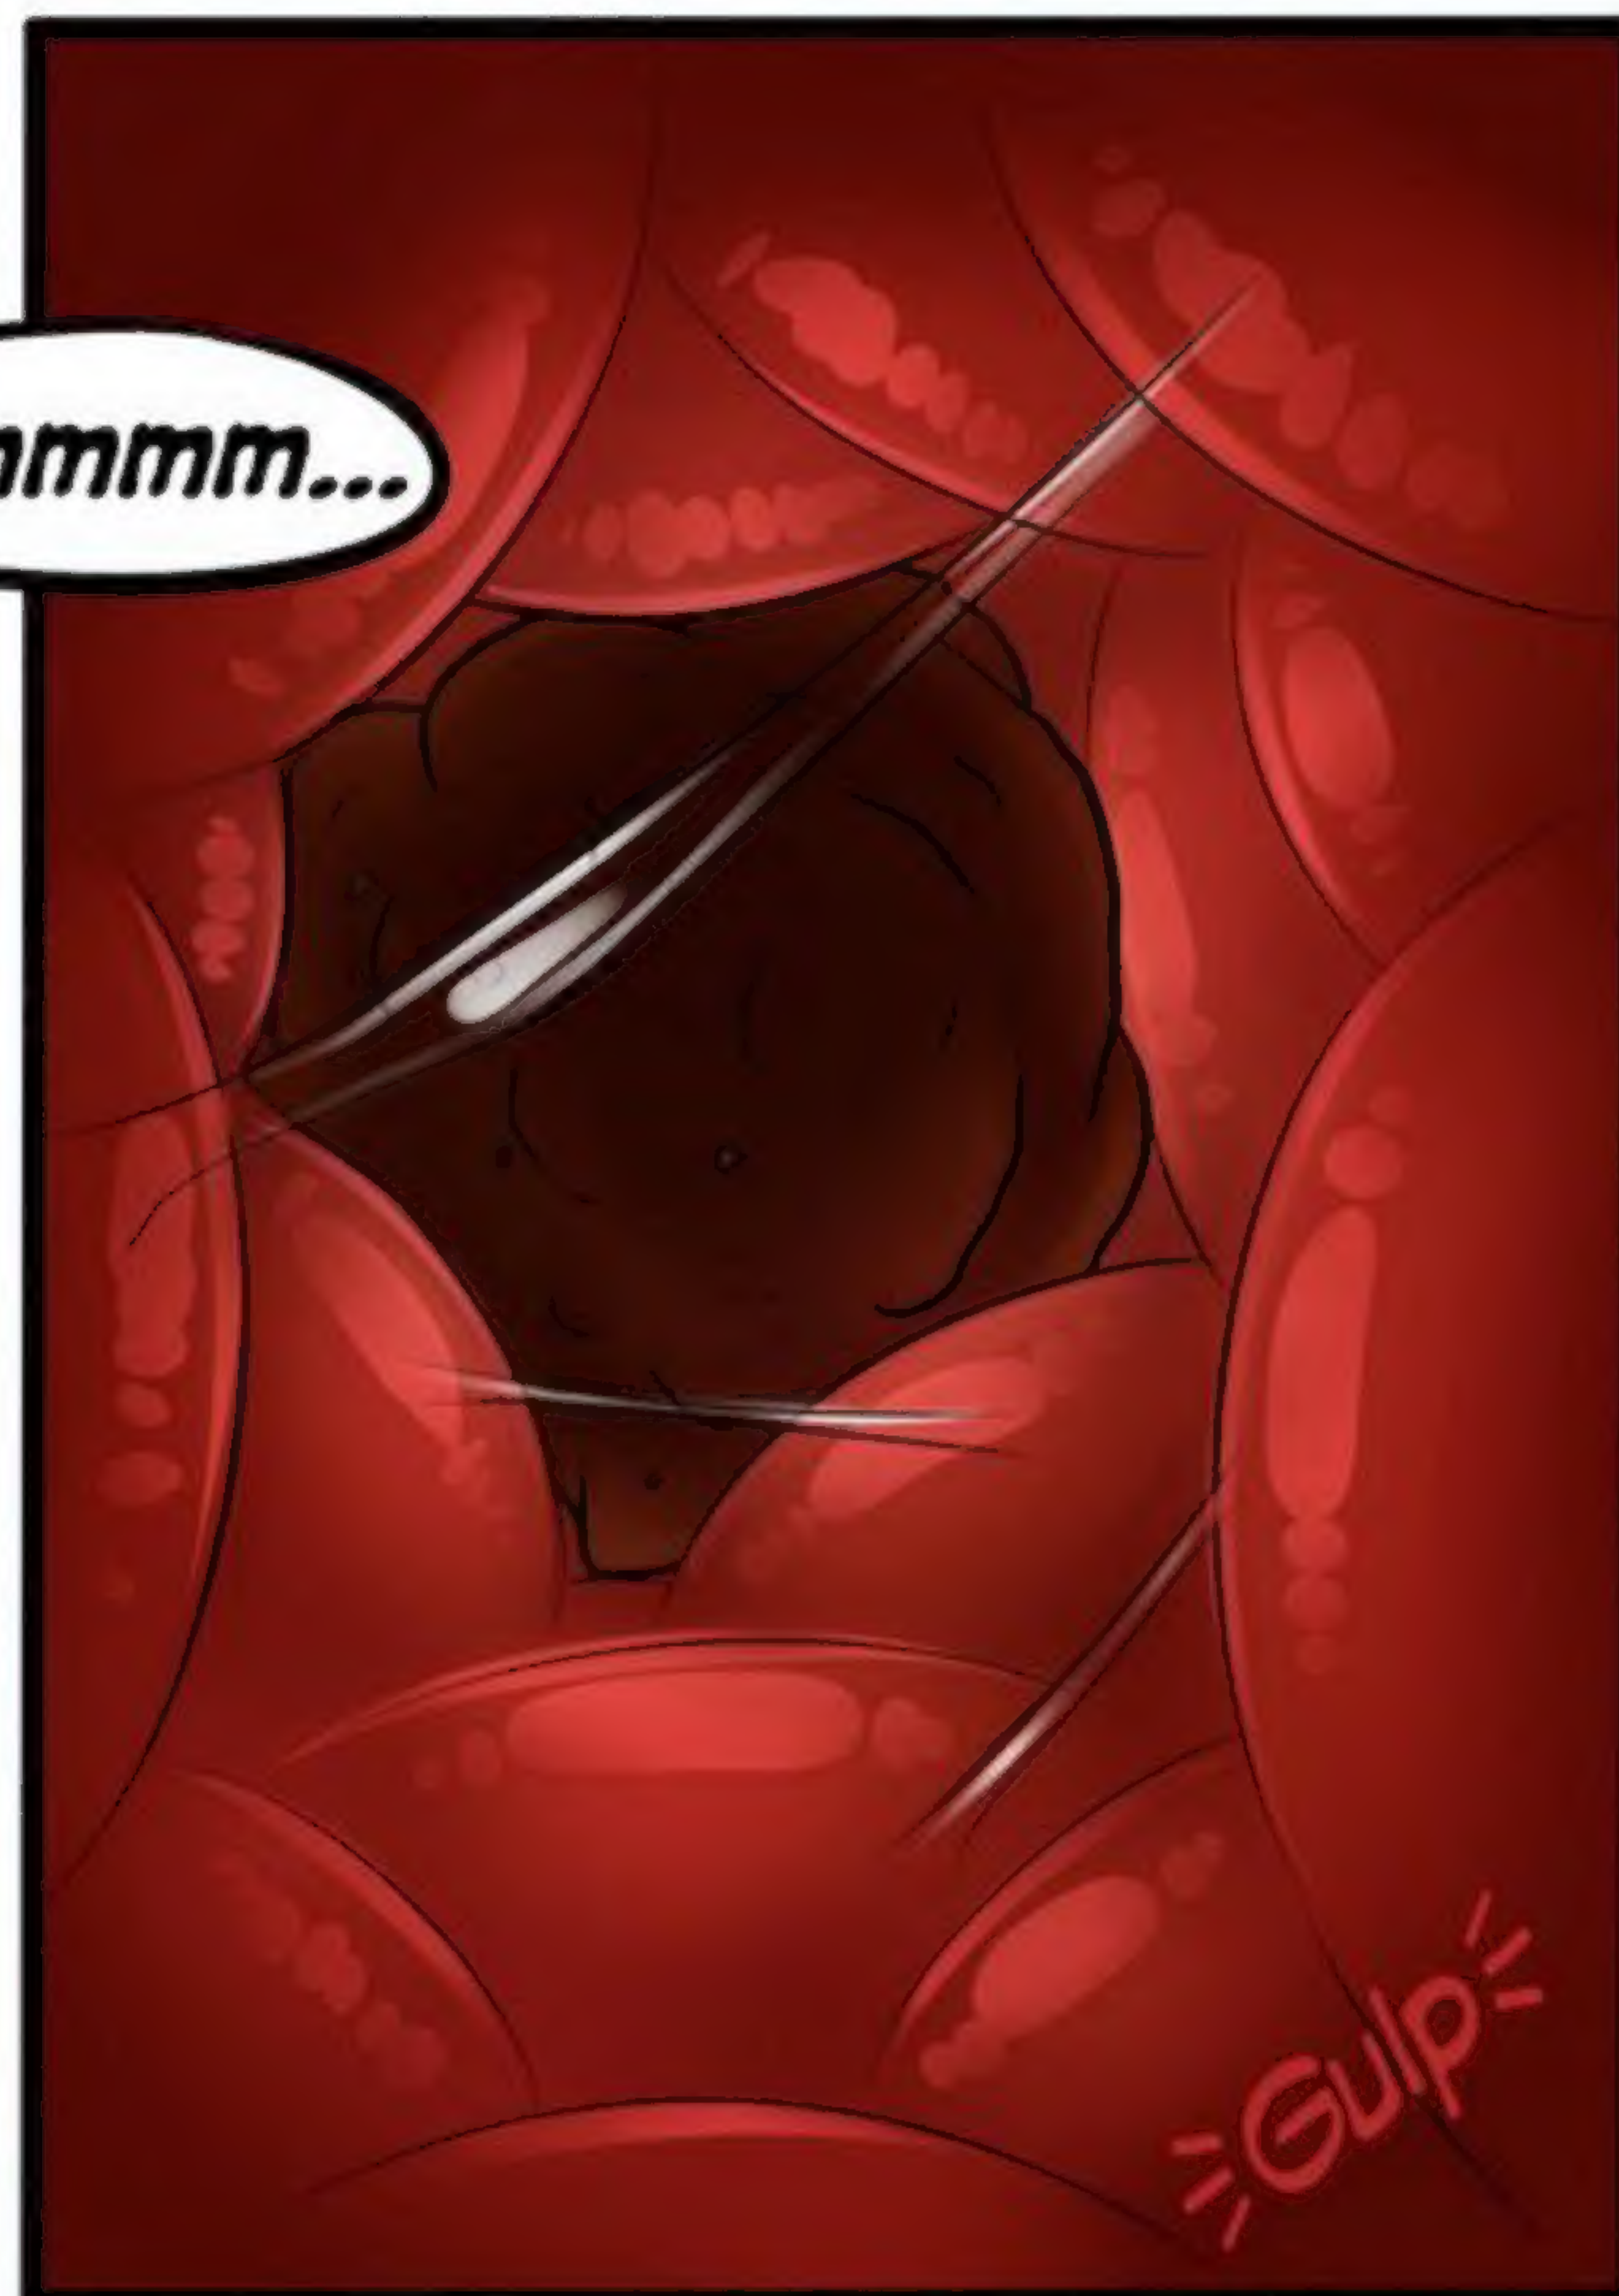

Feeling the *weight* of all the tiny buildings and people on my tongue...

It's like....
Heaven...

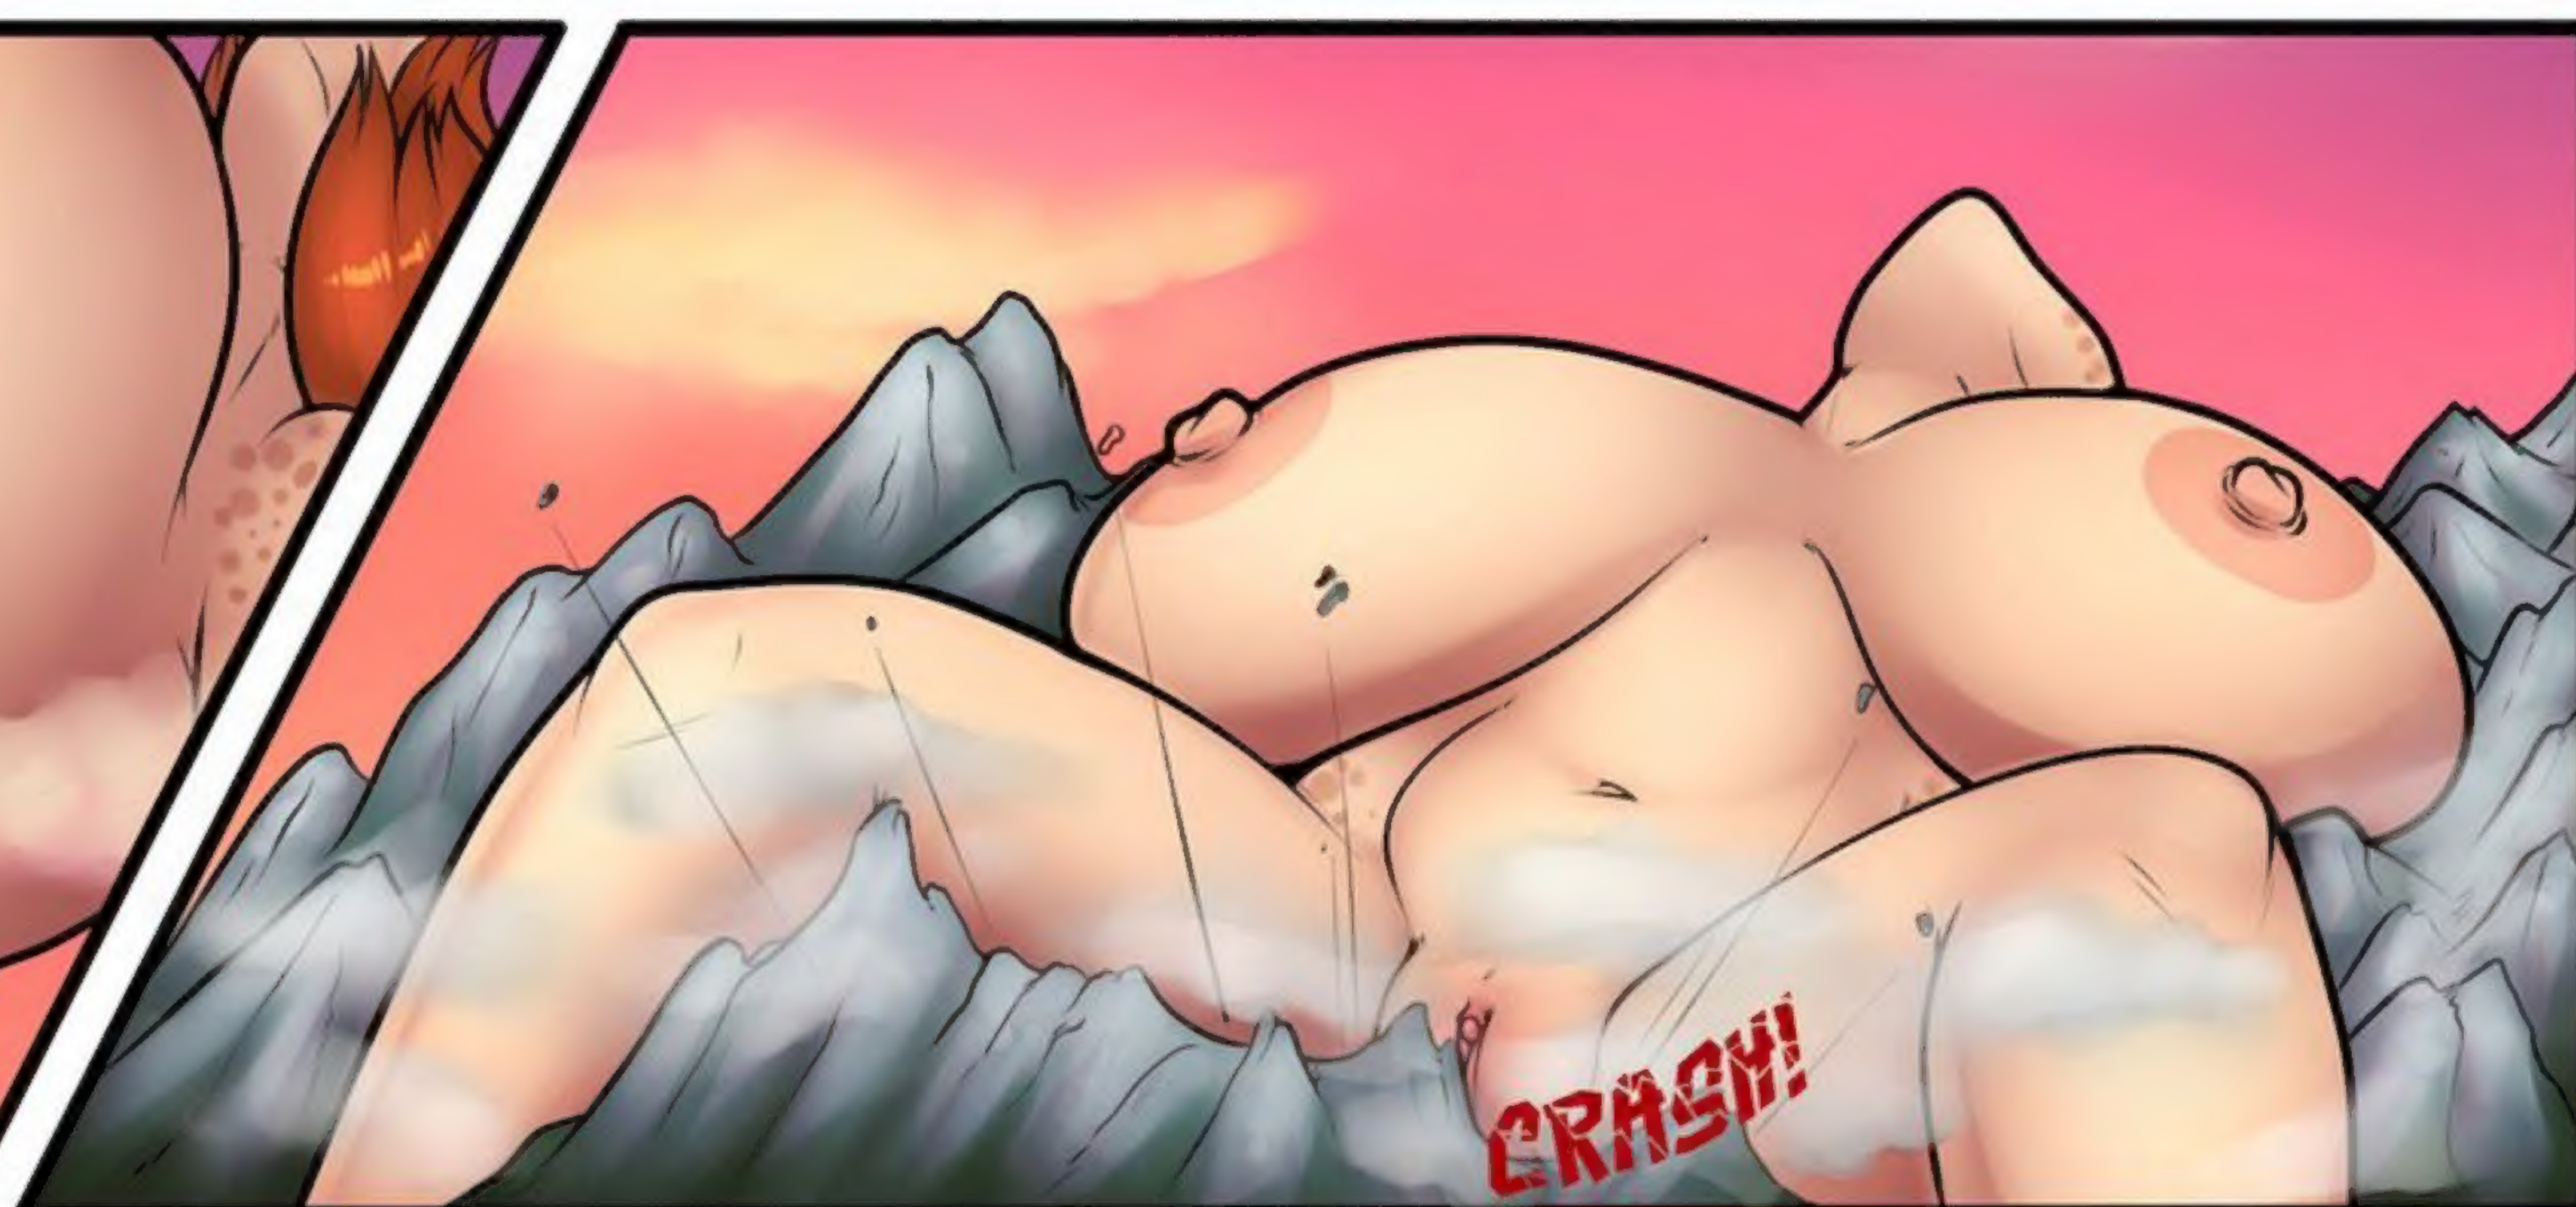

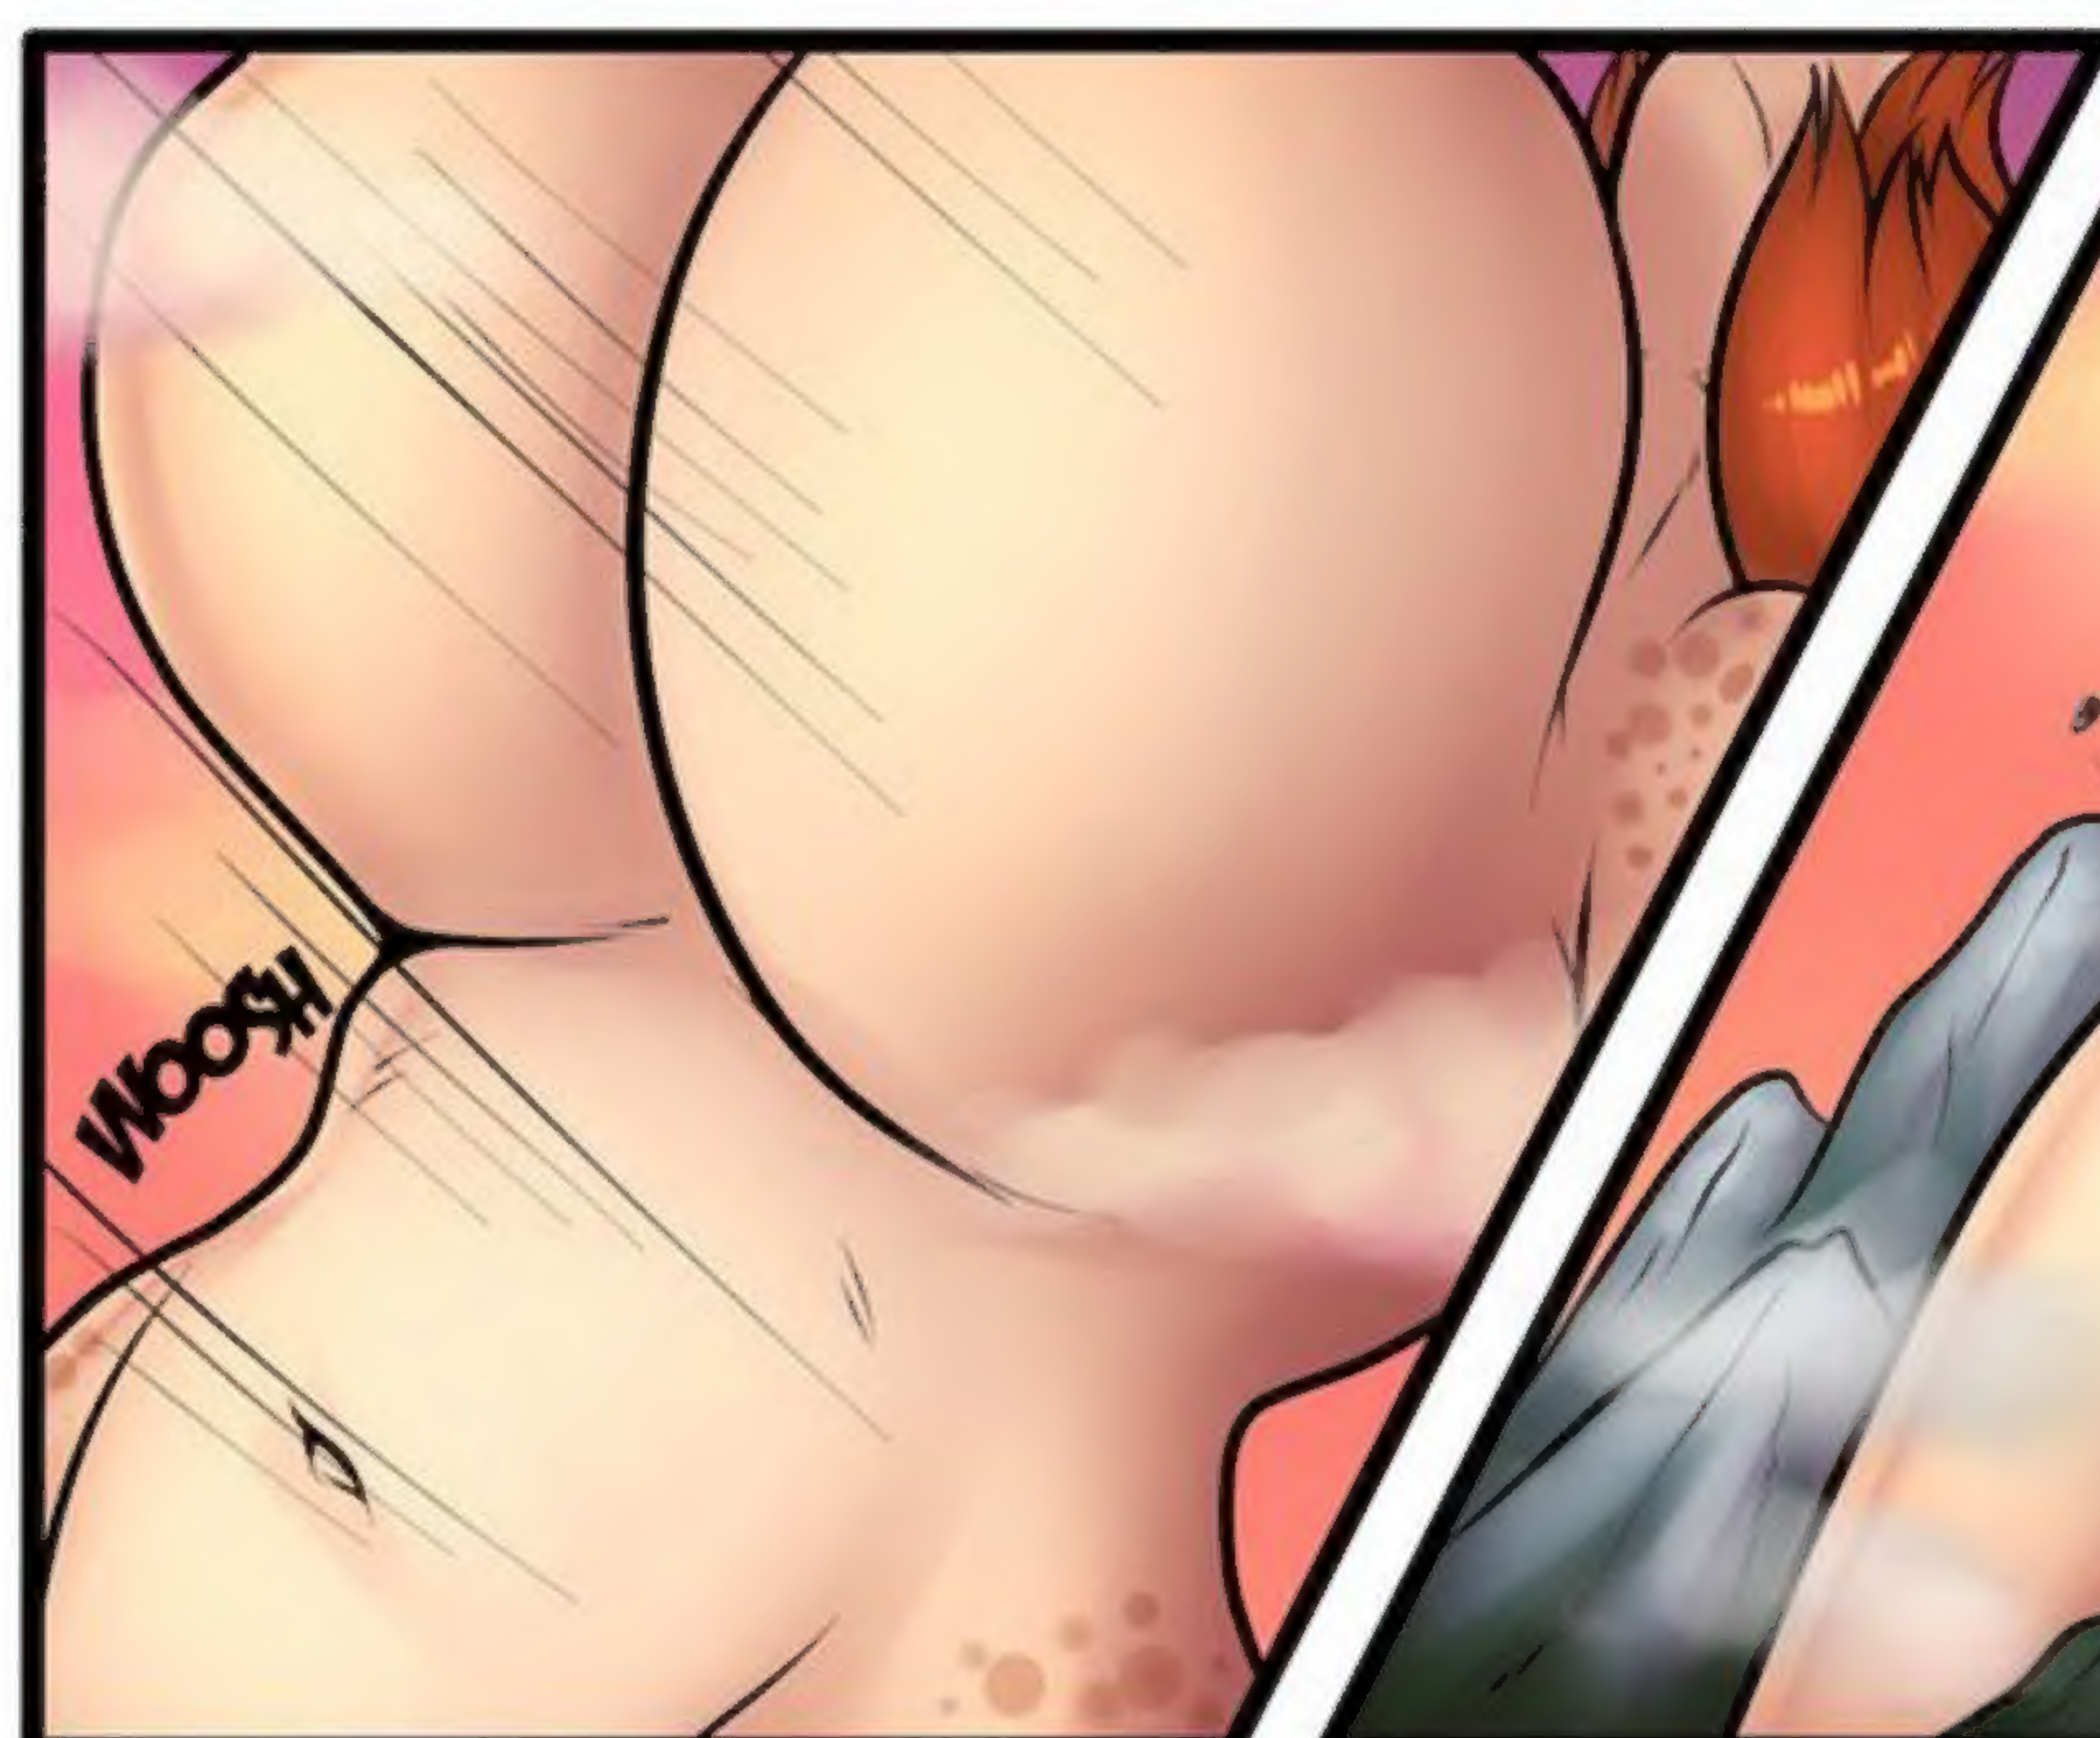

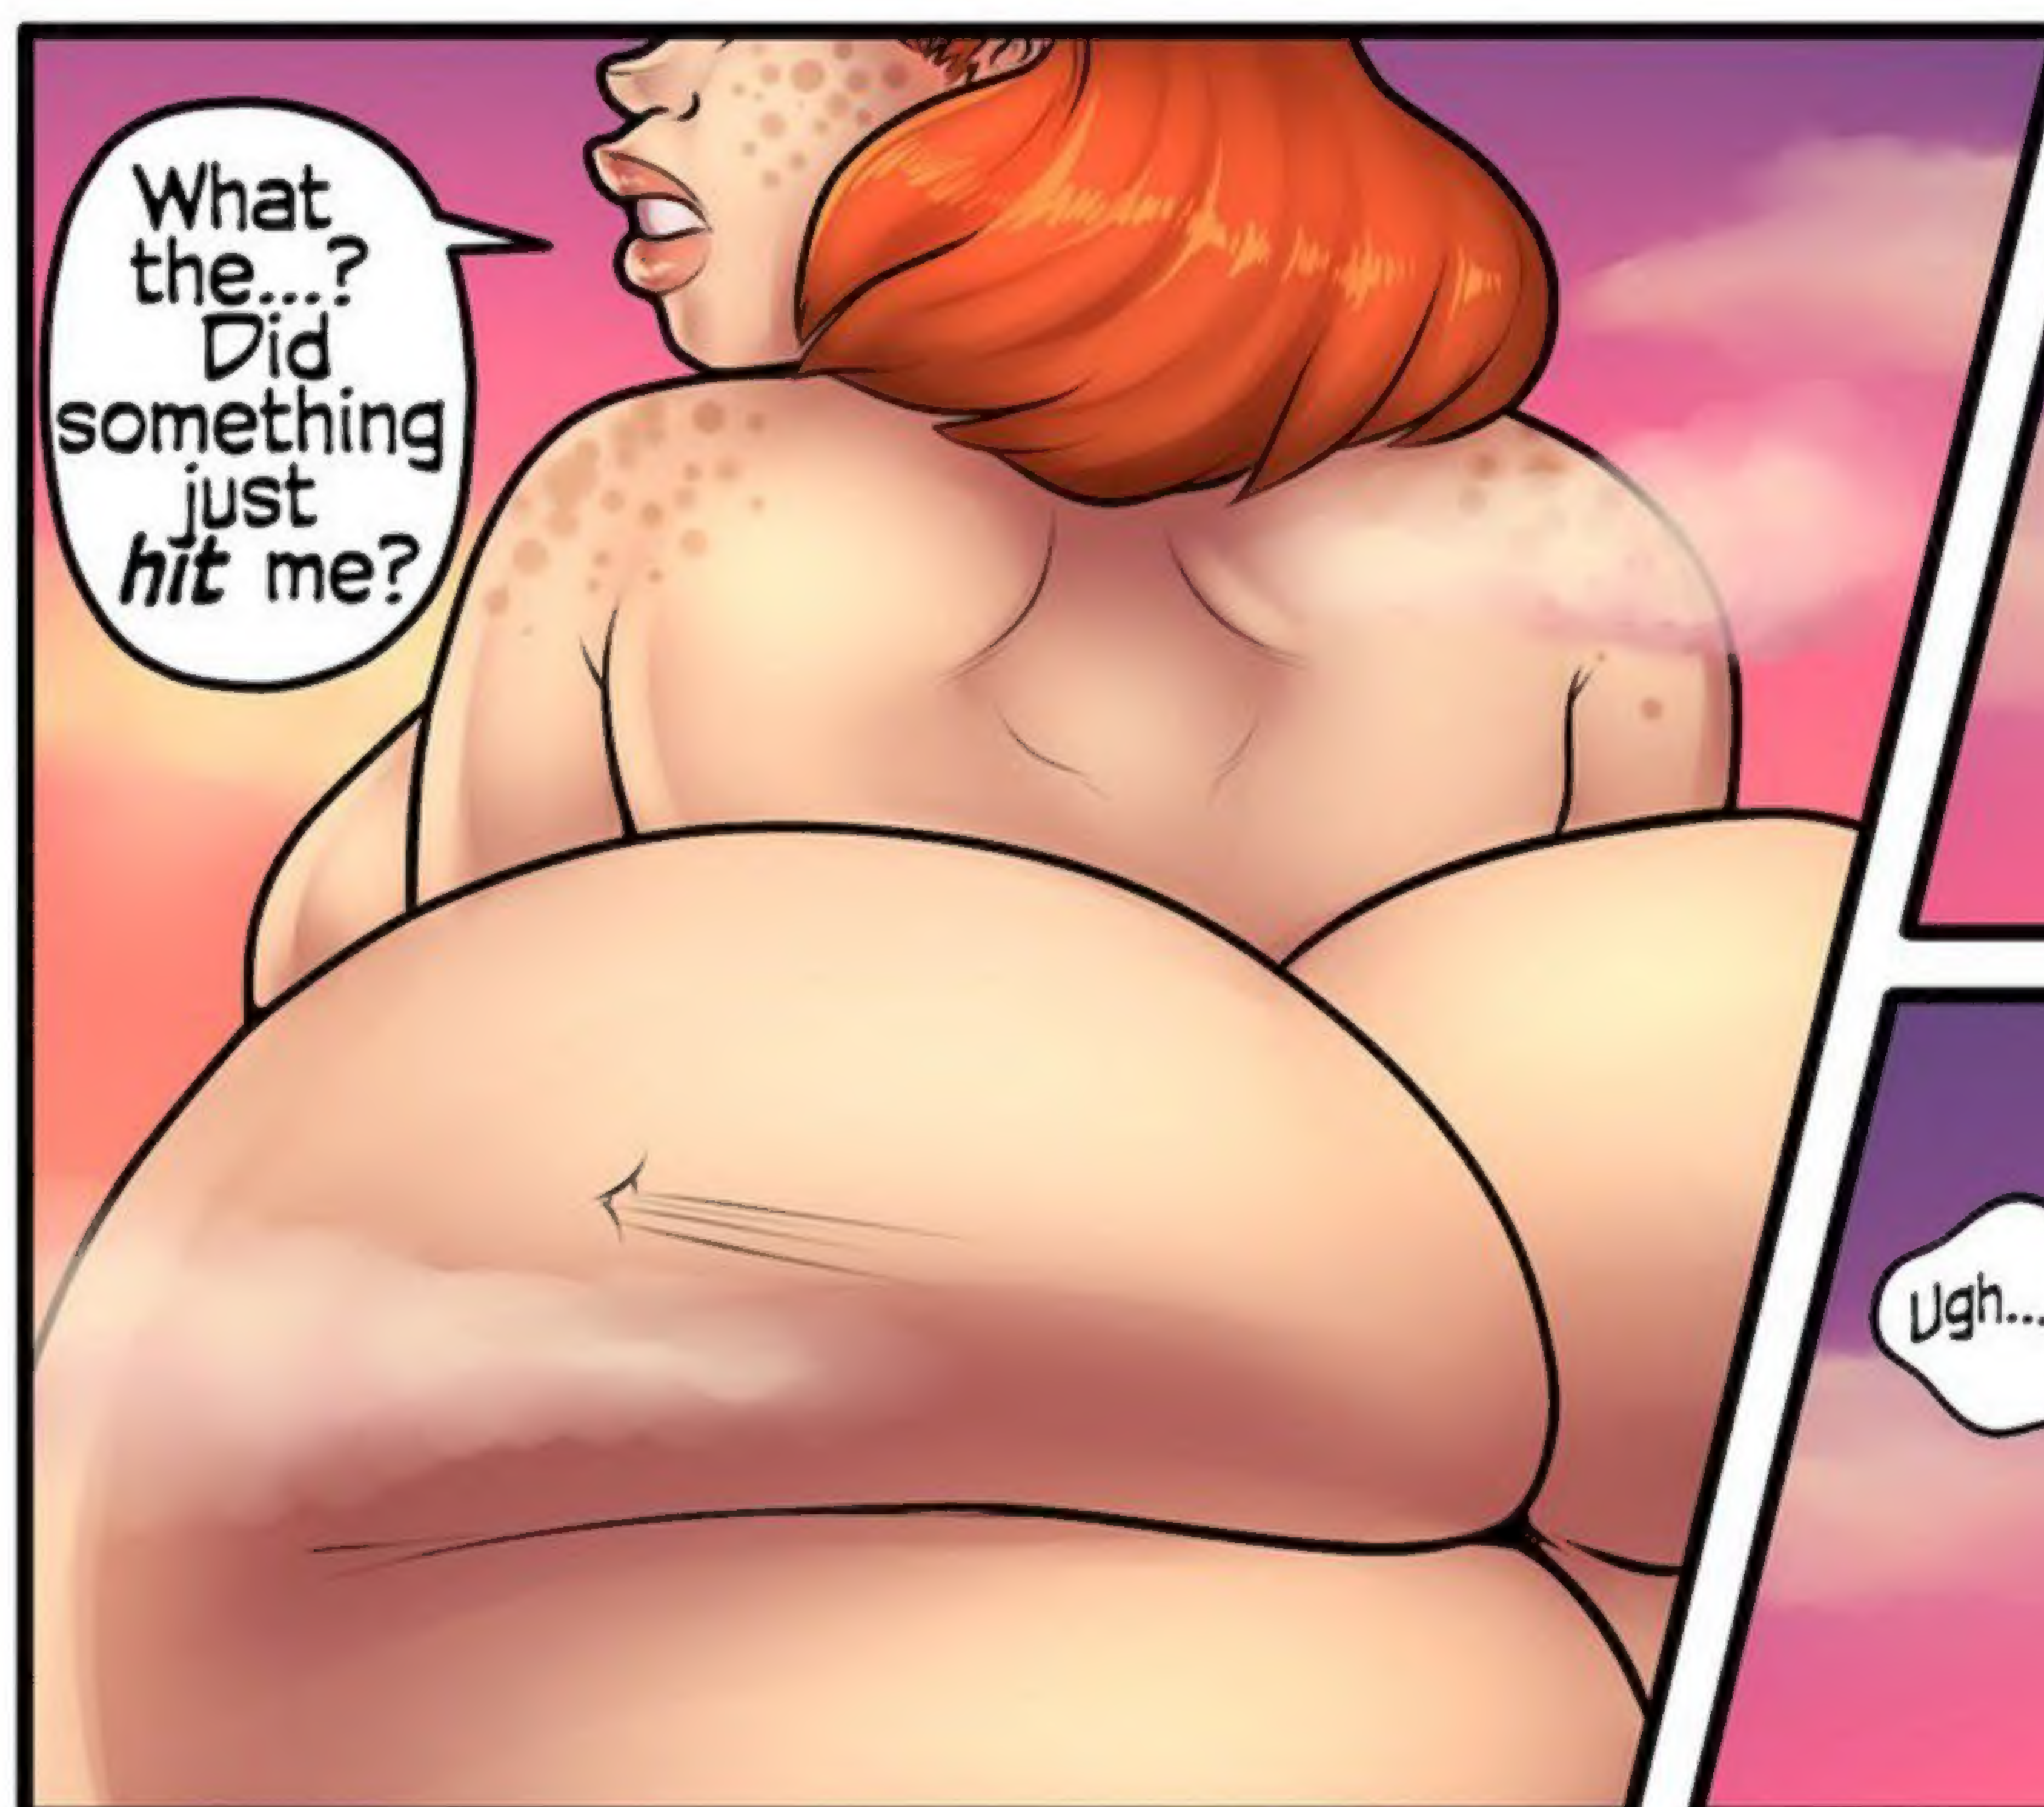

So *delicious*!

Mmmmm...

Gulp

What an
incredible
rush,
being this
large...
This *powerful*...

Only now
that I'm
helpless
do I have
any sort of
regret.

Revenge
was
worth it,
I think.

And I
found my
self
confidence.
But at
what cost?

They can't
take me
down...
I won't
let them.
Because at
this point...

They're all
nothing
but *pests*.
Bugs.
And I'll play
the role of
exterminator...
